A person must be living within the 2nd and 3rd physical realities, or they are not part of those who have new life into the new Heavens and new earth.

Excerpt from The Ancient Secret of The Flower of Life

The Lucifer Experiment: **Duality**

The words "the Lucifer rebellion" carry a stigma that has haunted mankind for at least since the Bible has been on Earth. Many of us humans, especially Christians, believe that Lucifer is the cause of all evil and darkness that has ever transpired on this planet. We call what Lucifer did a rebellion, projecting an image that Lucifer is somehow going against the universal cosmic plan. But **unity consciousness** sees Lucifer's work in a slightly different light. His work is not known as a rebellion, but as the Lucifer experiment. Why would it be called an experiment? Because that is exactly what it is, a test to see if certain parameters of life will work. *Life is an experiment!* The instructions from God at the beginning of the Lucifer experiment were for humans to **live free will**. But what does free will mean? Does it not mean **all possibilities**, both good and evil? Does it not mean that we would be allowed to do *anything* we wanted, with the idea, from a biblical point of view, that we would learn discrimination for the good?

Life was given the ability to do anything it wanted, all possibilities; it was given free will. Therefore, how could free will exist unless consciousness created the format for this way of being? And who creates consciousness? The one and only God. Lucifer did not create free will, but it was through his actions and decisions that free will became a reality. It was God who created Lucifer so that free will would exist. Before the Lucifer experiment, there was no free will except during the three other attempts. All life moved according to the will of God, according to the cosmic DMA. There were no deviations, and free will was only a potential that life could someday try.

At one point, because free will was possible, we realized that there was a particular way we could experience this reality that had not been tried before. So we tried it. We actually tried three versions of it, and each time it failed. They were absolute disasters. The latest experiment and fourth attempt, with Lucifer heading it, used a different approach to create free will. This time God chose an **area of consciousness** that was just above human existence: This experiment began with the angels. So it was the angels who brought this new freewill consciousness to mankind to be lived here in these dense worlds, and life everywhere watched to see how it would fare. With great respect between two brothers, the battle between good and evil began. It was a battle to the death, yet neither could die. It was a battle that had to be, for it was the will of God. For the overall sake of the universe,

Michael supported the side of the light and the good and Lucifer backed the side of darkness and evil. A new possibility was about to be lived. And we humans thought it was a great idea, this idea of free will.

The Bright and Shining One

It becomes clear in the study of sacred geometry that nothing was created without intention and reason. It wasn't just a mistake; in fact, there are no mistakes. And when God created Lucifer, as you can read in the Bible, he was the most magnificent angel God had ever created. He was the most intelligent, the most beautiful, the most amazing of all angels. So he had no peer; he was the top-of-the-line model of the angelic worlds. God gave him the name Lucifer, meaning "the bright and shining one." God gave him this name, so do you think God made a mistake?

If you think back to our own human nature, we always tend to look to our heroes as that which we want to become. We look up to those people who have gone before us, who have blazed the trail in the direction we feel we want to go, and we model much of our behavior after our heroes. Because of the understanding of "As above, so below," it is the same for Lucifer. He wanted to be like his heroes, but he didn't have anyone higher than himself in his realm. He didn't have any heroes.

He was the greatest archangel in creation. There was no one greater than he. Rather, the only hero he had was God, who was the only being beyond him, from where he could see. So Lucifer did something very natural—and I feel sure that God was aware that this would take place when he created him. He wanted to be as good as God—to actually *be* God—from a *creation* level. There's nothing wrong with merging with God, but that isn't exactly what he wanted to do. He wanted to be *just like* God. In fact, he wanted to be even better than God. Lucifer wanted to surpass his hero. Lucifer was so intelligent that he knew how the universe was created.

He knew the images, the patterns and the codes that had created the universe. But in order to be greater than God, he decided that he would have to separate from God. As long as he was part of God, he could not go beyond Him. So, evidently with God's blessing (since He created him), Lucifer started on a great experiment to see what could be learned by creating in a different way from how God/Spirit had made the original creation. He severed the love bonds between himself and God and created a Mer-Ka-Ba field that was not based on love, because once he severed the love between himself and God, he could no longer make a living Mer-Ka-Ba.

Archangel Lucifer and many other angels started on this great experiment to see what could be learned in this new way. As we said, similar experiments had actually been tried three times before by other beings, but those experiments had ended in massive destruction and pain for everyone involved. Many planets had been completely destroyed, including one in our own solar system—Mars. But Lucifer was retrying this old experiment with a new method.

So he severed the love bonds between himself and God (at least it outwardly appears this way) and created a Mer-Ka-Ba field that was not based on love. What he did was make an interdimensional time-space machine that we call a spaceship. This flying object—sometimes seen as a flying saucer but also many other shapes—was more than just a vehicle as we think of it, much more. It could not only move throughout the spectrum of this multidimensional Reality, but it could create realities that seemed to be just as real as the original creation. It is similar to what we are now calling virtual reality, only this was a virtual reality that could not be distinguished from the real thing.

So Lucifer made this synthetic Mer-Ka-Ba to create a reality separate from God so that he could ascend to the heights and be just as good as God, at least in his own mind. He couldn't *be* God, but he could be *like* God, his hero.

In order to convince other angels that this experiment was necessary, he chose a different pathway out of the Great Void to create his synthetic reality that was unique unto itself. To explain this in detail, we will move to the Garden of Eden.

In the Garden of Eden there were two trees: the tree of life, which led to eternal life, and the tree of the knowledge of good and evil. In the Genesis pattern of creation as seen in the Flower of Life, the pathway the little spirit took, coming up to the top of the original sphere of creation, was associated with the first tree, the Tree of Life [see chapter 5, page 151]. The spirit came from a single point in the center of the first sphere and began to rotate in a vortex, creating the images that created the reality that leads to eternal life. The Tree of Life and the Flower of Life are of the same creation. But there is another way that spirit can exit the Great Void, and it is associated with the tree of the knowledge of good and evil. It is actually the same geometry, except that it has a different view of the geometry. In other words, there's another path to follow in sacred geometry to exit the Great Void and create a reality that appears the same but is geometrically and *experientially* different. Lucifer knew this, and he chose that pathway to create a new kind of reality he could control. At least controlling this new reality was part of his original intention. **Archangel Michael's original intention was to simply create free will.** Their inner agendas were different.

Creating a Dualistic Reality

Lucifer convinced a third of the angels in heaven to go with him to support him in this new reality. He convinced them because his particular pathway out of the Great Void resulted in a unique viewpoint that had not yet been lived or explored. From their angelic viewpoint of reality, it was a possibility of life and someone needed to live it.

Important to at least the angels who followed Lucifer, this new pathway also contained a system of knowledge that was able to give an experience

that had never been fully lived before in the original Reality of God. This experience centered around two pieces of geometric knowledge—rather simple pieces too, it would seem. These two geometric forms were primal knowledge about the Egg of Life and the source of all living forms.

The first sphere they were seeking fits in the center of the Egg of Life and touches all eight spheres [see A in Fig. 9-36a]. The second sphere fits perfectly inside any of the six holes in the center of each face of the Egg of Life (just visualize the eight spheres of the Egg of Life inside a cube, which has six faces). This knowledge had always been known, but from within the original Reality it was not possible to actually live and experience it. Remember, all sacred geometry has an experiential aspect. For your information, see Figure 17-1. The diamond view—a square turned 45 degrees—shows the Luciferian geometry of these two spheres.

Lucifer told the angelic worlds that we needed to do this experiment because the universe had missing information, and the only way to get the information was to live it. So he chose this particular view of geometry in which to start his new, separate reality creation. Through this new geometry he interpreted his creation in a new way. This gave the experience of being *inside* a life form separate from the rest of reality. Many believe it was great and, most important, that it was new. There was hardly ever anything new in creation.

The way of Lucifer was the diamond view of the Egg of Life, the same dimensional

view that humanity happens to be living at this moment in history.

Yes, we did follow Lucifer.

Remember the ninth chapter, "Spirit and Sacred Geometry," where we were at the second level of consciousness? Remember how the Earth is now living the three levels of consciousness (out of five possible levels) and how we had to rotate the second level of consciousness 45 degrees to the diamond view to get it to point to the next level, **Christ consciousness** [see Fig. 9-4, page 228] ?

Lucifer chose the square view, then turned it 45 degrees to the diamond view, the view in Figure 17-1. It was this view of the Egg of Life he wanted to obtain, because this view was the one that was needed to experience both the inner and outer spheres that would fit into those openings we spoke of above. The seemingly innocent need for this information from this view (remember, on an experiential level) was a huge deal to the angels whose purpose was to create free will and live all possibilities. This was a possibility that might work. And it was a possibility that had never been lived before, or at least never been lived successfully.

So these are the details of how Lucifer did it. Again, I am merely reporting this information **so that you can transcend the dualistic view of life into the next higher level, Christ consciousness**, and "get thee behind me," Lucifer, as Jesus would say.

The trick to this new reality was that spirit can separate itself; it can be in two or more places at one time. It is very much like cell division, or mitosis, except without form. It is what makes mitosis possible in the first place.

So the new reality was created with the same sacred geometry as the Flower of Life, except that spirit divided itself into two and began to rotate out of the Great Void in a double helix pattern from *two completely different centers*. **This created the new reality.** In addition, Lucifer used the diamond view of the Egg of Life, turning it 90 degrees to the rectangular view in order *to focus* the new, untried consciousness through it. It became the lens through which we interpreted the new reality. This was revolutionary. In creating the original Reality, on the *first* day of creation at the first motion of the spirit of God, spirit moved itself to the top of the first sphere [see chapter 5, Fig. 5-32]. Then we started the rotating pattern, which began creation. But there's another way to enter creation, where spirit would leave part of itself at the very first center. In other words, at the very first instant of the motion away from center, which is the very first moment that creation begins, spirit would divide itself in two and leave part of itself in the center and move the other part of itself to the top of the first sphere. Then it would create the next sphere at the top of the first sphere, the same way as in the other creations [Fig. 17-2]. But from then on, the *next* motion, on the second day of Genesis, spirit begins a *double* rotation motion, where the center half of spirit rotates over one way and the top half of spirit rotates over the other way and forms the two spheres, which make this pattern [Fig. 17-3]. From there it divides itself again, to create this pattern [Fig. 17-4]. It then begins a pattern of dividing and coming together. But it is primarily division, separating from one's self. It expands into this pattern [Fig. 17-5], then continues outward. This can keep going on and on and on . . . and eventually you end up with exactly the same grid as the Flower of Life—the same laws, the same apparent reality, the same planets and suns and trees and bodies. Everything's the same except for one *huge* difference. The *Flower of Life pattern* has a single geometric center—one eye, and a being who enters creation this way is connected directly to all life and to God. But Lucifer's pattern has not a *single* geometric center, but *two* specific centers—two eyes. No matter how big the grid is, when you come back to its center, you'll find two centers or eyes. And it has been separated from God. There is no love. These angels of Lucifer have almost forgotten what love is. Remember what Jesus said, "If thine eye be single, thy whole body shall be full of light"? [See Fig. 17-6.] But again, who is in control here? *God is*. And God created this situation. It wasn't Lucifer who created this situation—it was God, one step before Lucifer. God created Lucifer and knew what Lucifer was going to do. So there must be a reason for creating this separate reality.

Earth Humans as the Focus of the Experiment

Lucifer began this new reality shortly before we humans came into existence as a race—a little over 200,000 years ago. And we have become the

key players. There must be a reason why all these things have happened. I think that the purpose behind this Luciferian experiment, which has been going on for these millions and millions of years, is now coming to fruition on Earth, and that **Earth has been chosen as the place to give life new birth.** This is what it looks like.

Whatever the ultimate purpose for creating this new reality is I do not know, but it has become clear throughout the cosmos that the Earth has become the focus of this intense drama. **And it appears as though the fruition of this experiment is about to unfold before our eyes. You and I are the players who take this new reality and transform it in the direction of the ultimate purpose.** We are to go beyond anything archangels Lucifer and Michael had imagined. **We are to be the children of the third way,** a new reality born from the first two.

We here on Earth are all part of this Luciferian experiment. All of us have chosen this path. **Every one of us on this planet has chosen this way, whether you like it or not, whether you want to be identified with it or not.**

I don't know if reverting back to a no-technology world as found in the original Reality is actually the answer. I'm not certain. I think that we here on Earth are going to discover the answer. The answer is on this planet, whatever it is, and the people on this planet have become the grand catalyst of the experiment—the experiment upon which all life is now breathlessly focused to see what happens.

Using the Intellect without Love

This is how Lucifer convinced all these angels that we really needed to experience this new way. What happened to these angels? **They severed their love connection with God, with all life, and functioned on one side of their brain, not on both—they functioned only with intelligence, not love.**

Note - In this way a person is able to experience the fallen world only.

“Do not try to work together as equals *with unbelievers* (including those who mistakenly only think they are followers and speak as if they are – a person must be at levels to tell the actual differences), for it cannot be done. How can right and *wrong* be partners? How can light and *darkness* live together?”

2 Corinthians 6:14

“... and they will be separated...”

“Those who did not have their name written in the **Book of the Living** (higher consciousness – 2nd physical reality) were thrown **into the lake of fire** (remained in their 1st physical reality only).” Rev 20:15

This is being able to live in a **person's ascended state**, compared to **those still in their fallen state** unaware of these two physical realities.

The Third, integrated Way

An important understanding is that we Earthlings are finding the universal answer in a totally unique way that's never been seen before. This whole thing between the original Reality and the Luciferian reality seems to be leading to a third way that is **some kind of combination of the first two.**

If you cross your eyes when you look at the two-eyes drawing [Fig. 17-6], you may see the third way when you see *three* eyes. Then the middle path becomes a combination of both. You're actually seeing both of them superimposed over each other. View this figure as a stereogram, and you'll see that it creates a third, unique pattern. This new third way is the hope of all life everywhere. The universe has been at "war" for 200,000 years—the battle between the dark and the light with no apparent solution. **Now it appears this struggle is going to culminate in a new birth, a third reality.**

"Work hard to enter the narrow door to God's Kingdom, for many will try to enter **but will fail.**" Luke 13:24

(many others will use their free will and **not even try at all...**)

(Only those who have already entered, will be able to participate in the 3rd reality prophesied to come...)

Many people say they want to be with Christ, yet are not willing to go through the full Christian experience.

(Limiting this physical reality to them.)

(This also distorts their anticipated future reality of receiving eternal life.)

But I will reply, 'I never knew you. Get away from me, you who break God's laws.' Matthew 7:23

(Those who never completed their ascension process, thus remaining in the 1st physical reality only, not realizing that they are being left behind according to Biblical standards)

"So let us stop going over the basic teachings about Christ again and again (1st physical reality - just reciting scripture over and over). Let us go on instead and become mature in our understanding (- by spiritually manifesting life)." Hebrews 6:1

"You too, must be ready" Luke 12:40

Never being written into the Book of Life, for eternal life living and unlimited spiritual growth - there are many different levels of ascension to work towards. He will tell them, "I never knew you!!"

"When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne. All the nations (different levels of consciousness) will be gathered before him, and He will separate the people one from another..."

"and He will separate them" Only those who haven't entered yet (into eternal life) will be confused. (click on pic)

"Nowhere in the land will more than a third of them be left alive (ascended)."

Must Become a New Creation

(An ascended spiritual life instead of a materialistic life only.)

Many are also acting like they are in fellowship with Christ, but are being helped by other spirits instead. He will state to that group also, "I never knew you!!"

The 1st resurrection is almost at completion

because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything.

James 1:4

... and due to your shortcomings, "**you yourselves don't enter**, nor will you let those enter who are trying to." (including your children and others choosing to follow your lame example)

"But he that shall endure unto the end, the same shall be saved."

Shame on you!! You continue to say you are saved, when all that happened was that you were initially **allowed to crawl**. And yet after years and years, you are still only crawling around. **Still not actually saved**. Still part of the **"dead"**.

If I **do not know** that I am **"dead"** (not saved nor spiritually "alive"), how do I seek the resurrection and find it? (Must google to help find answers, and then test to see the truth associated with it. Then continuously repeat the process over and over.)

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were **dead** (still in his fallen state), yet shall he live: (reach ascension levels after completing his tribulation)" John 11:25

"I give them eternal life (ascension levels during a physical life), and they will **never perish**."

Those in a state of waiting, **will remain in that state** until they complete the ascension process.

"Be doers of the word, and not hearers only. Otherwise, **you are deceiving yourselves**."

Must seek, seek, and seek some more until completion towards goals and understanding!!

"Let us not become weary in doing good (seeking towards righteousness), for at the proper time we will reap a harvest if we do not **give up**." Galatians 6:9

"but only they that are written in the Lamb's book of life (will enter)." Rev 21:27
Into the promised Land, "if we do not give up".

There is nothing accomplished by being partially saved, **this is the same as being left behind.**

Those Left Behind after Last and Final Judgment

Many will fall short of completion, never entering into the Kingdom.

"woe to you" Matthew 23:13

At the end of the age, last judgment is given as to which Book a person is able and currently living within.....

Book of the Dead

1st physical reality only
(2/3rds of world)

Hell

Book of the Living

2nd and 3rd physical realities
(1/3 of world)

Heaven

And then, permanent separation will occur.....

None of the **"dead"** will understand.

Those who still haven't entered yet, **have already been left behind.**

"for many will try to enter But Will Fail."

The **"dead"** are waiting for some type of automatic raising that will never happen unless they do their part of the ascension work requirement.

The seek to find and make adjustments part.

A person must go through their personal cleansing tribulation in order to become and remain righteous afterwards. The knowledge gained from completing this full process is what will keep a person within their ascended state, and also keep them from returning to commit lower world sinful acts. Christ will help a person get through their misunderstandings by repeating cycles until a person works through those challenges. **This will be years and years of repeated cycles, of many progressive failings to work through, until finished to the minimum ascension requirements.** Seek as to why something is being brought into your reality. It might be a needed karmic re-balancing or release that must occur before further advancement can happen. Ask Christ for meaning and work through those lessons without getting stuck within them. Surrender and release into the process of cleansing and making yourself pure and spiritually whole. Those who are unwilling to go through this individual process to work on their deficiencies, **do not really have actual faith in Christ** to help correct them into ascension levels. Those who are expecting karmic blessings to occur back to them in only one way, may end up not being open to how that godsend is trying to come into their life. Because of this blockage, it may take multiple cycles to occur before that goal is accomplished and received allowing more lessons to follow afterwards. **Those without ascension as a minimum goal to accomplish, will stop at some point prior to achieving being written into the Book of Life.** Many will fail or exit the earth before completing this continuing process, never making it into the physical state of reality that is known as "Heaven", **for those achieving Book of Life levels and status. Eternal Life.**

"They went out from us [seeming at first to be Christians], **but they were not really of us** [because they were not truly born again and spiritually transformed]; for if they had been of us, they would have remained with us; but they went out [teaching false doctrine], so that it would be clearly shown that **none of them are of us.**" 1 John 2:19

For those **still waiting** on the 2nd coming.....read on.

If they **still haven't entered yet**, how good of Christians can they be? **Or, are they really even Christians at all?**

"Now this is eternal life, that they may know You" John 17:3

Actual salvation is a separate, full experience, that Christ readily gives to those who complete that individual process by following and surrendering to Him. Those falling short of completion, are literally stopping before being saved. God will always provide the appropriate spirits to help a person through life. God will also hand off different spirits, with different expertise, when appropriate, **which most people cannot accurately discern** from "holy" spirits. Once a person decides to stop following Christ, usually because **they no longer like the requirements**, of course another lower level spirit takes over that they are more in line with. That is why, **a person must be able to test** to see which actual "voice" (spirit) **they are following**, and making needed adjustments once they become off track. People will believe that they are in a personal relationship with Christ, when in reality they are following a deceased loved one who is actually trying to help them instead, like a grandfather or uncle. The 2nd coming was always about the ability to be able to **utilize the spiritual aspect of human capability**. For those seeking Christ's help, He will lead a person through the ascension process if allowed to. This can only occur for those dedicated and sincere enough to use their free will to seek towards it. Most will choose to stay within the lower teachings only, never completing the full process. **End times only puts a final end date for the ascension change to occur before time runs out** in order to receive it.

A new age and new heaven requires an ascended human consciousness to live within those boundaries. Christ does this by showing His spiritual self (in the clouds), and teaching those who are willing to learn through a cleansing tribulation, how to live in that world **with a physical body fused with their spiritual higher self combination**. **This world (in the clouds) is the New Jerusalem. Only those who have obtained Book of Life levels can reside and live there within higher consciousness.** Those still waiting for something else to occur to usher in the Millennium, **will miss the 2nd coming completely**. This is **His gift for those who truly believe in Him**. Those stuck in a state of waiting, will forever be stuck in that 1st physical sinful reality for their eternity. They are waiting for something to occur that **will never happen** in the way they are expecting. **Thus, the reason to fully surrender and seek. Seeking means progressing through various levels of reality until ascension levels are finally obtained.** Many will stop prior to completion, settling down with others at comfortable levels without ever coming close to living at the "Heaven" level of consciousness.

Completing a full tribulation corrects this into the proper levels for understanding.

"Then he opened their minds so they could understand the Scriptures."

These are the children of the Kingdom, the disciples of Christ converted by His word...

(Those having **true Faith in Christ**) Living within the 2nd and 3rd physical realities (**ascended Christians**)

(What physical reality do you live in?)

"For if anyone thinks he is something (saved), when he is **nothing**, (still in his fallen state) he is only **fooling himself**." Galatians 6:3

Actually being saved **cannot be faked**. So who would a person be fooling, Christ or God? Christ lets people know what their actual status is. **There will be no confusion.** (A person must be in their resurrected body (spirit and body united) to be a part of the "living".)

And they were deeply offended and refused to believe in him. Then Jesus told them, "A prophet is honored everywhere except in his own hometown and among his own family." (A **true disciple** will remain in Faith regardless)

Last judgment, is meant to **dismiss** those who are still not ready, from entering into the Millennium period with Christ to work on higher spiritual goals with others.

This includes those "Christians in name only". "They worship me in vain; **their teachings are merely human rules.** (by unevolved souls)" Matthew 15:9

'Do not think that I have come to bring peace on the earth; I have not come to bring peace, **but conflict** [of division between belief and unbelief and what actually constitutes those who are in the Book of The Living].' Matthew 10:34

'However, **only those whose names are written in the Book of Life can enter and stay in this place (physical Heaven).**' (Revelation 21:27)

Only those who have "entered", will know this place. You cannot fool those who are at these levels of consciousness. you can fool only yourself, that this place doesn't exist within a physical life.

At **end times**, people will be **mixed together** within the two separated realities (those separated by Christ into eternal life, and those left behind since they are not ready yet). Best to figure out which one you are actually in, and make the appropriate change if wanted before it's too late

So let's be blunt and honest. Those who don't understand what "Heaven" is within Biblical perspective and a physical human life, have not entered yet into the Kingdom!! **It really is that simple!!** Without adjustments within a physical life, that group should expect to be, **and will be, left behind**, regardless of what titles and/or affiliations they have labeled themselves on earth. **They will not see nor experience Heaven**, which is being raised into the Kingdom during a physical life, with all of the Biblical promises occurring while in body!! Those who have participated in **the first resurrection**.

But You Do Not Believe Because You Are Not My Sheep.

The Unbelief of the Jews (the dead)

'...But because **you are not My sheep**, you refuse to believe. My sheep listen to My voice; I know them, and they follow Me. **I give them eternal life**, and they will **never perish**. No one can snatch them out of My hand....' John 10:27"

It has been this way for thousands of years for those living and expanding their spiritual experiences, **the "living"**. End times only puts a final time-frame for those who have never "entered", **the "dead"**. **The Bible is a handbook for physical life.** A person is reborn, in order to experience and expand their spiritual body and spiritual capabilities. This is what is considered "working on your glorified body".

A person is separated and brought into the Kingdom to have the space and time to do that, away from the others who just want material world experiences only. **A person is meant to perfect their spiritual gift given at rebirth.** If they don't even know what it is, or don't care to expand their knowledge around it, then of course they don't really want to work with Christ. During this period of growth, a person will live and pass through the seven churches found in Revelation. **These churches are all different phases of consciousness.** This will be a person's individual tribulation period. **This must be fully completed for ascension.** This is the reason why people see discrepancies between scripture passages. The disciples were at different levels within these churches when being quoted. The higher levels cannot be understood by those still within the lower level churches. A person who is written in the Book of the Living, can understand all of these passages.

So people will go through their personal ascension tribulation if and when they become sincere enough to try to complete it. **This cannot be stressed enough, there is a huge difference between reading about this only, and actually living spiritually.** If a person **isn't manifesting their life through spiritual ways, then they are not part of the new creation.** The **Great Tribulation** will occur during end times for the last holdouts who never understood the ascension process, and finally do it in mass because of "FOMO". **And rightfully so they are, because those not completing ascension, will be left behind!**

People don't realize that those who have had **grace baptism into a true rebirth, are now in the afterlife.** They have died to the lower world teachings and are to follow now into the higher world teachings, which once completed, leads into eternal life living.

The majority will stay at infant levels of Spirit only, never really advancing and being saved. Turning their back on Christ, by not completing the process of salvation, **they will not advance.** Why would a person think they are a part of the Church, when they don't have a spiritual gift to share within the Kingdom? They are still just part of the gentiles' group. **The major differences between a fallen world, and an ascended spiritual world.** They will not believe they are not really Christians, and will defend their positions until physical death, **when He will say, 'But I never knew you!'** It's **useless to argue** with these folks, their demise is by their **personal individual choice alone.** **Those refusing to seek, will never find the Kingdom.** They might have found a side road or two around the complex, but never entered into the main structure nor into eternal life (lives).

This group is easily identifiable, they are **still waiting** for Christ to return.
