

But do you want to know, O foolish man, that faith (believing in Christ) without deeds (a full tribulation) is **useless**? James 2:20

Good works (only) do not make us acceptable to God. In other words, a person can live to a high moral standard, give money to feed the poor, go to church, and serve their neighbors while remaining in lower consciousness outside of Jesus and without entry into His Kingdom. They are just at the upper levels of lower consciousness.

Those surprised after end times by being **left behind** in lower consciousness after final judgment is dispensed without gaining spiritual resurrection by raising the level of their light body (spiritual or glorified body or in scientific terms - their personal quantum field) and entering Heaven during life. A major natural law, is that a person must ask for help or seek towards it in order to start receiving it.....usually by some sort of prayer. A powerful prayer is to ask for the greatest good for yourself and all others around you for a meaningful experience to be given, if a person is willing to surrender into all aspects of it.

A person in their reborn state, is either at the lower teachings of Christ (still at infant levels of spirit), while in lower consciousness, or they are progressing into the higher teachings of Christ, during a focused tribulation and working towards Book of Life levels and eternal life. Then there is the graduated group that has already been admitted, that is already within eternal life, finding additional challenges to experience while increasing their consciousness levels for this lifetime. **(Two groups mixed together at end times)** Just being nice, without increasing into higher levels of consciousness, will provide positive karma only during end times, but will not get a person into Heaven.

Most people will not temporarily **leave their families** nor jobs, showing their actual faith in what Jesus is trying to do for them, which is raising their consciousness levels into Book of Life levels. **So most people drop out of salvation, once the tests are no longer to their liking, never reaching Book of Life levels.** After end times concludes, a person after final judgment, has either reached eternal life that gives them additional physical lives for further conscious growth. Or they will cease having any further physical human experiences, having completed a full cycle given to reach that level.

Matthew 22:28-30

"In the resurrection, people will neither **marry** nor be given in marriage. Instead, they will be like the angels in heaven."

Jesus replied, "You are in error because you do not know the Scriptures or the power of God. At the **resurrection** people will **neither marry nor be given in marriage**; they will be like the angels in heaven. But about the **resurrection of the dead**—have you not read what God said to you, 'I am the God of Abraham, the God of Isaac, and the God of Jacob'? He is not the God of the **dead (lower consciousness ceremonial worship only)** but of the **living (present day Kingdom of God service, meeting all guidelines and requirements).**"

"We look for the resurrection of the dead, and the life of the world to come."

Average person still in fallen state is at 200 level (the dead)

Comparison of Christian Tribulation Views

Rapture in consciousness depends on the sincerity of the disciple during their tribulation...Last Judgment for many will be **before the Millennium** since they won't be anywhere near the necessary levels.
