

The Parable of the Ten Virgins

“At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. Five of them were foolish, and five were wise. The foolish ones took their lamps but did not take along any extra oil. But the wise ones took oil in flasks along with their lamps (continued to increase their spiritual consciousness levels). When the bridegroom was delayed, they all became drowsy and fell asleep (slipped into the lower consciousness realms - fallen state).

At midnight the cry rang out: ‘Here is the bridegroom! Come out to meet him!’ (end of the age, required entrance of Book of Life levels needed to be reached during physical life in order to continue.)

Then all the virgins woke up and trimmed their lamps. The foolish ones said to the wise, ‘Give us some of your oil; our lamps are going out.’ (levels weren’t high enough to get into Heaven - highest level of human consciousness and proceed into eternal life)

"No, said the wise ones, or there may not be enough for both us and you. Instead, go to those who sell oil and buy some for yourselves." (start seeking and surrendering through tribulation)

But while they were on their way to buy it (was in the process of increasing their levels from the infant stages), the bridegroom arrived. Those who were ready went in with him to the wedding banquet (Book of Life levels and being able to enter eternal life), and the door was shut.

Later, the other virgins arrived and said, "Lord, Lord, open the door for us!" (finally understood that they had spent too much time within their comfortable daily routine, instead of having the proper faith in Christ by surrendering during tribulation that was needed to increase their consciousness levels before the age ended)

But he replied, "Truly I tell you, I do not know you." (they had only obtained infant level spirit guidance from other spirits outside of the Christ realm, or none at all - never completing their full tribulation)

Therefore keep watch, because you do not know the day or the hour. (last and final judgment and placement given during last lifetime opportunity to increase consciousness)

Once a person realizes that they must go through a full tribulation to increase their consciousness levels, they would need to start that process. It takes years for this process to complete into Book of Life levels, so a person who starts too late, will end up running out of time. Take this statement seriously. Prophecy states this very clearly.

Those reaching Book of Life levels, can recognize all of the different spiritual consciousness levels out in the world. They can also see how everyone fits within these levels. Those at lower levels, because of their lack of living within the "real" reality, will believe that their beliefs are correct, and will continue within their sin nature unless they progress out of it. So of course, without making large adjustments in their life (tribulation period), they will stay in their fallen state, and will not reach Heaven. They will end up stuck in that reality (fallen state "Hell") for the rest of their human lives, once the ascension opportunity has passed them by, and they never increased their energy levels needed to experience and live within those higher levels. They missed their opportunity during a full human cycle to advance as needed, and will return to the spirit world at those same consciousness levels. New souls will get to start the new human cycle and will be given the same opportunities as those before them, and will have the same chance to reach eternal life, to continue in physical growth peacefully, within the ascended world, for as long as they want to.

“It is true, that without a physical body, it is almost impossible to expand consciousness. Once a person has lost their body, they don’t evolve much more.” Excerpt from You are a Multi-Dimensional being. Therefore, it would be wise, to take advantage of your body while you have it.
