“Do not try to work together as equals with unbelievers (those stuck in their 1st physical reality only, including those who mistakenly only think they are followers and speak as if they are – a person must be at levels to tell the actual differences), **for it cannot be done.** How can right and wrong be partners? How can light and darkness live together?” 2 Corinthians 6:14

“and He will separate them”
Those in eternal life, and those who are not.

“they shall not see nor experience eternal life (lives)”

The Fellowship of Believers

“All the believers (those living in their ascended state – 2nd physical reality) were together and had everything in common. Having sold their possessions and goods (as Christ required in order to follow Him fully at the start of their personal tribulation), they distributed the money (and wisdom) to every one as his occasions required. (both spiritually and physically).” Acts 2:45

An actual disciple completes their tribulation fully as Christ demanded, in order to enter into eternal life and the 2nd physical reality during their lifetime. Otherwise, they have fallen short of Biblical promises unlike all the others that have already achieved this state that the Bible recognizes as “Heaven”. Once this level is achieved, they (disciples) work on other spiritual goals while progressing each lifetime until permanent separation occurs at end times, eliminating all of those still stuck in the 1st physical reality only.

At end times, people will be mixed together within the two separated realities (those separated by Christ into eternal life, and those left behind since they are not ready yet). Best to figure out which one you are actually in, and make the appropriate change if wanted before it's too late

The 1st reality group will not be spiritually aware enough to recognize end times..... they don't even know that a 2nd physical reality exists, much less a 3rd reality.

Lake of Fire is a person stuck within the 1st reality only – their fallen state.

“Those who did not have their name written in the Book of the Living (higher consciousness – 2nd physical reality) were thrown into the lake of fire (remained in their 1st physical reality only).” Rev 20:15

This is being able to live in a **person's ascended state within eternal understanding and lifetime progression**, compared to those still in their **fallen state living in a sleeper state**, unaware of these two very different physical realities. Those in their sleeper mode lifetime after lifetime **can actually decline spiritually** since they are having a hard time just navigating through each lifetime. Of course they will not understand how others can actually understand higher levels of consciousness, since they cannot.

Those remaining stuck in their 1st physical reality only (lower consciousness), **have already been left behind**, and are already part of the dead, without even knowing it. They are just about out of time for correction before the end of the age completes.

They were never fully converted, and therefore, never saved!

This group will never experience eternal life living – 2nd physical reality....

The majority of those calling themselves Christians, will never reach the top physical tier to enter into the Kingdom, because they are using their free will to bypass the level of surrender needed to get them into Book of Life levels of consciousness. **They falsely believe** that when they first asked Christ for forgiveness and salvation, that it alone saved them. They do not understand that it was only the beginning of their tribulation process, and only placed them at infant stages of spiritual understanding. Therefore, they have not been cleansed at the levels required to fully understand universal laws and **will remain at their current level of sin**, outside of the laws needed for eternal life living, and also outside of the levels that give protection for His true disciples already within eternal life. A partial and incomplete tribulation.

“But don’t begin until you count the cost (cost of discipleship). For who would begin construction of a building without first calculating the cost to see if there is enough money (sincerity and time) to finish it? Otherwise, you **might complete only the foundation (staying at infant levels only)** before running out of money (energy and time), and then **everyone would laugh at you.** “This man could not finish what he started to build. **(never reached eternal life levels of consciousness like the many others who are already in it)**” Luke 14:28-30

“All day long I have held out My hands to an obstinate people who walk in the wrong path, who follow their own imaginations” Isaiah 65:2

“When the master of the house has locked the door, it will be too late. You will stand outside (3rd dimension consciousness)

knocking and pleading, Lord, Lord, open to us, and

He answering will say to you, I have not known you from where you are.” (They had remained in their 1st physical reality only) Luke 13:25

After the period of time for entry has been shut, there will be no way to enter into the higher consciousness world. Every soul who has lived a life on earth, will be given their last and final judgment during this end time period. This will be an individual choice to make. No one is making an actual judgment against anyone else. Christ only helps people into Book of Life levels, and how to be able to live within that world. Salvation by fully following Christ. No one will be able to blame anyone else for not making it in, except for each individual alone, and their decision not to have that experience.

“And the many who sleep in the dust shall be awakened, **these to eternal life** (2nd and 3rd physical realities), and the others to loss and to the shame of their companions for **their** eternity (remaining in the 1st physical reality only – **separated for eternity from ascended family and friends**).” Daniel 12:2
