Must "seek to find"

Those not seeking, will never experience The Kingdom

Must "seek" in order to find the 2nd and 3rd physical realities.....this will require continued adjustments until a person finally reaches Book of Life levels of consciousness in order to enter into it.

"Know thyself" and what you are...

A person already in eternal life, will always be working on perfecting their spiritual gifts and spiritual knowledge and abilities.

"But people who aren't spiritual (those stuck in their 1st physical reality only - "the dead") can't receive these truths from God's Spirit. It all sounds foolish to them and they can't understand it, for only those who are spiritual (those in the upper ranges of 1st physical reality and the 2nd physical reality – having completed a full tribulation) can understand what the Spirit means."

1 Corinthians 2:14

"none of them (the dead) will understand"

(those who can only live within the 1st physical reality) the fallen world

(Best viewed with adobe acrobat)

Many people say they want to be with Christ, yet are not willing to go through the full Christian experience.

(Limiting this physical reality to them.)

(This also distorts their anticipated future reality of receiving eternal life.)

But I will reply, 'I never knew you. Get away from me, you who break God's laws.' Matthew 7:23

(Those who never completed their ascension process, thus remaining in the 1st physical reality only, not realizing that they are being left behind according to Biblical standards)

"So let us stop going over the basic teachings about Christ again and again (1st physical reality - just reciting scripture over and over). Let us go on instead and become mature in our understanding (-by spiritually manifesting life)." Hebrews 6:1

"You too, must be ready" Luke 12:40

Never being written into the Book of Life, for eternal life living and unlimited spiritual growth - there are many different levels of ascension to work towards. He will tell them, "I never knew you!!"

Must Become a New Creation

(An ascended spiritual life instead of a materialistic life only.)

"When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne. All the nations (different levels of consciousness) will be gathered before him, and He will separate the people one from another..."

"and He will separate them" Only those who haven't entered yet (into eternal life) will be confused. (click on pic)

"Nowhere in the land will more than a third of them be left alive (ascended)."

Many are also acting like they are in fellowship with Christ, but are being helped by other spirits instead. He will state to that group also, "I never knew you!!"

The salvation experience must be made into a primary process, otherwise other worldly priorities will occur instead. A "lukewarm" intent will only go so far and will fall short of spiritual ascension. You get what you place the most emphasis on. For the majority, this will be other experiences that make them feel comfortable instead. Joy and prosperity occurs for ascended Christians also, but after their process is complete. Those who are not within their eternal life progression and understanding, have fallen short of being saved.

"NOT EVERYONE WHO CALLS ME LORD WILL ENTER GOD'S KINGDOM"

Matthew 7:21

The 1st resurrection is almost at completion

Guide for the renewal period, to aid in understanding and reaching the necessary Christian levels needed to advance into the Millennium

His **disciples** said to Him,

"When will the resurrection of the **dead** come about,

... and when will the **new world** come?"

He said to them, "What you look forward to has **already come**,
... **but you do not recognize it.**"

(Must be at Book of Life levels of consciousness to continue into the Millennium)

"And they were **oblivious**, until the flood came and swept them all away." **(end of the age)**
Every soul will be given the opportunity to correct this if wanted.

... and joining those who are **already** there, **ascended Christians.**

(those living within the 2nd physical reality, having **graduated** out of the fallen state, 1st physical reality)

"**Work Hard** to enter the narrow door to **God's Kingdom**, for many will try to enter. **But Will Fail.**" Luke 13:24

Running out of the necessary time needed to reach eternal life (lives).

Many more won't even try at all. (click for 2 groups slide)

Last judgment, is meant to **dismiss** those who are still not ready, from entering into the Millennium period with Christ to work on higher spiritual goals with others.

This includes those "Christians in name only". "They worship me in vain; **their teachings are merely human rules.** (by unevolved souls)" Matthew 15:9

Those who are still continuously just waiting for a 2nd coming that started many, many years ago.

"... **and He will separate them...**" (click)

because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything.

James 1:4

There is nothing accomplished by being partially saved, **this is the same as being left behind.**

Those Left Behind after Last and Final Judgment

Many will fall short of completion, never entering into the Kingdom.

"woe to you" Matthew 23:13

.... and due to your shortcomings, "**you yourselves don't enter**, nor will you let those enter who are trying to." (including your children and others choosing to follow your lame example)

"But he that shall endure unto the end, the same shall be saved."

(click)

Shame on you!! You continue to say you are saved, when all that happened was that you were initially allowed to crawl. And yet after years and years, you are still only crawling around. **Still not actually saved.** Still part of the **"dead"**.

At the end of the age, last judgment is given as to which Book a person is able and currently living within.....

Book of the Dead

1st physical reality only
(2/3rds of world)

Hell

Book of the Living

2nd and 3rd physical realities
(1/3 of world)

Heaven

And then, permanent separation will occur.....

None of the **"dead"** will understand.

So if a person hasn't entered Heaven during their physical life.....it doesn't mean others haven't. It just means that the individual has **failed to enter** because of their lack to understand and complete the full process!!
"and **nothing unclean**, and **no one who practices abomination and lying**, shall ever come into it...." Rev 21:27

"If I do not know that I am **dead** (lower duality consciousness), how shall I seek the resurrection and find it?"

"Having lived unconsciously, we shall surely die unconsciously."
(remaining in lower consciousness)
Excerpts from Lost Gospels

"For many, I tell you, will try to enter and will **fail**". Will **fail** to enter into the Kingdom.....

and also **fail**, to enter into "**Heaven**" - highest level of human consciousness.....

If I **do not know** that I am **"dead"** (not saved nor spiritually "alive"), how do I seek the resurrection and find it?
(Must google to help find answers, and then test to see the truth associated with it. Then continuously repeat the process over and over.)

Be on guard for the errors in discernment and discretion that people make when they **enter the wilderness**. And be on guard for those who think they are in the wilderness when in fact they are simply confused within their own minds. And be on guard for those who claim to be masters and for those who claim to be advanced. With Knowledge you will see that they are but deceived and deceiving. For what they tell themselves is incorrect, and as a result what they reveal to others is incorrect as well (**those individuals who are still below Book of the Living levels of consciousness**).

"Those who say they will die first and then rise are in error. If they do not first receive the resurrection while they live, when they die they will receive nothing."

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were **dead** (still in his fallen state), yet shall he live: (reach ascension levels after completing his tribulation)" John 11:25

"I give them eternal life (ascension levels during a physical life), and they will **never perish**."

A sincere disciple must seek, seek, and seek some more until completion towards goals and understanding!!

"Let us not become weary in doing good (seeking towards righteousness), for at the proper time we will reap a harvest if we **do not give up**." Galatians 6:9

Those in a state of waiting, **will remain in that state** until they complete the ascension process.

"Be doers of the word, and not hearers only. Otherwise, **you are deceiving yourselves**."

IF WE DELIBERATELY KEEP ON SINNING AFTER WE HAVE RECEIVED THE KNOWLEDGE OF THE TRUTH, NO SACRIFICE FOR SINS IS LEFT

"For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land."

Eternal Life

"but only they that are written in the Lamb's book of life (will enter)." Rev 21:27 **Into the promised Land, "if we do not give up"**.

"... and He will separate them..."
during physical life.

"A tree is identified by its fruit. Figs are never gathered from thornbushes, and grapes are not picked from bramble bushes." Luke 6:44 (People are either helping others enter into eternal life, or **keeping them stuck outside of the Book of Life**, by preaching false doctrine.)

Those looking back to former life and non ascended friends, instead of moving spiritually forward. Like Lot's wife, will be left behind.

Many will fail!! Including family and friends stuck in the 1st physical reality only. **Eternal life** is meant for those seeking for advanced spiritual experiences.

Those who still haven't entered yet, **have already been left behind.**

"for many will try to enter But Will Fail."

The **"dead"** are waiting for some type of automatic raising that will never happen unless they do their part of the ascension work requirement.

The seek to find and make adjustments part.

A person must go through their personal cleansing tribulation in order to become and remain righteous afterwards. The knowledge gained from completing this full process is what will keep a person within their ascended state, and also keep them from returning to commit lower world sinful acts. Christ will help a person get through their misunderstandings by repeating cycles until a person works through those challenges. **This will be years and years of repeated cycles, of many progressive failings to work through, until finished to the minimum ascension requirements.** Seek as to why something is being brought into your reality. It might be a needed karmic re-balancing or release that must occur before further advancement can happen. Ask Christ for meaning and work through those lessons without getting stuck within them. Surrender and release into the process of cleansing and making yourself pure and spiritually whole. Those who are unwilling to go through this individual process to work on their deficiencies, **do not really have actual faith in Christ** to help correct them into ascension levels. Those who are expecting karmic blessings to occur back to them in only one way, may end up not being open to how that godsend is trying to come into their life. Because of this blockage, it may take multiple cycles to occur before that goal is accomplished and received allowing more lessons to follow afterwards. **Those without ascension as a minimum goal to accomplish, will stop at some point prior to achieving being written into the Book of Life.** Many will fail or exit the earth before completing this continuing process, never making it into the physical state of reality that is known as "**Heaven**", **for those achieving Book of Life levels and status. Eternal Life.**

"They went out from us [seeming at first to be Christians], **but they were not really of us** [because they were not truly born again and spiritually transformed]; for if they had been of us, they would have remained with us; but they went out [teaching false doctrine], so that it would be clearly shown that **none of them are of us.**" 1 John 2:19

For those **still waiting** on the 2nd coming.....read on.

If they **still haven't entered yet**, how good of Christians can they be? **Or, are they really even Christians at all?**

"Now this is eternal life, that they may know You" John 17:3

Actual salvation is a separate, full experience, that Christ readily gives to those who complete that individual process by following and surrendering to Him. Those falling short of completion, are literally stopping before being saved. God will always provide the appropriate spirits to help a person through life. God will also hand off different spirits, with different expertise, when appropriate, **which most people cannot accurately discern** from "holy" spirits. Once a person decides to stop following Christ, usually because **they no longer like the requirements**, of course another lower level spirit takes over that they are more in line with. That is why, **a person must be able to test** to see which actual "voice" (spirit) **they are following**, and making needed adjustments once they become off track. People will believe that they are in a personal relationship with Christ, when in reality they are following a deceased loved one who is actually trying to help them instead, like a grandfather or uncle. The 2nd coming was always about the ability to be able to **utilize the spiritual aspect of human capability**. For those seeking Christ's help, He will lead a person through the ascension process if allowed to. This can only occur for those dedicated and sincere enough to use their free will to seek towards it. Most will choose to stay within the lower teachings only, never completing the full process. **End times only puts a final end date for the ascension change to occur before time runs out** in order to receive it.

A new age and new heaven requires an ascended human consciousness to live within those boundaries. Christ does this by showing His spiritual self (in the clouds), and teaching those who are willing to learn through a cleansing tribulation, how to live in that world **with a physical body fused with their spiritual higher self combination**. **This world (in the clouds) is the New Jerusalem. Only those who have obtained Book of Life levels can reside and live there within higher consciousness.** Those still waiting for something else to occur to usher in the Millennium, **will miss the 2nd coming completely.** This is **His gift for those who truly believe in Him.** Those stuck in a state of waiting, will forever be stuck in that 1st physical sinful reality for their eternity. They are waiting for something to occur that **will never happen** in the way they are expecting. **Thus, the reason to fully surrender and seek. Seeking means progressing through various levels of reality until ascension levels are finally obtained.** Many will stop prior to completion, settling down with others at comfortable levels without ever coming close to living at the "Heaven" level of consciousness.

Completing a full tribulation corrects this into the proper levels for understanding.

"Then he opened their minds so they could understand the Scriptures."

These are the children of the Kingdom, the disciples of Christ converted by His word...

(Those having **true Faith in Christ**) Living within the 2nd and 3rd physical realities (**ascended Christians**)

(What physical reality do you live in?)

"For if anyone thinks he is something (saved), when he is **nothing**, (still in his fallen state) he is only **fooling himself.**"
Galatians 6:3

Actually being saved **cannot be faked.** So who would a person be fooling, Christ or God? Christ lets people know what their actual status is. **There will be no confusion.**
(A person must be in their resurrected body (spirit and body united) to be a part of the "living".)

And they were deeply offended and refused to believe in him. Then Jesus told them, "A prophet is honored everywhere except in his own hometown and among his own family."
(A **true disciple** will remain in Faith regardless)

Families and friends will reunite once all reach "Heaven" - higher consciousness
(Only for those choosing to complete the FULL process)

"My kingdom is not of **this realm**"

They (disciples) are **not of this world (lower consciousness)**, just as

I am not of this world. (He's in **5th dimension** consciousness)" John 17:16

(Only those who have already entered, will be able to participate in the **3rd reality** prophesied to come...)

3 degrees of glory
(physical realities)

'Do not think that I have come to bring peace on the earth; I have not come to bring peace, **but conflict** [of division between belief and unbelief and what actually constitutes those who are in the Book of The Living].' Matthew 10:34

'However, **only those whose names are written in the Book of Life can enter and stay in this place (physical Heaven).**' (Revelation 21:27)

Only those who have "entered", will know this place. You cannot fool those who are at these levels of consciousness. you can fool only yourself, that this place doesn't exist within a physical life.

At **end times**, people will be **mixed together** within the two separated realities (those separated by Christ into eternal life, and those left behind since they are not ready yet). Best to figure out which one you are actually in, and make the appropriate change if wanted before it's too late

So let's be blunt and honest. Those who don't understand what "Heaven" is within Biblical perspective and a physical human life, have not entered yet into the Kingdom!! **It really is that simple!!** Without adjustments within a physical life, that group should expect to be, **and will be, left behind**, regardless of what titles and/or affiliations they have labeled themselves on earth. **They will not see nor experience Heaven**, which is being raised into the Kingdom during a physical life, with all of the Biblical promises occurring while in body!! Those who have participated in **the first resurrection**.

Two groups at end of age (550-1000) sheep – living goats – dead (0-549) click for visual

But You Do Not Believe Because You Are Not My Sheep.

The Unbelief of the Jews (the dead)

'...But because **you are not My sheep**, you refuse to believe. My sheep listen to My voice; I know them, and they follow Me. **I give them eternal life**, and they will **never perish**. No one can snatch them out of My hand....' John 10:27"

It has been this way for thousands of years for those living and expanding their spiritual experiences, **the "living"**. End times only puts a final time-frame for those who have never "entered", **the "dead"**. **The Bible is a handbook for physical life.** A person is reborn, in order to experience and expand their spiritual body and spiritual capabilities. This is what is considered "working on your glorified body".

A person is separated and brought into the Kingdom to have the space and time to do that, away from the others who just want material world experiences only. **A person is meant to perfect their spiritual gift given at rebirth.** If they don't even know what it is, or don't care to expand their knowledge around it, then of course they don't really want to work with Christ. During this period of growth, a person will live and pass through the seven churches found in Revelation. **These churches are all different phases of consciousness.** This will be a person's individual tribulation period. **This must be fully completed for ascension.** This is the reason why people see discrepancies between scripture passages. The disciples were at different levels within these churches when being quoted. The higher levels cannot be understood by those still within the lower level churches. A person who is written in the Book of the Living, can understand all of these passages.

Transformation through different states of consciousness - a new creation

So people will go through their personal ascension tribulation if and when they become sincere enough to try to complete it. **This cannot be stressed enough, there is a huge difference between reading about this only, and actually living spiritually.** If a person **isn't manifesting their life through spiritual ways, then they are not part of the new creation.** The **Great Tribulation** will occur during end times for the last holdouts who never understood the ascension process, and finally do it in mass because of "FOMO". **And rightfully so they are, because those not completing ascension, will be left behind!**

People don't realize that those who have had **grace baptism into a true rebirth**, are **now in the afterlife.** They have died to the lower world teachings and are to follow now into the higher world teachings, which once completed, leads into eternal life living.

The majority will stay at infant levels of Spirit only, never really advancing and being saved. Turning their back on Christ, by not completing the process of salvation, **they will not advance.** Why would a person think they are a part of the Church, when they don't have a spiritual gift to share within the Kingdom? They are still just part of the gentiles' group. **The major differences between a fallen world, and an ascended spiritual world.** They will not believe they are not really Christians, and will defend their positions until physical death, **when He will say, 'But I never knew you!'** It's **useless to argue** with these folks, their demise is by their **personal individual choice alone.** **Those refusing to seek, will never find the Kingdom.** They might have found a side road or two around the complex, but never entered into the main structure nor into eternal life (lives).

"You can enter God's Kingdom only through the narrow gate. The highway to hell is broad, and its gate is wide for the many who choose that way." Matthew 7:13

"The narrow gate" is a fairly straightforward concept. A narrow gate is harder to pass through than one that is wide, and only a few people can go through a narrow gate at once. Jesus was describing the pathway to life—true, eternal life—as something requiring effort and focus to enter. Ascension during a physical lifetime.

This group is easily identifiable (wide gate Christians), **they are still waiting** for Christ to return.

Returning to the Spirit realm, after a physical life is finished, is a completely different experience, which most people mistake as "Heaven".

"For this reason, **you also must be ready**, because the Son of Man will come at **an hour you do not expect**." Matthew 24:44

"Do not try to work together as equals **with unbelievers** (including those who mistakenly only think they are followers and speak as if they are – a person must be at levels to tell the actual differences), **for it cannot be done**. How can right and wrong be partners? How can light and darkness live together?" 2 Corinthians 6:14

The 1st reality group will not be spiritually aware enough to recognize end times..... they don't even know that a 2nd physical reality exists, much less a 3rd reality.

This is living and working with those of similar consciousness. **The ascended consciousness humans versus those remaining in their fallen consciousness. The Armageddon battleground between the righteous and those still in their sinful nature.** Higher consciousness against lower consciousness. Many in lower consciousness never entered into the Book of Life, yet still believe themselves to be among God's chosen people. Unless they spiritually ascend, they will fail between the 1st and 2nd resurrections and get eliminated out of the ascended new earth and heaven. They are still waiting for the rapture even though many have already experienced it and have moved forward just waiting for the conclusion of end times. **Those 2/3rds will go through end times never understanding that the 2nd coming was always about spiritual resurrection into an ascended human consciousness.**

Let's break this down into very simple terms. The 1st physical reality is like elementary school, a person will learn the basics of living a physical life. The 2nd physical reality is sincerely deciding that a person wants additional experiences beyond the basics, adding a spiritual element into the skill base. This is when a person seeks into some form of spiritual knowledge which includes the reciting of the sinners prayer. **But this is still only the entry level for that experience.** This would be middle school training. **Many people stop during this learning period without advancing any further.** A person must find a way to remain grounded while increasing their spiritual levels, or they risk becoming **unbalanced** to continue life. Most will need to seek and find some way to quiet their mind in order to stay in peace while starting their transformation process. A meditation or guided meditation that resonates with a person will help while in this period of change. To make matters worse, they are telling others that they have graduated from high school, **when in reality they have only completed a partial education. Those who will perish.** This decision to remain outside of Book of Life levels, will not affect the ascended humans. There is nothing that lower consciousness group can do to change an individual already at those levels. They will always be able to return into another physical life and continue working with Christ.

Those who continue all the way through the end of 12th grade (enlightenment), will actually get their degree (written into the Book of Life). After that, most will continue post graduate into even higher levels of knowledge and skills, the 3rd physical reality (**eternal life living**).

"Now this is eternal life (lifetime after lifetime), that they may know You" John 17:3

Others will decide to rest for awhile, before continuing. Once a person reaches these advanced levels, they are OK with all others choosing how much work they will **individually** decide on for their own personal human experience, or even those choosing not to pursue any type of spiritual advancement, content with their limited experiences. The ascended Christians are well past the point of arguing with those others over what is now a fact within their life. **Ascension. Christ helped them with this, and they followed to completion.** They are not waiting for some future event to occur, except for the permanent separation of the two worlds. **The end of the old age.**

"But he that shall endure unto the end, the same shall be saved." Matthew 24:13

The others will be told, "**But I never knew you!**"

(Why again, are you still waiting? Time is running out for the necessary ascension change to occur **to make it into Heaven.**)

Are More Angels Reincarnating on Earth?

Do not give divine blessings (those gifts given to Christ's Disciples) to those who haven't earned them.... And Jesus answered and said to them, "Render to Caesar the things that are Caesar's (only those obligations made within the lower world and that group of people), and to God the things that are God's (keep those items within the upper world (2nd and 3rd physical realities) with other true believers)." Mark 12:17

Don't be fooled by those participating in public displays. This is still just a lower consciousness engagement by those below Book of Life levels of consciousness. "When you pray, **don't be like the hypocrites who love to pray publicly on street corners** (sporting events, schools, etc.) and in the synagogues **where everyone can see them**. (That group is also very vocal about knowing Christian values and Christ, yet by their actions, give away their actual levels that are far below anything close to eternal life requirements. As Christ stated strongly, you must separate away from them!!) **I tell you the truth, that is all the reward they will ever get.**" Matthew 6:5

"But when you pray, **go into your inner room**, shut your door, and pray to your Father, who is unseen. **And your Father, who sees what is done in secret, will reward you....**"

Matthew 6:6

But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

Matthew 6:6

"And so the Lord says, "**You must leave them and separate yourselves from them.**" Have nothing to do with what is unclean, **and I will accept you.**" 2 Corinthians 6:17

Don't be confused as to what constitutes those within the "Church". It has nothing to do with physical buildings. Christ will always bring His people to those seeking for ascension, when they are needed for some type of lesson needed for understanding. These people are well beyond the limitations of physical structures.

(Christians are here to help other Christians. Helping gentiles by good works will only provide positive karma, but will not help a person enter into the **Kingdom - which is progressing into the ascension stage during a physical lifetime.**)

Luke 6:46 (NKJV)

⁴⁶ But why do you call Me 'Lord, Lord,' and not do the things which I say?

"For when the **dead rise to life**, they will be like the angels in heaven and **will not marry.**" Matthew 22:30

A person hasn't fully surrendered into eternal life levels, if they are still fully intertwined with another person within the fallen world. Only the resurrected will be fully separated for obvious reasons once they have reached those spiritual levels.

So a person must take this as one major criteria towards actually being saved. **If they aren't living within this boundary, then they are still not written in the "Book"**. There could be other reasons also, keeping a person out, but that is what seeking is all about. That and individual free will. There's nothing wrong with staying in a marriage of any type. **But ascension does have requirements that must be followed**, or a person will not get into eternal life and living within the "saved" category. **A person must save themselves first, before they can try to save others, especially their loved ones and close friends.** But this will be by example only, Salvation into eternal life is an individual process. Separation must occur during this process. **Many will stop at this stage, not having enough faith in Christ to continue. Christ will bring ways for this separation to occur, for those who are willing to surrender enough to allow for it.**

"I give them eternal life, and they will never perish." John 10:28

(Only those who **have never entered**, would think this is a future event and not a present one.....**"woe to you"**.)

If you are not in eternal life, then you must start making adjustments to figure out why. Otherwise, be content while you are being left behind in the lower 1st physical reality only.

There is but one Body of Christ. The teachings from the false prophet church, have misled many to believe they are a part of it. Yet they cannot explain accurately how to enter into the Book of Life, saying it is only a matter of faith. It is more than just speech, it is **the full completion of an individual faith walk until the ascension change takes place** (full tribulation) into eternal life. **Don't be misled by those preaching false entry through the wide gate.**

"You must leave *them* and separate yourselves from *them*."

(Or you will be **left behind with them** for eternity)

"For the gate is small and the way is narrow that leads to **life**, and there are few who find it. Matthew 7:14

"Awake, you who sleep, **Arise from the dead** (out of the 1st physical reality), And Christ will give you light (into the 2nd and 3rd physical realities)." Ephesians 5:14

Again He said to them, "I am going away. Then you will try to find me, but you will die in your sins (remaining within lower consciousness levels – 1st physical reality only). Where I am going (higher consciousness – Book of Life levels of consciousness), **it is impossible for you to come** (if you physically die first before reaching 5th dimension consciousness)." John 8:21

Jesus went on to say, "I tell you the truth, some standing here right now will not die before they see the Kingdom of God arrive in great power!"
Mark 9:1

(A person must be in their physical body to expand their consciousness and receive eternal life. This must be done within a single lifetime, or a person will **die within the lower world - remaining in Hell** - separated from Christ, **while following other lower world spirits instead**. They are trying to claim prayers in Christ's name without realizing the spirits that are really helping them. **They stopped following Christ at some point into the higher world, and Christ is no longer the spirit with them.**)

A sincere Christian must **seek, seek, seek**, through their tribulation period to find ascension.

But I have other sheep that are not from this sheep pen (they might not call themselves Christians, but they will know who I am) ; **I must bring them also, and they will listen to my voice**. Then there will be one flock, one shepherd.
John 10:16

Many **old souls** who haven't incarnated for awhile, have agreed to come back during this end time period to help evolve the earth into the Millennium, so that those deciding to ascend will have a physical place that is comfortable for them to live in. This adjustment will cause quite a bit of friction since those not wanting to change will fight it with everything they have (Armageddon). **The problem with that lower consciousness group is that they are not aware of how to really keep this from happening.**

A major part of this group consists of those who truly think and believe they are actual Christians. They stopped their walk with Christ getting stuck within one of the lower tests and have never made it past the lower levels, and unfortunately have stopped actually trying to progress past those levels. A partial and incomplete tribulation!! In fact, this will just be a useless effort on their part since the evolving world will occur with or without them anyway. An ascended earth, can only hold ascended souls, so those others who are not wanting that experience, will never understand the group that is going through their transition period. They cannot understand higher levels of consciousness, and can only understand their current level of achievement only. Some are manifesting their goals by only understanding partial spiritual laws, given by false prophets and teachers. **They will eventually fail of course.** Don't worry about that group, and those who have no desire for any type of spiritual experiences, **it's by their choice and free will not to fully ascend.** Actual Christians are here to help other sincere Christians make it into eternal life... leave the **others on their own, to decide where they want to end up.**

(click for gif)

"These people left our churches, **but they never really belonged with us;** otherwise they would have stayed with us. **When they left, it proved that they did not belong with us."** 1 John 2:19

Thank God for allowing a permanent separation to occur, so that each group can have experiences that are suitable for their very different ways of living physical lives. It boils down to those living within God's required laws (higher consciousness souls – in eternal life) and those doing whatever they feel like doing (lower consciousness souls). Souls living their free will, in free will worlds (Heaven and Hell).

This end of age ascension process, will also cause the anticipated wealth change within the world, since those deciding to evolve and ascend, must first give up everything to follow Christ (including wealth). Then they will be tested during their tribulation which once accepted into eternal life, will then proceed back into increased wealth as promised in scripture (Matthew 19:29 - "And everyone who has left houses or brothers or sisters or father or mother or wife or children or fields **for my sake** will receive a hundred times as much and **will inherit eternal life.**"). This wealth redistribution will occur if one chooses this as part of their tribulation goal. Others deciding not to follow actual scripture, are doomed to fail, since they really don't understand what heaven within spiritual understanding actually is. There are many who call themselves **teachers and leaders**, who are instructing that everyone already has been written into the Book of Life, not needing to do anything else. Since they have never entered themselves, they are leading many people seeking for instruction, down a doomed path far below Jesus' teachings while keeping them out of the Kingdom. **They are all still stuck at infant levels** of Spirit, **never being written into The Book.** They received, and are currently receiving abundance while claiming it in the name of Christ, **before** becoming righteous, thinking Jesus is providing a blessing, without realizing the true source for this income. These contributions are not helping anyone into the Kingdom and unity consciousness in any way. This **deception/ignorance must be recognized** and separation must occur from those groups **or a person will never enter** into "Heaven". **Otherwise, they will remain within the lower world teachings only, with all the others who are also stuck** in that 1st physical reality understanding. **Outside of actual salvation versus the meaningless teachings by unevolved souls.**

"But many **that are** first shall be last; and the last **shall be** first." Matthew 19:30 King James

"But many who are the greatest now will be least important then, and those who seem least important now will be the greatest then." Matthew 19:30 New Living Translation

(Those who have left the traditional religious services to mature their spiritual advancement by experiencing the 2nd and 3rd physical realities, will be the first to enter. Those believing themselves to be righteous, by attending services, tithing, and doing "good works", will be the last. But only if they pursue how to seek into the actual Christ realm. Otherwise, they will just be part of the 2/3rds left behind.)

"For I tell you that **unless your righteousness (knowledge and acts) exceeds** that of the Pharisees and the teachers of the law (religious leaders stuck in their 1st physical reality, never having reached Book of Life levels), **you will certainly not enter into the Kingdom of Heaven.**"

Matthew 5:20

"What sorrow awaits you teachers of religious law and you Pharisees. **Hypocrites!** For you shut the door of the Kingdom of Heaven in people's faces. **You won't go in yourselves, and you don't let others (those worshipping with you) enter either.**" Matthew 23:13

(Keeping all of **them**, in the **1st physical reality only**)

Paul and the False Apostles

"I am afraid, however, that **just as Eve was deceived by the serpent's cunning**, your minds may be led astray from your simple and pure devotion to Christ. You happily put up with **whatever anyone tells you**, even if they **preach a different Jesus than the one we preach**, or a different kind of Spirit than the one you received, or a different kind of gospel than the one you believed." (They preach the easy popular false gospels) 2 Corinthians 11:4

Major differences exist between the 1st vs 2nd physical realities.

"Beware of **false prophets** who come disguised as harmless sheep but are really vicious wolves. (They preach that all you need to do is say the sinners prayer, and you are now saved, are a part of the Kingdom, and awaiting eternal life after physical death in a place called Heaven. **This false teaching is keeping that whole group stuck in Hell, lifetime after lifetime.** Doing evil's work by not allowing people into proper Book of Life levels needed for **true entry.**")" Matthew 7:15

On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?' (Isn't this pretty much the whole false prophet physical churches Sunday sermons?)

And then I will declare to them, '**I never knew you**; depart from me, you evildoers' Matthew 7:23

These false prophets were never cleansed nor refined into the required levels to understand and properly teach Christian ascension. They continue to fool those who blindly choose to follow their man made rules.

"There are many believers (in **infant spirit levels only**-never completing ascension), especially converts from Judaism, who are rebellious. **They speak nonsense and deceive people.**' Titus 1:10 (Some souls remain the same no matter how many lifetimes lived through to advance.)

Those calling themselves Christians, who are still waiting for Christ to return, **will be waiting for that to happen for their eternity.** They will realize once they leave their physical body, that they would have needed to seek their salvation while still on the physical playing field of earth, to experience what the Bible has to offer. **They are in Hell**, since they never obtained Book of Life levels and eternal life, without even recognizing it. After end times concludes, this fallen group **will forever and for eternity continue to believe the second coming is right around the corner.** They will have missed the whole process (with their false prophets), and will no longer be able to advance after permanent separation takes place. So of course **they will reside in Hell** with all the others choosing to stay below Book of Life levels of consciousness.

End times will be final notice for a person to make corrections and complete ascension. Otherwise, 'Lord, open up to us!' but it will be **too late!!**

3 degrees of glory

“So let us stop going over the basic teachings about Christ again and again (**1st physical reality - just reciting scripture over and over**). Let us go on instead and become mature in our understanding (**2nd and 3rd physical realities - spiritually manifesting life**).

Surely we don't need to start again with the fundamental importance of repenting from **dead works** and placing our faith in God.” Hebrews 6:1

A person performing their spiritual service will be **far different** than what they probably did while in their lower consciousness life. The work is usually around their spiritual gift that was given at **rebirth**, and meant to be perfected on during their tribulation period. But again, the “dead”, will not understand why a person is doing that work while also not understanding the need to increase into Book of Life levels of consciousness in order to ascend. This is the actual persecution of Christians. Other life challenges are just regular crimes on others within the fallen world only.

The “Dead” (1st reality only) vs those who are “Living” (2nd reality)

“For I will take you out of the nations (**lower consciousness levels – 1st physical reality**); I will gather you from all the countries and bring you back into your own land (Heaven) – **2nd physical reality and for the more advanced, the 3rd physical reality.**”
Ezekiel 36:24

Do people really think that after Christ promised eternal life for his true disciples, that people haven't already entered into it in over 2,000 years.....therefore, you too must be ready, before last and final judgment locks that door and stops any further opportunity to enter into eternal life experiences. THOSE LEFT BEHIND!!...

Must “seek” in order to find the 2nd physical reality.....**this will require continued adjustments** until a person finally reaches Book of Life levels of consciousness **in order to enter into it.**

"We (are honored to) serve the living and true God." 1 Thessalonians 1:9

Let's be very clear about being raised during end times into eternal life by Christ. He does this through the process of tribulation meant to increase a person's consciousness into Book of Life levels that is needed in order to enter. Anyone thinking differently, will not be allowed into Heaven. **This tribulation cleansing period is meant to understand God's laws.** So you have those already in eternal life, living within these universal requirements, and those living each lifetime breaking most of these rules that are required for eternal life entry. Those not willing to go through this process, will probably not actually want to be in the higher spiritual world anyway, so they won't be missing anything at this point in time. **It's after the permanent separation, that will be the major difference.** The lower world will be more like the past middle ages (brutal and violent), while the higher world will be peaceful with all those who have entered able to manifest spiritual goals **instead of living through forced experiences by others.** These two separated worlds will soon be unrelated to each other anymore once permanent separation occurs. The lower world will no longer have those who helped tip it in a higher direction, making it spiral downward now with those left in it. **True Hell. Uninhabitable except for very low consciousness souls to have their physical lives.**

He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.

John 3:36 KJV

2nd and 3rd physical realities

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. . ." 2 Corinthians 5:17

2nd and 3rd realities

(click globe)

1st reality

Worlds mixed together at end times. Soon to be permanently separated.

You must be in Christ to live within the 2nd and 3rd physical realities and be part of the new creation. If you are not within those realities, then you have not been changed, and have not surrendered into the proper levels. **Not saved. "they shall not see nor experience eternal life (lives)"**

"I assure you, we tell you what we know and have seen (and experienced), and yet you won't believe our testimony (lifetime after lifetime)." John 3:11 (Maybe end times, will finally get your attention around the process of actual spiritual ascension)

The Millennium period is meant to give those within the **2nd physical reality**, a peaceful spiritual experience **without** all of those who **never grew out of their 1st fallen state reality**, and their lifetime after lifetime of tired excuses as to why. They were never cleansed of their sins and never cared enough to learn actual universal laws to adhere by. They don't realize that of course those in **higher consciousness** are aware of their deficiencies and really don't care for their continued excuses. We were all given enough lifetimes to adapt and learn and ascend, if we really wanted to. The bottom third of those not making it into the new earth, shouldn't have any surprises. It's that middle group, **especially those in the upper part of it**, that will **end up being surprised** after physical death. It will be **too late for them** at that point in time. A little bit of suffering and poverty during a lifetime for their ascension, never was allowed by them. They will remain part of the 2/3rds who perish unless they decide to get serious and follow the process.

"Nowhere in the land will more than a third of them be left **alive** (ascended)."

"Those who did not have their name written in the **Book of the Living (higher consciousness – 2nd physical reality)** were thrown into the

lake of fire (remained in their 1st physical reality only)." Rev 20:15

This is being able to live in a person's **ascended state within eternal understanding and lifetime progression**, compared to those still in their **fallen state living in a sleeper state**, unaware of these two very different physical realities. Those in their sleeper mode lifetime after lifetime can actually decline spiritually since they are having a hard time just navigating through each lifetime. Of course they will not understand how others can actually understand higher levels of consciousness, since they cannot. **A person must seek and understand the role of Spirit, to actually understand physical life, and continue into advanced ways of living a human experience.**

"So God created mankind in his own image (Spirit), in the image of God he created them; male and female he created them." Genesis 1:27

"Then, together with them (out of body Spirits), we who are still alive and remain on the earth **will be caught up in the clouds** to meet the Lord in the air (within **higher consciousness**). Then we will **be with the Lord forever.**" 1 Thessalonians 4:17

(A person must seek and figure out how this is done, or will miss the second coming completely.)

*****Body and Spirit made whole*****

'I am the good shepherd. **I know My sheep and My sheep know Me**' john 10:14

(They follow through to full completion, by having full faith in Christ through a full tribulation.)

A one on one individual process between a person and Christ only. Matthew 10:34

Those remaining stuck in their 1st physical reality only (lower consciousness), **have already been left behind**, and are already part of **the dead**, without even knowing it. They are just about out of time for correction before the end of the age completes.

They were never fully converted, and therefore, never saved!

Never Saved to
Begin With.....

1 John 2:19

This group will
never experience
eternal life living
– 2nd physical
reality....

**They will be
left behind!**

The majority of those calling themselves Christians, **will never reach** the top physical tier to enter into the Kingdom, because they are using their free will to bypass the level of surrender needed to get them into Book of Life levels of consciousness. Therefore, they have not been cleansed at the levels required to fully understand universal laws and **will remain at their current level of sin**, outside of the laws needed for eternal life living, and also **outside of the levels that give protection** for His true disciples already within eternal life.

Michael, the chief of the angels, is the protector of your people, and he will come at a time of terrible suffering, the worst in all of history. And your people who have their names written in The Book **will be protected**. (this tier group will understand how this will be accomplished) Daniel 12:1

For those who are choosing to keep score only, **without fully playing in the actual game**.....we are towards the end of the first resurrection. There's still time left before halftime begins...

"Blessed and holy is he who has part in the first resurrection. Over such the second death has no power, but they shall be priests of God and of Christ, and shall reign with Him a thousand years." Rev 20:6

(Those who have not entered yet, will just sit these 1,000 years out)

"The rest of the dead did not come back to life until the thousand years were complete." Rev 20:5
The world will be completely different by then.....very uncomfortable for non spiritual souls.

Even after the **"dead"** come back for their last try after the Millennium, this occurs...

"And they marched up over the broad plain of the earth and surrounded the camp of the saints and the beloved city, **but fire came down from heaven and consumed them**," Rev 20:9
(They **never understood** higher consciousness living techniques, that would allow them to make it through these life consuming tests for continued physical lives.)

The fire can be by way of health problems, financial distress, relationship obstacles and other tests to see if a soul can spiritually overcome them...

(This will result in a person's last and final physical judgment, if changes are not made.)

"Dear friends, if we deliberately continue sinning after we have received knowledge of the truth, there is no longer any sacrifice that will cover these sins." Hebrews 10:26

"and those days will be shortened"
"to test those who belong to this world"

The Cost of Discipleship

Large crowds were now traveling with Jesus, and He turned and said to them, If anyone comes to Me and does not hate his father and mother and wife and children and brothers and sisters – yes, even his own life– **he cannot be My disciple.** Luke 14:26

"Not everyone who calls me their Lord will get into the **Kingdom of Heaven."**
Matthew 7:21

"In all of the land, 2/3rds will perish, but only 1/3rd will remain"

Unless **they surrender and follow** completely as stated, including **separation**, they will never reach **actual salvation** and living in eternal life within the 2nd physical reality. People who continue to rely on others during their tribulation, cannot follow to the levels that Christ is trying to take them to. Therefore, they really do not have actual faith in Christ. They will not be saved since they have not reached Book of Life levels of consciousness. This doesn't mean that they are not good people, it just means that they are not at levels to enter into eternal life. A person that reaches this top physical tier will know without any doubt, and will then start working on other spiritual goals. This process does involve faith and devotion for completion.

Revelation 21:27
"... nothing unclean and no one who practices abomination and lying, shall ever come into it, but only those whose names are written in the Lamb's book of life."

Only those at Book of Life levels will enter. **Others who haven't reached these levels during a physical life, will just not be able to understand.**

"For many will try to enter, but will fail."

Never being able to live within eternal life requirements.

"For when they rise out from the dead, neither do they marry, nor are given in marriage; but they are like angels in the heavens."

Ascension is an individual process that each person must make in their own time. No two family members will be able to do it together, since everybody's beliefs are different from birth. Therefore, separation from the family unit must occur at different times for the members choosing this experience. Even Christ had to go through this separation that occurred during His "lost years". Family members will reunite as each one ascends and enters into Heaven in their respective times. Not all members will choose this, and their free will must be honored. **The false prophet church teachings, do not address these higher level understandings, since they are not a part of the ascended souls moving forward.**

"In the last days, God says, I will pour out my Spirit on all people." Acts 2:17

(But unless a person completes their full tribulation period, at some point their reality will reflect against God's natural laws not allowing them to proceed into the new earth.)

Those who think they can ascend without growing into it properly, just won't make it. It's just a matter of time on when they fall out. Now or later..... it will only get more painful the longer they go without spiritually advancing. **The fire will only get worse and worse** for that group until they either succumb to it, or surrender into the ascension process fully, in order to gain consciousness and get through it into eternal life. (click on pic)

You too must be ready....or else.

**** An important note ****

Then Jesus said, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest." Matthew 11:28

Many of those who are deciding to exist at very low levels of poverty and society, are choosing this in their life. Jesus supports these groups by providing them with the basic necessities of life (food, clothing, and shelter) with others who are choosing to serve these groups by volunteering and working for these non profits. People within these causes, have almost always surrendered into levels that start the salvation process, both workers and recipients. **Christ will use all different consciousness levels of people to fulfill this basic service.**

They mistakenly believe that they have already been saved, but like all other professions and industries, will remain below Book of Life levels of consciousness unless they complete the full process of ascension. **Good works only will not get a person into the Kingdom. Those not giving up everything to follow Christ, also will keep them from seeing the Kingdom. This is part of the process that can't be bypassed.** Christ will always give His True Followers abundance and the tools to get there for those **completing their tribulation period.**

"If they obey and serve Him, then they *end* their days in prosperity and their years in happiness." Job 36:11
(This is for those completing their cleansing tribulation and being written into the Book of the Living. Many leave early in a tangent before full completion, doomed to fail in their ascension process.)

Many people are choosing to stay at these poverty levels throughout their life, **while also not getting into eternal life**, missing the opportunity that was given them during their periods of suffering. **Being truly saved, is the highest level associated with Christianity and human consciousness.** There is nothing accomplished by being partially saved, **this is the same as being left behind.** End Times will weed out all souls who cannot exist at Book of Life levels or greater, which is needed to enter into the Kingdom. **So let's be honest. There are two very different versions of humans occupying earth.** It is a perfect system for those paying attention, while also completing the full process into eternal life living, lifetime after lifetime. **A person must sincerely want this in their life, or will remain among the fallen group that includes those only thinking they are in the saved category, both the prosperous and those remaining in poverty.**

This must be made into an experience, and not just a concept for people to be written into The Book of Life. A person can read all about higher levels of consciousness and the 5th dimension Christ realm, but unless it is actually experienced, then it is still only a concept. Similar to reading about astronauts and space travel, doesn't make you one, unless you complete the full training to do so. A tribulation period asking and seeking for that full experience, is the way to accomplish that. Don't be mistaken, this is an individual experience that requires separation from others.

***"But be doers of the word, and not hearers only, deceiving yourselves." James 1:22 ***

"As for anyone who hears My words and does not keep them, **I do not judge him**. For I have not come to judge the world, but to save the world." John 12:47

No reason to argue. Each of us are deciding on our own life experiences. Choose wisely!!

Those not completing their full tribulation into salvation (the 2nd physical reality), will not be raised once they decide to turn their back and stop their walk with Christ. **"none of them** were of us" 1 John 2:19 Just saying that a person is a Christian, has no real meaning if a person hasn't entered during their physical life. A person must seek until written into the Book of Life. A person isn't a college graduate if they dropped out with 3 credits left in order to graduate. A true disciple completes the process into eternal life just like any other full experience found on earth. That's why many will be saved during the Great Tribulation, because they finally took the time to understand what is needed to get into "Heaven", and made adjustments in their life to do it.

"But **don't begin until you count the cost (cost of discipleship)**. For who would begin construction of a building without first calculating the cost to see if there is enough money (sincerity and time) to finish it? Otherwise, you **might complete only the foundation (staying at infant levels only)** before running out of money (energy and time), and then **everyone would laugh at you**. 'This man could not finish what he started to build. (**never reached eternal life levels of consciousness like the many others who are already in it – we know who you are of course.**)" Luke 14:28-30

For those who are not willing to put in the effort and time to increase their spiritual level advancement, the Christian route will not be a route beneficial for you. It will not accomplish anything near what most believe will occur upon physical death. People really need to seek and understand the differences between living in "Heaven" (from the Biblical perspective), versus living back in the Spirit realm once a physical body is shed. **At least seek far enough to stop fooling yourself on what will happen after a physical life takes place.**

Other Gods

"All day long I have held out My hands to an obstinate people **who walk in the wrong path**, who follow their **own imaginations**"
Isaiah 65:2

"Don't be afraid of what you are about to suffer. The devil will throw some of you into prison (**lowest levels of consciousness**) to test you. You will suffer for ten days. **But if you remain faithful** even when facing death, **I will give you the crown of life.**" Revelation 2:10 (A person must complete their full tribulation or **has failed the test into eternal life.**)

A person already in eternal life, will always be working on perfecting their spiritual gifts and spiritual knowledge and abilities.

The righteous and wicked are to remain in the earth together. The righteous are not to exterminate the wicked (even though they could easily because of their much higher spiritual levels). **The evil will do a good enough job eliminating themselves without further help from others anyway.** The evil (lower consciousness – living in 1st physical reality) and the good (higher consciousness – living in 2nd and 3rd physical realities) will be mixed until judgment day. Then all shall be gathered at the throne of judgment. The righteous (those who are at the Book of Life resonance and above) shall inherit the kingdom. Those below the necessary levels to continue, will be dismissed from this higher consciousness world (Heaven). What has **previously** been known as "The future coming of the kingdom of God", which is now available **during** end times. A person enters during physical life. **Those who have entered, know without any doubts.** Only those who have not entered, will be confused. This results in Their Last Judgment (those below Book of Life levels of consciousness that is needed to continue).

"I never knew You!"

They worship me in vain; their teachings are merely human rules.

“When the master of the house has locked the door, it will be too late. You will stand outside (3rd dimension consciousness) knocking and pleading, Lord, Lord, open to us, and He answering will say to you, I have not known you from where you are.” (They had remained in their 1st physical reality only) Luke 13:25 **“I never knew You!”**

Matthew 15:9

“The rich man replied, ‘No, Father Abraham! But if someone is sent to them from **the dead (1st physical reality)**, then they will repent of their sins and turn to God.’ Luke 16:30

Then Abraham said to him, ‘If they do not listen to Moses and the prophets, they will not be persuaded even if **someone rises from the dead (into the 2nd and 3rd physical realities)**.’ “Luke 16:31

They are individually using their free will to **remain in Hell – 1st physical reality only, regardless of testimony.**

Everyone has until their last mixed together physical lifetime to reach Book of Life levels of consciousness. Those who stopped early, or were happy enough living in the lower consciousness world only, will have exhausted all of their time given to reach eternal life (lives). “and then **the end** (of the old age) will come.” This will bring permanent separation between the two groups.

After the period of time for entry has been shut, there will be no way to enter into the higher consciousness world. Every soul who has lived a life on earth, will be given their last and final judgment during this end time period. This will be an individual choice to make. No one is making an actual judgment against anyone else. Christ only helps people into Book of Life levels, and how to be able to live within that world. Salvation by fully following Christ. No one will be able to blame anyone else for not making it in, except for each individual alone, and their decision not to have that **full and complete experience.**

A person must be living within the 2nd and 3rd physical realities, or they are not part of those who have new life into the new Heavens and new earth.

“And the **many who sleep in the dust shall be awakened, these to eternal life (2nd and 3rd physical realities)**, and the **others to loss and to the shame of their companions for their eternity (remaining in the 1st physical reality only – separated for eternity from ascended family and friends).**”

Daniel 12:2

“For all that is secret will eventually be brought into the open, and everything that is **concealed will be brought to light and made known to all.**” Luke 8:17

At least to those who are sincere and dedicated towards their spiritual growth and advancement. Only those choosing not to know, or those who continue to follow a wrong path probably due to lack of proper surrendering, will be left in the dark.

“But be doers of the word, and not hearers only, deceiving yourselves.” James 1:22

(ascension is an actual experience, and is not something that is meant to be read about in books only)

They died to their lower consciousness life, to live in their ascended state instead, raised by Christ by completing their full tribulation during physical life.

Separated from those **soon to be eternally dismissed**.
Will co create their new life during this period of rest.

In the futurist view of Christian eschatology, **the Great Tribulation is a relatively short period of time where everyone will experience** worldwide hardships, persecution, disasters, famine, war, pain, and suffering, which will affect all of creation, and precede judgment of all when the Second Coming takes place. Some pre tribulationists believe that those who choose to follow God will be [raptured](#) before the tribulation, and thus escape it. (Those already in eternal life will have already gone through their tribulation period. They are just watching as end times unfolds in front of them.) On the other hand, post tribulationists believe Christians who are alive at the time of the Great Tribulation must endure the Great Tribulation and **will receive great blessings**. (They will be on earth living in [their co created manifestation](#) while watching others [who are dropping out of the world](#) or who are choosing to try to ascend before time runs out on them.)

[“and those days will be shortened”](#) [“to test those who belong to this world”](#)

Therefore,

“You too, [MUST BE READY](#).”(so you are not [LEFT BEHIND](#))

(Those still saying that they are rapture ready.....**really aren't**, since they still have not been raised into the Book of Life)

"Although they claimed to be wise, they became fools" Romans 1:22

Those who are placing way too much emphasis in physical beings and their perceived power without realizing how limited these souls are within their own karmic actions. Compare this to the higher spiritual group that realizes that all experiences originate outside of this plane for each person's individual growth if chosen correctly. Those who decide to live within those higher rules knowing the protection that is given from that level during each life, for those choosing not to waste a physical life.

We are all spiritual beings first, only currently experiencing a human life. So our spiritual part of this combination will always be far greater than the physical and intellectual parts. God created humans in His own image of Spirit. We are meant to advance lifetime after lifetime by increasing our spiritual (glorified) bodies. Those souls going through each lifetime without progressing forward in any meaningful way, will not be missed once permanent separation takes place. Their dramas only distract others from experiencing a full human life and all of the advanced capabilities found in a physical structure. "Heaven", compared to those remaining in Hell.

"They (disciples) don't belong to this (lower) world, and neither do I." John 17:16

Once end times concludes, any imbalances within the physical world will adjust back to natural perfection since 2/3rds of the inhabitants will no longer exist within it. The third that will continue, will have the spiritual knowledge and abilities to exist within the planet with God's original intent for the world. Ascended souls within an ascended earth. **Heaven.**

"But (of course), none of Them (the dead), will understand" Daniel 12:10

(They will soon enough be stuck in their own separated physical world, never to bother the "living" again!)

During end times, both physical worlds will exist together, but only those who have "entered" will have full access between the two. These are not parallel worlds, but are full duality worlds at extreme opposites. If you are not living within both worlds, then you only have lower access only(1st physical reality – lake of fire), and will remain there after full separation occurs. So decide whether you believe suffering through a full tribulation is worth it for you. Eternal physical life between either "Heaven", or "**Hell**".

For those **still waiting** on Christ to return (their eternity), **good luck with that**. He has already been bringing His Church into **His world and Heaven and eternal life (lives)**.

“Many will be **purged, purified** (cleansed) and **refined, but the wicked will behave wickedly** (including not being open to spiritual truth). **None of the wicked shall understand**, but those who are [spiritually] wise **will understand**.” Daniel 12:10

(If a person isn't willing to surrender enough to be cleansed and refined into Book of Life levels of consciousness, a process that takes years to accomplish, then **there is but one outcome left for them. They will be purged out of the new earth**. The tribulation suffering will be nothing compared to the full life suffering for those left in the lower world for any remaining lives after permanent reality separation. The eternal separation into the anticipated Heaven and Hell which is currently existing side by side within this end time period. **Permanent separation of ascended humans from those fallen humans who are being left behind. It's your free will and choice to make only**. “You must separate from them”, or you will be left behind with them (including non ascended family members and friends) if the full process isn't followed.)

We are now at that time where we will all know if we are truly saved or not. **At least the ascended humans will know**. The others will have until the end of their physical life, and if not known by then, will know once back into the non physical spiritual realm. So make sure you are where you want to be. After end times concludes, our eternal positions will be set.

For those curious about whether we will recognize other loved ones in "Heaven". Those who have ascended and entered into unity consciousness, will of course know others who have also completed the process and have overcome the physical world. But the ascended group living within the Heaven requirements will also recognize others who are still in a state of purgatory or those continuing to be stuck in Hell. **Again, Christ gives a person who is actually saved, everything needed to understand this**. Every single person on earth will be in one of these three categories during end times. Those who still have not entered into Heaven, **will be left behind**.

Those completing their full tribulation and waiting for final separation, realize that they might be sharing their last physical lifetime with some of their family members and friends. So this will also be a period of time for them to come to peace with that, since not everyone will choose to suffer through tribulation, and therefore, will not change consciousness to move forward into the new earth. Regular life will bring about this separation between the groups, if it is allowed to happen.

End times = last lifetime opportunity to work into higher consciousness states (ascending new earth) to continue after final judgment in the peaceful world prophesied in the Bible.

After physical death, there will also be a permanent separation from others that choose to remain in lower consciousness states (descending old earth) after being left behind by their own free will.

Many say that the Mayan calendar was accurate in predicting the end of the age, making this present lifetime, a person's last opportunity to increase (or decrease) their level of consciousness before exiting this earth.

“Why are you so afraid? Do you still have no faith?”

Isn't the whole idea about being a Christian all about **entering into Heaven and eternal life**? So why do so many people claim to be saved, yet are still awaiting that place and still waiting for Jesus and a second coming to occur. If they still haven't entered yet, how good of Christians can they be? **Or, are they really even Christians at all?**

“Now **this is eternal life**, that they may know **You**”
John 17:3 (advancing lifetime after lifetime while spending eternity within His presence and world during each physical lifetime)

“...for many will try to enter (into **Heaven and eternal life**), but will **fail**.” Luke 13:24

(Never being written into the Book of Life during a physical lifetime.)

But I will reply, “**I never knew you**.” Matthew 7:23

"But keep on the alert at all times, praying that you may have strength to escape all these things that are about to take place, and to stand before the Son of Man."

Luke 21:36

Therefore,

"You too, MUST BE READY."

ppsx

(so you are not **LEFT BEHIND**)

To continue into the Millennium, a person must be at physical consciousness levels that allows them to live within a higher spiritual world. This is a requirement that is tested during a person's last judgment, to see if they can continue. Only those who are prepared, and can live by spiritual methods, will be able to continue during this period of prophetic time.

"and Your people will be protected"
(Since they are already at Book of Life levels of consciousness.)

"For as the body without the spirit is dead, so faith without works is dead also."

James 2:26

Faith by completing a full focused tribulation...Good works only, do not make us acceptable to God

Everyone is tested during tribulation to see if they are **actual believers**.

(This part cannot be faked)

a person is either at **Book of Life levels of consciousness**, or they **are not**

"And in all the land, declares the LORD, two-thirds will be cut off and perish, but a third will be left in it."

"The foolish ones said to the wise ones, 'Give us some of your oil. Our lamps are going out.'"

Those not ready will not be able to continue through their given challenges and tests, resulting in their final judgment. Being dismissed from physical life in "Heaven".

A new age means a new transition into different ways to live life. Adjustments for that to occur must happen for this change. Those who have not assimilated the new energies found within an ascending earth, by increasing their spiritual body, will run into reality problems that won't make rational sense to those at higher consciousness levels. They have reached the point that doesn't allow their current consciousness level to understand how to live within the higher realms which is now available within this part of the **maturing cycle**. This current period is allowing both worlds to exist together for a **short amount of time**, to allow everyone their **individual** choice on how to live their physical lives. They will have only until the end of their current physical life, to raise their spiritual consciousness levels to the proper levels (Book of Life) in order to reach eternal life.

Otherwise, they will be **left behind**.

Some making it to **purgatory levels** will be allowed one last chance after the Millennium to reach eternal levels, as well as some of those who **have helped others** during their tribulation, although prophecy makes it clear, unless **changed** by then, they will not advance. They are allowed to stay as they are, not realizing that they are choosing eternal Hell, and will be **separated** from all the others in "Heaven" – higher consciousness. It doesn't matter at that point, what they have previously labeled themselves (**religious affiliations**, spiritual, atheist, agnostic, or whatever), since only those who have been "cleansed" through a full completed tribulation will be allowed to enter. But always remember, those at lower levels of consciousness will not believe it. **"None of them, will understand."**

For that group, that doesn't understand, it won't matter after this lifetime anyway, since they will no longer be able to bother those choosing to ascend into the new earth's reality. They have either chosen to follow a lower consciousness spirit since they don't know how to discern properly, or just are too lazy or naive to expand their consciousness. Either way, they will leave earth without reaching the levels required to reach "Heaven". A person is either ready, **or not**.

You must **"test the spirits"**

False Teachers

1 John 4:1 "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world."

You must "test the spirits", to find those who are from God. Many will be fooled into believing they are following Christ, when in reality, they have never even come close to ascending out of their fallen state of consciousness.

We are in the renewal period for **spiritual understanding** once again. Pay attention!!

Don't be misled!!

To live within the upper ranges of humanity, a person must make this process into an experience, instead of just something read about. **It does require devotion.** Just like a person who devotes full time work, in order to get full time pay, it is no different in a spiritual endeavor. You get out what you put into it. A partial effort will only yield **partial results** as would rationally be expected in any experience found on earth. No effort, of course results in no consciousness gain. For those wanting to remain in their 3rd dimensional life, that is fine, but don't mistake the fact that the Christ realm is in **5th dimension consciousness.** So a 3rd dimensional life is outside of the life that Christ has spoken of in the Bible except for basic karma principles. There will be other spiritual families with some of their members also at 5th dimension levels who are also working on their spiritual growth. There will be unique differences between these different families due to their different mastery concerning universal laws and their own individual consciousness levels within it. -

"Not everyone who keeps saying to me, 'Lord, Lord,' will get into the **Kingdom of Heaven**" Matthew 7:21

Those cleansed through their tribulation period by Christ, are returned to their previous levels of consciousness, to continue in their spiritual growth, **eternal life** (Heaven - higher consciousness). "For I will take you out of the nations (lower consciousness levels - 1st physical reality); I will gather you from all the countries and bring you back into your own land (Heaven) - to live within the 2nd physical reality." Israel (those in Christ) "shall know that I am Yahweh".

Others choosing not to, **will never understand** that this is the meaning of **eternal life**, not something after physical death. They will cease having any further physical lives at some point, declining to progress past these lower levels. Never understanding how to properly get through the ascension stage of human development and into eternal life.

"I never knew you"

"They (actual disciples) do not belong to this (lower consciousness) world any more than I do." John 17:16

(Every soul does return back into the spiritual world at their achieved level of consciousness, once they physically die to live with others at those same levels.)

Then, together with them, **we who are still alive and remain on the earth** will be caught up in the clouds (higher consciousness) to meet the Lord in the air. **Then we will be with the Lord forever.** 1 Thessalonians 4:17

The 144,000

During this renewal period, people will be receiving their last physical life judgment to see whether they can live within a **higher consciousness world (Heaven)**, or must be left behind in their **fallen state of consciousness** instead.

(A person must make changes to their current life to proper levels, before it ends, if they want to live in Heaven)

"Swing your sharp sickle and gather the clusters of grapes from the vine of the earth, because its grapes are ripe."

("But none of them, will understand")

The Harvest of the Earth (The 144,000)

13 And I heard a voice from heaven telling me to write, "Blessed are the **dead** (those who **have died from their 3rd dimensional life**)—those who **die in the Lord** from this moment on (**increasing into Christ consciousness**)." "Yes," says the Spirit, "they will rest from their labors, for their deeds will follow them." 14 And I looked and saw a white cloud, and seated on the cloud was One like the Son of Man, with a golden crown on His head and a sharp sickle in His hand. 15 Then another angel came out of the temple, crying out in a loud voice to the One seated on the cloud, "Swing Your sickle and reap, because **the time has come to harvest**; for the crop of the earth is ripe." So the One seated on the cloud swung His sickle over the earth, and the earth was harvested....

Increasing energy levels are now present for those who are open and ready to receive them. A person must increase their personal spiritual energy levels in unison with the New Earth's, in order to continue.

"The righteous and wicked are to remain in the earth together. **The righteous are not to exterminate the wicked** (even though they could easily because of their **much higher spiritual levels**). **(The evil will do a good enough job eliminating themselves without further help from others anyway.)** The evil (lower consciousness) and the good (higher consciousness) will be mixed until judgment day. Then all shall be gathered at the throne of judgment. **The righteous (those who are at the Book of Life resonance and above) shall inherit the kingdom.**"

Those below the necessary levels to continue, will be dismissed from this higher consciousness world (Heaven). What has previously been known as "The future coming of the kingdom of God", which is now available during end times. A person will enter *during* their physical life.

Those who have entered, know without any doubts.

Only those who have not entered, will be confused. This will result in **Their Last Judgment** (those below Book of Life levels of consciousness that is needed to continue).

Revelation 21:27

"... nothing unclean and no one who practices abomination and lying, shall ever come into it, but only those whose names are written in the Lamb's book of life."

(those who have COMPLETED their full tribulation through Christ)

Jeremiah 35:15

I have also sent to you all My servants the prophets, *rising up early* and sending them, saying, 'Turn now everyone from his evil way, amend your doings, and do not go after other gods to serve them; then you will dwell in the land which I have given you and your fathers.' (higher consciousness - Heaven)

But you have not inclined your ear, nor obeyed Me. (continuing to stay within your fallen nature instead)

The fallen group includes prosperity gospel followers and those following other worldly people. **They will all perish together regardless of what they currently label themselves.**

At this point in physical time, a person is either within Book of Life levels and Heaven, or are outside of it.

These physical realities can be compared to educational accomplishments (elementary, middle, and high school). The first level group cannot understand the higher levels, but the other two groups will understand all lower levels that they have been through.

If a person is not currently in **eternal life**, then they must find their current consciousness level and make changes in their life until the proper levels are reached.

Again He said to them, "I am going away. Then you will try to find me, but **you will die in your sins (remaining within lower consciousness levels)**. Where I am going (**higher consciousness - Book of Life levels of consciousness**), it is **impossible** for you to come (if **you physically die first** before reaching **5th dimension consciousness**)." John 8:21

"But more than anything else, put **God's work first and do what He wants**. Then the other things will be yours as well." Matthew 6:33

(Eternal physical life (lives) for continued soul consciousness growth)

Those who are already within eternal life, will of course have higher spiritual levels than others who have chosen to remain at lower world levels only. Many will rationalize to themselves that those at the higher levels are not within normal reality levels, and they are right, but not for the reasons that are accurate. Those who have had many more physical lives in their overall path, return for many different reasons, but all concerning some sort of continued spiritual growth for their soul. Although they will try to help others, they will still allow people to progress (or not) according to their individual free will choice.

For only we who believe can enter his rest. As for the others, God said, "In my anger I took an oath: 'They will never enter my place of rest,'" even though this rest has been ready since he made the world.

Unfortunately, this will keep some people **stuck in the lower world**, since they will not want to believe that these higher levels exist and they are not a part of it. That is why Christ was brought into this lower world, so that those who care enough, will follow fully until completion for actual salvation into higher consciousness and eternal life (lives). Otherwise, a person will get a full cycle of initial lives to reach eternal life levels (Book of Life), and will be dismissed from any future lives if those levels are not reached (**final judgment**). Every soul does return back into the non physical spiritual world at physical death regardless of their achieved status. There they will live with other spiritual entities within those same consciousness ranges that they have obtained. Heaven is a state of consciousness acquired during a physical life that is **mistaken as the spirit world** by those who have **never experienced that higher state of consciousness**.

"They will never enter My place of rest."

Jesus said to them, "Truly I tell you, at the renewal of all things, you who have followed me (completed their full tribulation) will also sit on twelve thrones, **judging the twelve tribes of Israel (those still left in lower consciousness)**."

Don't be naive to think otherwise

"Where I go, you know, and you know **the way**."

"and then the end will come"

"If you belonged to the world, it would love you as its own. **As it is, you do not belong to the world, but I have chosen you out of the world**. That is why **the world hates you**." John 15:19

"Earth has been chosen as the place to give **life new birth**." Excerpt from The Ancient Secret of the Flower of Life, the Lucifer Experiment.

Talk and **outward appearances** are easy.... **actual Faith to completion is what matters**.

Those in higher consciousness, can easily identify **all the different levels** of spiritual consciousness.

(To receive eternal life, a person must get on board with all the *requirements*, and then they will be allowed to consciously progress for any remainder of physical lives they choose to have.)

"But none of *them*, will understand."
Daniel 12:10

This commentary is meant for those *serious* about understanding the meaning of the Biblical term of "Heaven" and eternal life, as compared to the Hollywood version, in addition to the version from those preaching within the lower teachings of Christ only (since they have never reached Book of Life levels during life, for proper instruction). Those happy (or happy enough) within their current *3rd dimensional life*, will find it extremely difficult to reach the higher teachings of Christ, and all that is necessary to live within the highest levels of human consciousness (Heaven).

Everyone was meant to experience this spiritual resurrection (out of our fallen state), before the end of the age concludes, and dismisses *those choosing not to participate* at these higher reality physical levels. For actual understanding, this must be experienced, and not just read about. A person must get to these levels during physical life, and will know without a doubt that they have been allowed in.

They didn't know until the flood came and swept them all away. (those still in fallen state)

So this is the way the coming of the Son of Man will be.....
Matthew 24:39

For those who are not *already* in Eternal Life and Book of Life levels.
(must be achieved by end of age)

(Judgment Ladder interactive)

Others who are still below Book of Life levels, will not be at consciousness levels to understand, and unless they become sincere and dedicated to making the necessary changes in their life, **will be left behind**. It doesn't matter who a person is, or who they think they are, if they still haven't been cleansed, by completing a full focused tribulation. This is the only way of entering through the front door, and into Book of Life levels. "What good is it, dear brothers and sisters, if you say you have faith but don't show it by your actions? (by completing a full tribulation) Can that kind of faith save anyone?" Daniel 12:10 is precise when declaring, those who have not been admitted during life, will just not understand. They were deceived by following the lower teachings of Christ only. This commentary is only for those wanting to get to eternal life and living in the Millennium. Those who are happy

within their lower consciousness life, need not make any changes within their present life at all, staying within their present reality of life, while missing the 1000 year period

with Christ in the peaceful physical world. This could also possibly be their last physical lifetime within the full human cycle to reach eternal life.

I NEVER KNEW YOU

Never entered into Book of Life levels

"For if anyone thinks he is something (saved), when he is **nothing** (still in his fallen state), he deceives himself."
Galatians 6:3

Jesus said to them, "You are from **below**; I am from above. You are of **this world**; I am not."

"They (disciples) are not of the world, just as I am not of the (**lower**) world."

Only those reaching Book of Life levels are allowed into "Heaven". The highest obtainable consciousness levels in a physical human body.

Then they are allowed to continually progress in a conscious state, for their additional lives.

Because of **lack** of knowledge, most will remain within the **lower teachings only**, never making it into

Eternal Life.....

(Book of Life levels)

Those receiving eternal life, will get to physically progress as they choose, for their eternity. This will be for further spiritual growth, in a spiritual world. New life associated with this world, will be dealing with spirituality in some way, since the lower world already exists for those wanting materialistic and *family type* experiences. There are also different rules and requirements within this other higher consciousness world. Different worlds, *different rules* and purposes. But this is the *peace* and tranquility world, the major difference.

On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?'

Then I will tell them plainly, 'I never knew you'

You must do what it says.

Otherwise, **you are only fooling yourselves.**" **James 1:22**

It will be very hard to leave loved ones when deciding to move into higher consciousness. The joy will be in living additional lifetimes with them, once everyone obtains eternal life levels.

It is very important to maintain higher consciousness levels, without being drawn back into the lower consciousness world during a lifetime.

To reach this state of consciousness, only those allowing themselves to be cleansed by the process, will be allowed in. It doesn't take much to realize during the suffering part of tribulation, that it is well worth it, to eternally live with and be a part of that advanced spiritual group, since everyone at that level has met all the requirements for entry, and has also reached a certain level of enlightenment that enables the understanding of how and why this world works.

After permanent separation takes place, we (those obtaining Book of Life levels) will no longer have to put up with all the pains created by those at the extreme lower levels of consciousness (regardless of their job titles or religious affiliations), that unfortunately still exist within this mixed earth until they are dismissed. Those reaching eternal life levels, also realize they can return during whatever period they choose to. Some people will choose to leave if their body is older than they currently like, and upon return will of course be able to maintain youthfulness after the millennium has commenced. Others will tire of their current life and other participants, and will choose to leave and come back later when everyone present has met all necessary requirements, making the world more easy to live in. So it really doesn't matter how a person loses their physical body, it is more important in reaching Book of Life levels for future flexibility concerning continued growth in life. Those thinking Heaven is a place after physical death, they are gravely mistaken since all souls enter the spiritual realm at that time to live at their overall achieved spiritual levels that have been obtained during life. So souls are entering and leaving groups continuously as they evolve, by raising their spiritual consciousness levels. **It is also very important that people realize how much love there is for those who have shared a lifetime with them in this growth.**

That separation, will also cause the lower world to go to much lower average consciousness levels, since there will no longer be higher consciousness people around, to *bring the average levels up*. Then, the **lower world** will show it's true self, **Hell**, but it will be after separation has occurred. The promise that Christ made though, is for those who follow completely, through a full focused tribulation by believing in Him. Eternal Physical and Spiritual life. Salvation!

And I Heard A Loud Voice

The "Living God"

Most people will go through a full cycle of fallen state living first, to become aware of all of the injustices within that consciousness world, before becoming serious enough to pursue the spiritual side next, and to work out of it, and into higher consciousness.

During this initial cycle, that person will be able to experience one side of an experience (duality living). Afterwards, they would also be able to live from that opposite experience for perspective reasons, if they allow that change in their life. During this process, other spirits are helping in some way, and can *easily be confused* as Jesus. So it is important to know who a person is actually in tune with. But for those who **previously** were at Book of Life levels, they are **brought back to their previous levels**, to continue on for further conscious growth once they recognize that initial cycle. They would of course need to ask for forgiveness and recognize Christ for that help. Those who haven't reached those levels, who are sincere at this point in their life, will be given grace baptism to progress into the infant stages of Spirit. That is what the tribulation period is meant for, **to remember those previous levels and how to either get back to them**, or start fresh, to continue their spiritual growth out of the fallen world.

"Heaven" - The highest level of physical human consciousness.....

Heaven, eternal physical life, only for those reaching Book of Life levels The "dead", don't know they are dead. Jesus "descended" into the lower parts of the earth. **HE DESCENDED INTO HELL.**" lower consciousness below Book of Life levels...

[\(Lake of Fire pdf\)](#)

Those who are not within Eternal Life currently, will need to elevate their levels in order to enter.

We will all have different challenges to work through first, and then can consciously **co create** our lives afterwards within God's guidelines, once reaching Book of Life levels.

Those deciding not to advance, will not be able to consciously evolve, and **at some point will cease having physical human lives.**

(Two different worlds mixed together during end of age)....."and those days **will be shortened**"
"Do you want to go away as well?"

To advance into these higher levels, a person must be willing to devote the necessary time and energy during their full tribulation period, similar to any other successful experience accomplished during life. This is where the meaning of "if you believe in Christ, you will receive eternal life" comes into play. If a person doesn't surrender fully and follow through their full tribulation process, then they don't really believe in Christ. They will be part of the group that He says, "But I Never Knew You." A part time effort, will of course result in a

part time outcome as well as no effort at all will yield those expected results.

The surrendering level that a person allows, will also determine how far a person can increase their consciousness while going through this process, since unless it is through full completion (perseverance), it will not deliver a person into Book of Life levels of consciousness.

But don't be naive, just because a person goes through tough times, it doesn't make it a growing tribulation period. They can continue without any focused growth at all. That is just living within the lower state world. But for those recognizing these hard times, if you're going through them anyway, why not surrender and follow the teachings, for the **full proper reward later**. Without a conscious, focused effort, a person is making a decision to remain within the lower consciousness world that they can relate to only. A person must seek to find this higher consciousness world.

"These are the ones who have come out of the great tribulation;"
A full focused tribulation.

Christ was brought in for this purpose.

So there will be **two groups** at the **end of the age**, those who can live and survive within both worlds during the **testing period** (sheep, living), or those who can only live within the fallen state world (goats, dead), even though it will become very hard to survive at that time without increasing consciousness levels from that lower state. A person will be given major challenges to see how they respond to those tests, either in a spiritual way, or by regular fallen state methods. The success of these trials will determine which world a person can live in. Those in the higher consciousness group, will usually lower their levels to those that they are interacting with, in order to **keep their conversations reasonable**. This will make it very difficult for that lower consciousness group to even be aware of those residing within the higher states of consciousness (**different achieved levels**).

"And He will *separate* the people one from another..."

The Sheep and the Goats

...All the nations (different consciousness levels) will be gathered before Him, and He will *separate the people one from another*, as a shepherd separates the sheep from the goats. He will place the *sheep on His right* and the *goats on His left*. Then the King will say to those on His right, 'Come and receive the kingdom that was prepared for you before the world was created.'

Higher Consciousness - Heaven (highest level of human consciousness)

"Then we who are alive (Book of Life levels), who are left (after last judgment dismisses all others not reaching those levels), will be caught up together with them in the clouds (5th dimension consciousness) to meet the Lord in the air, and so we will always be with the Lord."

(This separation occurs during the tribulation process... between those at *Book of Life levels* and those *who are not* at those levels.)

Must seek to find.....*surrender and follow*

During the Great Tribulation, people will be getting dismissed from their last and final judgment without receiving eternal life, and will not even be aware that it is occurring (Matthew 24:40). The Gospel is there to get people into eternal life, during physical life for those in complete surrender and following to Christ. The new earth and heavens are there for this enlightened group, to then live in also, during life, once reaching those levels. Those at Book of Life levels are able to live within both (higher and lower) worlds during the endtimes, until *permanent separation* takes place.

For those below those Book of Life levels, who can only live within the fallen state world, once they are back in the spirit (non physical) world, they will of course be aware of what has happened at that time. They then, will have to make peace with their decision *not to fully follow Christ* while they were in their body. In addition, those who only completed a *partial tribulation*, including the many people who consider themselves very religious, will also have to make peace with their decision to not seek to completion, being deceived also during their physical time on earth, *running out of the time* needed to reach eternal life.

Leviticus 25:41

"Dear friends, if we deliberately continue sinning after we have received knowledge of the truth, **there is no longer any sacrifice that will cover these sins.**" Hebrews 10:26

When a person dies, either **spiritually** during life, or at physical death, they are placed appropriately into their proper area, Heaven – Higher consciousness or Hell – lower consciousness. At physical death, all souls will return to the spiritual realm into their achieved overall spiritual consciousness level. So all souls return back where they originated from at physical death, but **during physical life, only those reaching Book of Life levels, are allowed into the state known as “Heaven”.**

Higher consciousness (Book of Life levels and above) would be in unison with God, while lower consciousness is separation from God (although this does encompass many different degrees within that state of sin, including infant stages of spirit). So many will leave physical life, at a level that is accurate (“**but I never knew you**“), but was not understood during their time on earth.

Upon physical return, if desired, they will resume from those previous levels, either in a conscious state (higher consciousness – eternal life) or an unconscious level (lower consciousness to try again). Eternal life, allows for a spiritual physical

“No one comes to the Father except through Me.”

progression within a conscious state (usually to help others in some spiritual way), as compared to the unconscious levels that only allow for materialistic and other lower consciousness experiences one life at a time.

" I will never erase their names from the **Book of Life**"

Christ, by helping people ascend their consciousness into the higher levels, allows that group to occupy an *ascended earth*, that otherwise would remain vacant of physical human life. So once a person goes through their individual ascension process, they can understand that similar cycle that occurs in all living objects (earth). This tribulation period, also allows understanding on how the two worlds can currently co-exist until permanent separation takes place.

An average person in their fallen state of consciousness is at 200

With the highest human level that can be obtained, at 1000

The average person only moves up 5 points in an entire lifetime.

However, a focused effort to move into higher states, can lead to.....

It will not be difficult to recognize those who are perishing. They will continue to break the commandments, while trying to justify their reasons in doing that. Some will choose to disregard the Gospel completely, not believing in any real spiritual affiliation. Others will choose not to go through a full tribulation, believing the false prophet that lives among them in the lower world (prosperity and easy versions only), even though Christ made it clear that many will be told, "I never knew you".

Those who have completed their full tribulation into Book of Life levels, are allowed to judge those left in their lower state of consciousness. Only God and Christ are allowed to judge those who have already obtained "Book" status. It doesn't matter if people disagree with this process, since it exists for anyone choosing to go through the cleansing process through Christ, in order to also obtain those levels if wanted. Another benefit for those completing the full process that includes eternal life (additional lives for conscious spiritual growth).

During the end times period, the same increasing energies that are allowing people to reside within the higher realms during this mixed time, will also bring to light all things trying to stay in darkness. This would include lies of all types, major injustices, and anything else that would have to be purged from a higher consciousness world. In this process, people will be receiving their last and final judgment as they take personal stands during that time, whether they are conscious of it or not. Those choosing to increase into Book of Life levels, will get to remain, as others choosing not to, will get dismissed from physical life.

As quantum physics shows, subatomic particles are waveforms in their pure state and manifest as matter only when acted upon or observed. Ultimately, everything is energy vibrating at varying frequencies to give the impression of density. Science is now catching on to what sages and seers through the ages have always known – everything is energy and the higher your energy vibrates, the better health and happiness you will have during your life. Challenges will always take place in life for helping a person increase their vibration.

The more aware we become, the faster we vibrate and the higher we go on the vibrational scale into what Christians call their "Glorified Body".

As a person increases their vibration (works on their "glorified body", they are able to observe and manifest energy differently from those in a lower vibration (lower consciousness). That is why Christ stated that a person must be born again in Spirit, in order to see the Kingdom of God. He will help those who in complete surrender show their faith.

False Teaching

Signs of the End of the Age

Jesus answered, "See to it that no one deceives you. For many will come in My name, claiming, 'I am in Christ,' **and will deceive many**" (keeping them **below** Book of Life levels and **out** of the **Kingdom**). Belief in Christ means completing the tribulation process for salvation. End times will dismiss those looking for the easy (and prosperous) false Gospel only.

*They have never reached Book of Life levels, so cannot teach how to **get there...still living within world with the false prophet.***

"Blessed is the man who has **suffered** and found life." Prosperity will come properly, after Book of Life levels have been reached.

"What sorrow awaits you teachers of religious law and you Pharisees. Hypocrites! For you shut the door of the Kingdom of Heaven in people's faces. You won't go in yourselves, and you don't let others enter either." Matthew 23:13 (They teach confidently, yet they have never entered the Kingdom themselves, while continuing to take money for this false worshiping.)

They, still like all others, have until their last lifetime before the end of the age, to try to get to Book of Life levels of 550 plus. They will then be entering through the front door, through Christ, instead of remaining at **their current levels** of between 300 to 450, that keep them within the lower consciousness world.

like 17:21 **THE KINGDOM IN OUR MIDST**

NOR WILL THEY SAY, 'LOOK, HERE IT IS!' OR 'THERE IT IS!' FOR, IN FACT, THE KINGDOM OF GOD IS AMONG YOU"

Little do they realize, that they are still degrees within the sin category away from Book of Life levels, very similar to the same degrees that murderers are below church worshiping people. People entering through other means, prosperity and easy teachings, are no different. The common denominator, is that all of these different categories are below Book of Life, and outside of eternal life. Yet, they remain set in their current ways and beliefs, doomed to perish.

But for those who have taken the tribulation time out, including the necessary family separations around free will, ...they will receive the [added generational benefits](#) instead of the curse (many more life challenges to get through) for those never reaching Book of Life levels.

And Jesus said to them, “The sons of this age marry and are given in marriage, **but those who are considered worthy to attain to that age (the renewal period) and to the resurrection from the dead neither marry nor are given in marriage** (for those in marriage, they will be given opportunities for their marriage to end, and to see what level of faith they have at that point for continuation), **for they cannot die anymore (eternal life)** because they are equal to angels and are sons of God, **being sons of the resurrection (higher consciousness levels).**”

(Luke 20:34-36)

Future relationships will be entered, depending on the need for that period of time that they will exist for. When that period ends, all parties will then just move forward depending on what is needed afterwards, to continue in their growth.

Now there will be nobody on earth who can deny Christ (all that are left and haven't been dismissed from their challenges and tests, have completed their full tribulation, and are at Book of Life levels (550+) or above (higher 4th and 5th **dimension physical reality**) living within the new earth). Now it will be clear that He is Christ, the Lord and Savior of the earth. There will be **no more doubt**, no more mystery, **no more lies** (for those who have surrendered completely and finished their tribulation period by the end of the age). The truth will radiate over the whole earth and everyone will come to worship Him. (Zechariah 14:16)

**(the challenge will be understanding how to
surrender correctly.....this takes time)**

"But be doers of the word and not hearers only, deceiving yourselves."

James 1:22

(those wanting to
get into "Heaven",

must increase their levels out of their fallen state of consciousness)

“for many will try to enter but will fail” Luke 13:24

..... and many more won't even try **at all!!**

Staying **unconscious** during this life.....

and after final judgment....for **their eternity!**

(Some will have **one last opportunity** at the end of the Millennium to complete their tribulation into the proper levels, but they would already have to be really close to those levels or will not get that last chance. Better to complete it during current life once informed, and not roll the dice for their eternity)

Book of Revelation is meant for those reaching Book of Life levels for understanding. A person's spiritual consciousness levels have increased through their tribulation period, allowing them to "see" at these levels of consciousness now. [click on picture for animation](#)

Because, “none of **them** (those who **never** reached Book of Life levels) **will understand**”

Daniel 12:10

(levels below 550 are considered 3rd dimension reality – the 550 level being in a state of purgatory while still within slight darkness – 700+ places a person into full enlightenment levels with understanding and clarity – **Heaven** – 5th dimension reality)

Worlds mixed together only until last and final judgment takes place...

“Where I go, you know, and you know **the way.**”

And as I continue through my tribulation period, You give me the strength to finish.....I know You are with me....Thank You for cleansing me through Your process, and giving me eternal life!

Everyone who is spiritually far enough along to recognize the Gospel, will be given the opportunity to increase their energy levels into higher consciousness before the end of the age concludes.....

"Then, together with them (those out of body – 5th dimension spirits helping guide us (angels)), we who are still alive and remain on the earth (Book of Life levels) will be caught up in the clouds (higher consciousness) to meet the Lord in the air. Then we will be with the Lord forever."

1 Thessalonians 4:17

Unfortunately, not everyone will take the corrective action that is needed in order to make the adjustments in Kingdom.

"and none of them (those who haven't entered), will understand."

The Christian Experience as promised through the Bible

(for those sincere, and following all the rules and requirements) (then you can **co-create** – freedom)

"For if anyone thinks he is something (saved), when he is nothing, (still in his fallen state)

he is only fooling himself."
Galatians 6:3

"He who overcomes, shall not be hurt by the second death."

“This is the second death, the lake of fire (lower consciousness). **And if anyone’s name was not found written in the Book of Life, he was thrown into the lake of fire (hell).**” Revelation 20:15

So why do you keep calling me, “Lord Lord...?”

You are either living in your **own created world**, or in someone else’s.....it’s your choice!

(If in someone else’s created experience, job related, or in a formal marriage, or other relationship, a person must accept all of the repercussions around any associated karma associated with it. No one escapes related karma and the necessary re-balancing (cleansing) around it. It will have to be payed back at some point, or a person cannot move forward. It has nothing to do with the positive part, but is all about the negative parts that also have to re-balance (either consciously during this lifetime, or in an unconscious state next time). The understanding of duality vs unity consciousness and what eternal life actually means. This is why those wanting to experience within the highest levels of consciousness, must separate from those who do not really have that same desire. That larger group that is happy staying within the lower levels of consciousness, with others who are also just like them, unwilling to cleanse properly through a period of suffering.)

“Therefore, come out from among **them** and be separate, says the Lord; do not touch any unclean thing, and I will welcome you.” 2 Corinthians 6:17

...The LORD is on my side; He is my helper. Therefore I will look in triumph on those who hate me. It is better to take refuge in the LORD than to trust in man. It is better to take refuge in the LORD than to trust in princes.... Psalm 118:8

“Come out of her (those still in the lower consciousness world), my people, so that you will not share in her sins or contract any of her **plagues** (share in their **karma**).”

Everyone must decide which world they want to live in....lower or **higher** consciousness)

Washing and purifying through tribulation!! Partial tribulation is leaning more towards the world, while a full completed tribulation shows faith in Jesus and eternal life.

“But they will have to answer to God, who judges the living (through Christ) and the dead (those who are in body, and at **Book of Life levels are allowed to judge the “dead”** also.)”

Jesus said to them, “Truly I tell you, at the renewal of all things, when the Son of Man sits on his glorious throne, **you who have followed me** (completed their tribulation) **will also sit** on twelve thrones, **judging** the twelve tribes of Israel (**those still in lower consciousness – the dead**). Matthew 19:28

"The righteous and wicked are to remain in the earth together. **The righteous are not to exterminate the wicked**" (Let them remain in **their** lower consciousness **world**, since upon permanent separation, they will be *gone* soon enough anyway. For many, this will be their last physical lifetime allowed within the human cycle. They are just being allowed to physically live during end times, for their final opportunity to advance into eternal life.)

"And Your people who have their names written in The Book will be protected." Daniel 12:1

(A person reaching these levels, realizes that regardless of how they leave the earth, they will always be able to return when they want, for further conscious growth (**eternal life**). Unlike those, who have never reached Book of Life levels - **the dead**.)
(There are also certain protections and blessings given to those during physical life, who are at Book of Life levels.)

What good is it, dear brothers and sisters, if you say you have faith but don't show it by your actions? Can that kind of faith save anyone?

James 2:14

"And he will send out his angels to gather His elect from all over the world—from the farthest ends of the earth and heaven." (the 144,000)

If a person wants to pursue salvation and the ascension process, then they must pray and ask for that experience. Then they must surrender and follow through that full period of tribulation.

(scale)

"I will never erase their names from the Book of Life, but I will announce before my Father and his angels that they are mine." Rev 3:5
 (They will return when they want for further conscious growth---- eternal physical lives) Unlike the dead. Those remaining in lower consciousness.

"For if anyone thinks he is something (saved), when he is nothing, (still in his fallen state)

he is only fooling himself." Galatians 6:3

The New Jerusalem

...And into the city will be brought the glory and honor of the nations (all the different consciousness levels from all the different spiritual families found on earth). But nothing unclean will ever enter it, nor anyone who practices an abomination or a lie, but only those whose names are written in the Lamb's book of life. If a person hasn't entered during their physical life, then they would need to make changes to their life if they want to be admitted. Many others have already reached these levels, and are just waiting for permanent separation to occur. So once a person is informed, they should not wait any longer to go through tribulation.

His disciples said to him,

"When will the resurrection of the dead come about, and when will the new world come?"

He said to them, "What you look forward to has already come,

.... but you do not recognize it."

New Spiritual Family

"They do not belong to this world any more than I do." John 17:16

(Resurrection from 3rd dimension consciousness into 5th dimension Christ Consciousness. Full Focused Tribulation through Jesus)

"If anyone hears my words but does not keep them, I do not judge that person. For I did not come to judge the world, but to save the world." John 12:47

(at least those who decide to increase their resonance to match that needed for continuation into the new age...)

A person at Book of Life levels, is living life within a unity consciousness state (one with God - living by grace). Those still in their fallen state are living in duality consciousness. A physical body is meant to increase a soul's consciousness levels during life, if that experience is pursued. Most people just get stuck in their "unawakened state" never really making any spiritual progress during life. Christ will help a person by guiding their life towards spiritual ascension, if they surrender into it. They must follow fully to completion though, or they will come up short of the goal. Once completed, they continue in spiritual growth outside of old unconscious ways of living life. That is why a person is reborn into this second phase of life.

Must be reborn in Spirit

Of the early Church Fathers, Origen says that "He who comes to be saved, comes to be saved through [a] fire" that burns away sins and worldliness like lead, leaving behind only pure gold. St. Ambrose of Milan speaks of a kind of "baptism of fire" which is located at the entrance to Heaven, and through which all must pass, at the end of the world (age).

Will a person have enough faith in their tribulation period to give up everything they own, knowing that upon completion through faith, they will receive once again what is needed?

God will never leave you empty. He will replace everything you lost. If He asks you to put something down, it's because He wants you to pick up something greater.

This level is associated with the experience designated by such terms as transcendence, Self-Realization, and Christ consciousness. It is extremely rare. Only 1 in 10,000,000 attain this at any given time. It is quite common that individuals at this level remove themselves from society, as the state of bliss that ensues precludes ordinary activity. Formal religion is commonly transcended and replaced by pure spirituality, from which religions originated for these individuals. Bliss intervenes at this level and worldly activities stop, sometimes permanently. This level is also noted for the crossing over from the perceptual world of duality, to the perceptual world of Nonduality. Beyond this level, previous lives are easily remembered as well as the circumstances and significance of each life. One individual at this level counterbalances 10,000,000 below the level of 200. Perception at this level is reported as sometimes occurring in seemingly slow motion, suspended in time and space. Nothing is stationary and all is alive and radiant. Although this world is the same one that is seen by others, it has become continuously fluid, evolving in an exquisitely coordinated evolutionary dance in which significance and source are overwhelming. There is an infinite silence in the mind, which has stopped conceptualizing. Enlightenment is reached at levels 600 and higher.

This is the minimum level achieved by those completing their full tribulation. ("Heaven")

As end times continues, it will be real easy to identify individuals and their individual consciousness levels by their actions and speech. There will be people making it harder for those in complete surrender from completing that goal of spiritual ascension. They will be **held back** in lower consciousness because of those actions against people wanting to advance and will be **left behind**. They will try to rationalize their behaviour, but it's utilizing a lower form of consciousness, which is easily identified by those at higher levels.

Jesus said to them, "Truly I tell you, at the renewal of all things, when the Son of Man sits on his glorious throne, **you who have followed me** (completed their tribulation by having faith in Christ) will also sit on twelve thrones, **judging** the twelve tribes of Israel (**those still at their lower consciousness levels**)". A human has many parts that contribute to our overall experience, making each of us unique to others because of our different experiences after birth. All of these bodies need to be balanced for a full and whole experience in God's image to take place. As quantum physics shows, subatomic particles are waveforms in their pure state and manifest as matter only when acted upon or observed. Ultimately, everything is energy vibrating at varying frequencies to give the impression of density. Science is now catching on to what sages and seers through the ages have always known – everything is energy and the higher your energy vibrates, the better health and happiness you will have during your life. Challenges will always take place in life for helping a person increase their vibration.

As a person increases their vibration (works on their "glorified body"), they are able to observe and [manifest energy differently](#) from those in a lower vibration (lower consciousness). That is why Christ stated that a person must be [born again in Spirit](#), in order to see the Kingdom of God. He will help those who in complete surrender show their faith. To reach Book of Life levels and eternal life, a person will need to complete their full tribulation, and not just a [partial tribulation only](#). But for those who **previously** were at Book of Life levels, **they are brought back to their previous levels**, to continue on for further conscious growth once they recognize that initial cycle. They would of course need to ask for forgiveness and recognize Christ for that help. Those who haven't reached those levels, who are sincere at this point in their life, will be given grace baptism to progress into the infant stages of Spirit. That is what the tribulation period is meant for, **to remember those previous levels and how to either get back to them**, or start fresh, to continue their spiritual growth out of the fallen world.

The reality is that there are two processes of creation that are affecting planet earth. One is unconscious co-creation, which is what science calls the process of evolution. This is the process whereby human beings co-create without understanding what they are doing. Thus, they do not realize that they have created the imperfect conditions in this world and that such conditions are simply visible manifestations of what is going on in their own subconscious and unconscious minds. They either think everything on earth was created by God or that it appeared as a result of an evolutionary process guided by chance.

The other process is conscious co-creation, where people *attain a degree of Christ consciousness that allows them to consciously create within the framework of God's laws and God's vision*. The challenge in this age is that the spiritual people on earth need to move away from unconscious and *into conscious co-creation*.

But the Kingdom is within you (*multiple levels of consciousness*), and it is outside of you (*duality*). When you know yourselves, then shall you be known, and you shall know that you are the sons of the living Father. But if ye do not know yourselves, then you are in poverty (*lower levels of consciousness*), and you are poverty (*unconscious*).

Gospel of St. Thomas

A full focused tribulation will guide a person through this process.

A person must be able to co- create on their own to manifest what they want in their life. Otherwise, they are living in other people's co-creation and dreams and karma. This is a part of the trial and error that takes time to absorb during a person's tribulation period. To live in the new earth, this way of living, must be perfected to continue forward. Some will co- create in multiple ways and multiple streams.

Co- creating outside of Grace, is still living within old earth rules.

Good works do not make us acceptable to God. In other words, a person can live to a high moral standard, give money to feed the poor, go to church, and serve their neighbors while remaining in lower consciousness (3rd dimension) outside of Jesus and without entry into His Kingdom. They are just at the upper ranges of that dimension, purgatory. Those surprised after end times by being left behind in lower consciousness after final judgment is dispensed without gaining spiritual resurrection by raising the level of their light body (spiritual or glorified body or in scientific terms - their personal quantum field).

A major natural law, is that a person must ask for help or seek towards it in order to start receiving it.....usually by some sort of prayer. A powerful prayer is to ask for the greatest good for yourself and all others around you for a meaningful experience to be given, if a person is willing to surrender into all aspects of it. **Eternal life is given for those at Book of Life levels (5th dimension consciousness).**

"Dimensions" are a means of organizing different planes of existence according to their vibratory rate. Each dimension has certain sets of laws and principles that are specific to the frequency of that dimension.

Multidimensional Consciousness

"Consciousness" represents awareness. The inhabitants of each dimension function clearly, easily, and with a minimum of resistance within that plane because their consciousness vibrates in resonance with the frequency of that dimension.

"Consciousness" is the ability to be "conscious" of more than one dimension. To be multidimensional in our consciousness we must remember that we have within us the potential to expand our perceptual awareness to the dimensions above and below our physical plane.

A person when in complete surrender and following, will manifest their goal in God's way and timing. It will almost always occur differently than what was originally expected. If following Jesus, then He will first take you through your tribulation into Book of Life levels, and then bring your new life within the new earth's guidelines. Those outside of Christ's teachings, will force an outcome and will have help from [other spirits](#) without realizing it, although still manifesting it but within their fallen state levels only. Each person will need to understand this correct surrendering process to get into the Millennium. Otherwise, challenges will continue until they are dismissed prior to final separation since proper guidelines are not being entered for salvation and entry into the Kingdom. This might mean many changes might need to take place until the proper reality is revealed and brought into a person's life. "But nothing unclean will ever enter it (Heaven)" Rev 21:27

[Must Separate](#) [False Teaching](#) [2 Groups at end of age](#) [Blessed Children](#)

For a person to reach the Kingdom of God, they must follow into the higher teachings of Christ. This means separating and allowing others within the family unit to continue in their own beliefs until they are ready to go through the process on their own. Full surrender is needed, while following Christ, in order to have spiritual resurrection into Book of Life levels. If a person hasn't entered into Heaven during physical life, then they are still in their fallen state, doomed to perish. There are many calling themselves "Christians", who have not met the requirements for entry. Make a good example for others in your family unit, by showing them the way, instead of keeping everyone stuck within the lower consciousness world only. Families reunite when everyone reaches "Heaven" - higher consciousness, and are in their glorified bodies (body and spirit made whole).

"Then I saw a new heaven and a new earth, for the first heaven and earth had passed away, and the sea was no more. I saw the holy city, the new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband...."

5th Dimension Christ Consciousness

Separation after Final Judgment

The old earth will then only inhabit those who decided to stay within their lower fallen state consciousness resonance, regardless of all the different levels within it. It will start its descent to lower levels due to the wars and negativity of greater magnitude within it. Many souls who decided not to transform into higher consciousness through a full tribulation, and were at the highest levels of lower consciousness, will stop having physical lives since they missed their opportunity to move forward at the end of the age.

Those in higher consciousness, and in the new earth, will continue working on their goals within the peaceful world that was prophesied and has come to fruition. They will be in their physical bodies with others who joined them, by increasing their consciousness before the separation occurred.

Micah 7:6
For son treats father contemptuously, Daughter rises up against her mother, Daughter-in-law against her mother-in-law; A man's enemies are the men of his own household.

Matthew 24:10
And at that time, many will fall away and will deliver up one another and hate one another.

Matthew 10:35
For I have come to turn 'A man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law.

There will be those within the family unit that will try to keep everyone the same, being fearful of change. **They are only keeping loved ones stuck**, by not allowing consciousness growth to occur.

A **sincere disciple** will need to leave the group when that happens.

HOUSE DIVIDED
LUKE 12:49-53

This includes leaving behind friends ... Who are not actual believers also. "However, only those who are written in the Book of Life can enter and stay in this place (Heaven)." Rev 21:27

From now on, five in one household will be divided, three against two and two against three. They will be divided, father against son and son against father, mother against daughter and daughter against mother, mother-in-law against daughter-in-law and daughter-in-law against mother-in-law."

Luke 12:53
"Don't think that I came to bring peace to earth. I didn't come to bring peace but conflict."

"But be doers of the word, and not hearers only, deceiving yourselves." James 1:22

Everyone in the family unit will go through their personal tribulation, when they are ready and sincere for their individual try at completing the process. So of course, this will occur at different times in life for each family member. Unless a person is ready, they will not receive baptism by grace in order to proceed. Therefore, others will not understand why people are surrendering and leaving the family unit, since there will be major consciousness differences between the household during these moments. Those still in lower consciousness, who still have experiences related to that realm that they want to accomplish, will need to finish them in order to move on. Others will be too fearful to leave their personal belief structure, and will not surrender and fully follow Christ, making many excuses instead.

The family will therefore be divided, and will need separation, or will end up staying the same. They will miss their opportunity during this lifetime to move into the Christ realm when that opportunity was presented to them.

Jesus answered him, "Truly, truly, I say to you, unless one is born again, he cannot see the kingdom of God." Nicodemus said to him, "How can a man be born when he is old? Can he enter a second time into his mother's womb and be born?" Jesus answered, "Truly, truly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God. That which is born of the flesh is flesh, and that which is born of the Spirit is spirit (quantum shift/resurrection after a full tribulation).

Nicodemus said to him, "How can these things be?" Jesus answered him, "Are you the teacher of Israel and yet you do not understand these things? Truly, truly, I say to you, we speak of what we know, and bear witness to what we have seen, but you do not receive our testimony. If I have told you earthly things (lower consciousness) and you do not believe, how can you believe if I tell you heavenly things (higher consciousness)?

Many people will start the process of rebirth, but will think that it alone saves them, never realizing that they are at infant levels only. Just like a college freshman that stops after a class or two and thinks that they have a college degree. Isaiah 52:1

Awake, awake, Clothe yourself in your strength, O Zion; Clothe yourself in your beautiful garments, O Jerusalem, the holy city; For the uncircumcised and the unclean Will no longer come into you.

Minimum requirements - A completed full focused tribulation

'Friend, he asked, 'how did you get in here without wedding clothes (completing their full tribulation)?' But the man was speechless. "Many will be purified, cleansed, and refined by these trials. But the wicked will continue in their wickedness, and none of them will understand. Only those who are wise will know what it means."

Entering is done during physical life.....which world do you live in? Keep seeking if you sincerely want entry and understanding. You will know if you are in the new earth or not, mainly by the quantum change that will take place if a person doesn't give up and surrenders fully into the process.

If any man be in Christ, he is a new creature; old things are passed away; behold..... all things are become new

2 Corinthians 5:17

Romans 6:4

Therefore we have been buried with Him through baptism into death (died to old way of life), so that as Christ was raised from the dead through the glory of the Father, so we too might walk in newness of life.

Romans 7:6

But now we have been released from the Law, having died to that by which we were bound, so that we serve in newness of the Spirit and not in oldness of the letter.

"For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast." Ephesians 2:8-9 This verse is being gravely mistaken to meaning that individuals only need to state verbally that they believe in Christ, and they are saved. The reality of *this* verse, is that a person demonstrates their faith in Jesus, by **completing** a full tribulation. Asking for forgiveness, and being led into the process by grace baptism is only the start of the process, similar to Kindergarten only being the start to a formal education. This full process leads a person through the change that is needed to progress out of the lower fallen state world. So just like those still in elementary school have not graduated with a college degree, it is also the same for those who don't complete their full tribulation. They will not reach "heaven" and also will not be in union with Christ. He will state to many lower consciousness worshipping people who call themselves christians, "I never knew you!"

[Eternal Life pdf](#)

[New Life powerpoint link](#)

What to be expected from those who only went through a previous partial tribulation only.....

"and who then turn away from God. It is impossible to bring such people back to repentance; by rejecting the Son of God (only accepting a partial tribulation), they themselves are nailing Him to the cross once again and holding Him up to public shame" Hebrews 6:6

They were never converted, yet still call themselves "Christians"

This group should strive to make it into the 4th dimension unity part of higher consciousness. They missed their opportunity to reach the celestial degree of glory, but still have the opportunity to move forward by at least reaching the terrestrial degree to continue working after end times completes. They will not have "eyes" to see what those in the 5th dimension consciousness will see, but will at least be able to continue on in the new age.

Many "Christians" currently fall into the duality part of 4th dimension consciousness. But since they believe they might be raised after their physical life, they are not trying to move forward. They are in the part of the world that is considered purgatory. They should keep seeking to be able to continue on in the new age in the peaceful new earth, instead of defaulting with the old earth as they currently are.

They will have to make adjustments to their life in order to do this, or they will remain the same, knocking on a closed door after final judgment asking then to be let in. And He will respond, "But I never knew you!"

(degrees)

Actual Christians at Book of Life levels, know exactly what eternal life is.

Those still in lower consciousness calling themselves Christians, misnomer true believers.

"Dear friends, if we deliberately continue sinning after we have received knowledge of the truth, there is no longer any sacrifice that will cover these sins."

Hebrews 10:26

"If indeed they have escaped the corruption of the world through their knowledge of the Lord and Savior Jesus Christ, only to be entangled and overcome by it again, their final condition is worse than it was at first. It would have been better for them not to have known the way of righteousness, than to have known it and then to turn their backs on the sacred command that was passed on to them."

2 Peter 2:21-22

People can only believe and manifest at their current level of consciousness that they have achieved..... they can disagree all they want, but if they haven't been admitted into "heaven" during life, then they should reflect on why that has not happened.

This is not anything new, except that in the past it was experienced by those reaching enlightenment. They just moved forward and left others to fend for themselves, expecting those who really cared enough to pursue this, would do so whenever they became sincere enough to actually do it.

And he will answer, "I tell you the truth, when you refused to help the least of these my brothers and sisters, you were refusing to help me."

Matthew 25:45

** This also includes those who remain at some of the lowest levels of consciousness and make fun of others who are in different states of seeking. Their mockery of those who are progressing, will keep them within the Hell consciousness where they belong for their eternity.

A true Christian will recognize another brother/sister going through their tribulation (walk with Christ). They would not put barriers up to make it even more difficult for the given task to be accomplished. Their actions will show who/what they really are.

A person might be in their focused tribulation walk with Jesus, and others might not be aware of it since it is a very personal period of life. If others are making general policies and rules for everyone, then this subset group would be included within items being withheld to them that might be necessary for that period of surrender for their consciousness change. The people making the changes will then be judged accordingly for their individual entry into "Heaven", whether they believe they are doing it for the overall good or not. They should therefore not be surprised during end times, if they are not permitted into the Christ realm with Jesus, due to their judgment of others while also making it even more difficult for those trying to complete their full tribulation.

This group needs to understand that in a higher consciousness world, many of these positions will no longer be needed anymore. Time for them to find their "New Life" through Christ.

False - pretended, impostor

You must “test the spirits”, to find those who are from God

Many will be fooled into believing they are following Christ, when in reality, they have never even come close to ascending out of their fallen state of consciousness.

A person in complete surrendering and following, will be shown many different levels of consciousness during that period. Without completing the full process, they will therefore end up stopping at levels with others who also stopped at those same points. They must get to enlightened levels high enough for recognition of salvation, or will stop short of eternal life and the entering into the Kingdom. Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The shadows are the prisoners' reality. The inmates of this place do not even desire to leave their prison; for they know no better life.

Once souls fell into the lower levels of consciousness, they became enamored of it and burned with the desire to experience the pleasures of matter (*everyday life*). The souls then no longer wanted to disengage itself from these lower levels (to go through their tribulation to increase their consciousness and become awakened). (They stayed asleep in lower consciousness realms.) Thus the world was born. From that moment souls forgot themselves. They forgot their original habitation, their true center and eternal being. (This is still true today as during the earlier times – but with knowledge a person can remember how to increase consciousness and live physically and spiritually in a transformed (*resurrected*) body as Christ stated, as opposed to just the *natural* body as each of us started with and most remain in even today.)

You have your own unique path to follow in the Universe, and you are free to follow that path as long as you don't stop another person from doing the same.

The reason why Jesus didn't answer the Pharisees question as to, what was the truth? Knew that they were not in a place to receive the knowledge He could give those who were open to receiving it.

In other words, as long as your reality-creating does not stop or inhibit another person from his reality-creating, you are not in danger of violating that person's right to exist. By inhibiting another person from his unique path, you yourself will be blocked from your unique path. Your path will be that much longer and harder until such time as you nullify the original transgression.

"Your reality-creating must adhere to the laws of the Universe." This universal law applies to families and their children without exception and includes friends that a person may try to inform with loving intention although it might not be that person's time for this knowledge to occur (which will keep a person from enjoying their desired path until reversed).

We leave families for the sake of the Kingdom (Luke 18:29)

But people who aren't spiritual can't receive these truths from God's Spirit. It all sounds foolish to them and they can't understand it, for only those who are spiritual can understand what the Spirit means.

Those who are in Christ, will be willing to give up everything in order to gain their Life once again.

They know that once Book of Life levels are achieved, their abundance will be restored within the proper guidelines and into the Millennium.

Of course, it is easier to gain spiritual resurrection and then gain abundance, than it is to have the proper faith to give up that idol for those who obtained it prior to Life.

In an ascending earth, a person that has an individual consciousness level of 250, will start running into reality problems when the new earth's minimum levels for occupancy reach those levels and start moving through them. So a person would need to increase their personal levels in order to remain and live in the new earth. The new earth is moving towards a minimum level of 550 for manifestation of the peaceful world described in Biblical prophecy. Those who have reached the Book of Life, will then be the only ones able to continue within that world.

A Call to Maturity

Therefore let us leave the elementary teachings about Christ and go on to maturity, not laying again the foundation of repentance from dead works, and of faith in God, instruction about baptisms, the laying on of hands, the resurrection of the dead, and eternal judgment. And this we will do, if God permits.

Finish what you start!

It is impossible for those who have once been enlightened, who have tasted the heavenly gift, who have shared in the Holy Spirit, who have tasted the goodness of the word of God and the powers of the coming age— and then have fallen away—to be restored again to repentance, because they themselves are crucifying the Son of God all over again and subjecting Him to open shame. **(only a partial tribulation)**

Never converted nor saved, yet still calling themselves Christians

We want each of you to show the same diligence to the very end, so that your hope may be fully assured. Then you will not be sluggish, but will imitate those who through faith and patience inherit what has been promised.

Hebrews 6:1

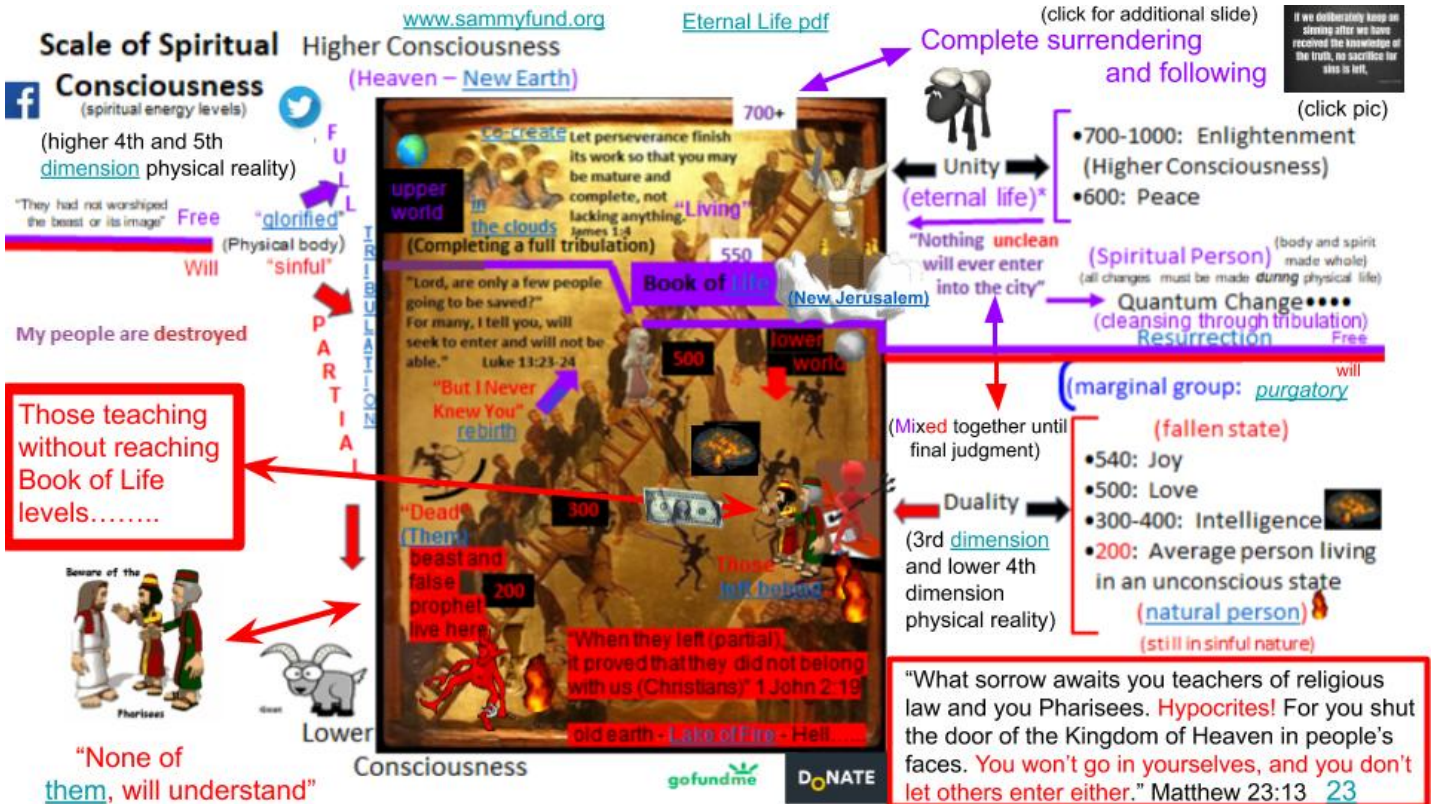

Leave behind all of those who never completed their tribulation into Book of Life levels. Once a person reaches this level of consciousness, it is easy to see all of those who only think they are righteous. A person is only wasting their time on those not willing to go through the process of spiritual resurrection. A person must **individually** make this choice by **their free will and sincerity** in finishing the process.

"I will turn against them and **no longer let them belong to my people** (including those calling themselves teachers). They will not be allowed to call themselves Christians or even to set foot in **New Jerusalem** (Heaven). Then they will realize that I am the LORD God." Ezekiel 13:9

A person cannot be dragged into higher consciousness. They must do so willingly. There will also be many souls within that realm that a person can access for their insights and experiences while asking for help. So many people assume that when receiving some gift into their life, that it was Jesus. This will be the case if a person has surrendered and is following in their tribulation, but if not, they can actually be accessing another entity without knowing it. There will be many who never made it into the Kingdom, but believe that Jesus is leading them, and will be surprised at final judgment when he says "I never knew you".

Matthew 25:12, I Do Not Know You
 • Matthew 25:12 "But he answered, 'Truly I say to you, I do not know you!'"
 • Matthew 7:23 "And then I will declare to them, 'I never knew you; DEPART FROM ME, YOU WHO PRACTICE LAWLESSNESS!'"
 • "I never knew you" not "I know you, but I forgot you!"

Christ Consciousness Spirit vs many others

Many will stay asleep in lower consciousness throughout their lifetime and miss all opportunities to progress into the Christ realm.....

And there will be many others who lead people down a path convincing them it is the Christian way, and will keep those putting their faith in them out of the Kingdom also. That is another reason to complete a full tribulation. It will lead a person through all of these different places that people have stopped at in their search, and then started preaching, who continue to mislead many people wanting to move forward.

Surrender to Christ and go through your personal tribulation period fully, and allow Christ to personally show you the truth. Allow these others to be left behind, since there is really no good reason to join in with them and also stop, without completing a full tribulation.

Many ramifications as to whether this is before conversion or after. God's will or your will. If before conversion into higher consciousness, then it will be that much harder to make the needed change into higher consciousness and into the higher realms.

If after conversion, then there will be a reason for the benefit. Is it to help others, or to increase wealth only, for ease of life?

"By their fruit you will recognize them."
"Therefore go out from their midst, and be separate from them"

Unless a person gives up everything they possess, then they are never really in a position to truly follow. A person who is in their surrendering process, will have wealth leave them during regular life automatically to show different lessons if allowed. (click for next slide)

Many will not pass the major tests of faith, remaining at or close to their current levels of consciousness.

A person will always be forgiven and allowed to start the process of salvation from the lower world into the higher realms when asking Jesus with sincerity. But don't expect Him to continue with your walk unless you follow His lead.

Usually people drop out once the surrendering process gets serious and major adjustments are needed to continue. A person without enough faith, then uses their free will to drop out (only a partial walk with Christ - house built on sand). Other spirits will take over at that point even though most people are not spiritually aware of it.

When that happens, don't be surprised if asking Jesus why you didn't make it into "Heaven" at final judgment, and He states, "but I never knew you".

 **GOD'S
SIMPLE
PLAN OF
SALVATION**

The final chapters of Revelation give hope to Christians facing persecution from outside the Church and from factions within the Church that were dissenting from actual beliefs. Revelation 17–22 also describes the crescendo of final earthly events fulfilling Christ’s plan for the redemption of His children. John heard heavenly servants rejoice in praise for the salvation made possible through the Lamb’s triumph over evil. John saw the fall of wicked Babylon contrasted with the glories of the Second Coming and the blessings of exaltation for all those who follow God’s commands. John further saw that the righteous inhabitants of the earth and those who will come forth in the First Resurrection who will enjoy a thousand years of millennial peace with Christ. The earth will then receive celestial glory and become the eternal home for all righteous Saints. Many older saints will be returning during end times to help in the process into this Millennium.

If a person doesn't understand what 5th dimension physical reality is, then they cannot and are not living within the Christ realm. They have either followed false teachings, or none at all.

They never persevered long enough to obtain salvation, and are in jeopardy of perishing to their opportunity to reach eternal life (lives) for continued spiritual growth. They can only live within the 3rd dimension physical reality of lower consciousness. So during end times, there are those living within the requirements of both worlds, or are only able to live within the lower world only. They might be in the upper ranges of the lower world, but those good works only will not get a person into Heaven.... . must seek to find by free will, if they want to continue. In the start of a new age, changes will be forcibly made. Those not able to adjust, will be dismissed, as well as others who are not able to understand how these changes can actually occur. Higher Consciousness Realms
Consists of the higher 4th and the 5th dimension levels of unity consciousness.

Lower Consciousness Realms
Consists of the 3rd and the lower levels of 4th dimension duality consciousness.

Those in a state of **purgatory** will have one last opportunity at the end of the millennium to make it into the Christ realm and join others already there. One way or another, they would still need to complete a full tribulation to get there.

Many at the higher levels of lower consciousness after the split, will choose to stop having physical lives for obvious reasons to them at that time. They will no longer share lives with the higher consciousness souls anymore. Those higher energies helped keep some balance in the world previously, that will no longer be present once they have moved on.

They have given in to the false belief structure found in lower consciousness and are "dead" (to Christ) although they believe otherwise.

All will need to go through a **full focused tribulation walk with Christ**, to find "Heaven" higher consciousness, and proceed before final judgment puts an end to the opportunity that does that.

They pray and understand the basic levels of Spirit, but need further increased levels of consciousness to get to the Millenium. 550 should grant them access to the New Earth and continued life either through the 1000 year peaceful period, or to finish up afterwards when many other lower consciousness people won't be there anymore to keep them down.

Most grow very weary at some point, but they need to persevere at least until reaching Book of Life levels for all the assurances given to those that do. This weariness is from living at these hard to maintain poverty levels which the soul wants to help others with, while the body wants to leave and get away from. This is why, “It is easier for a camel to go through the eye of a needle than for someone who is rich to enter the kingdom of God.” Rich people tend to give lip service towards helping others, but without actual cleansing by living from that other side, for a period of time, will not truly understand that experience and cycle of poverty, and the actual way to end it. And without surrendering to those levels [as Christ explained](#) for Discipleship (“In the same way, those of you who do not give up everything you have cannot be my disciples. Luke 14:33), will not have their consciousness raised out of the fallen state levels, keeping them within their sinful nature. There are [Bible verses for these people](#). And don’t be negatively swayed by those that you might see having a very difficult time during their tribulation, they might have gone well past the minimum levels of around 600, and decided to continue to much higher levels of 700 plus, which would require more suffering during that extended period. All of these are individual free will choices. The goal is Book of Life levels and above, everything else is just for personal assurances and ambitions only. This group is already in Heaven, and are only working on [other personal goals](#) within it. For those who try to fool others into believing they have reached the proper levels and have not, they are only fooling themselves since they will not enter into the Christ realm, [probably making this their last lifetime anyway](#). Those who have entered, are not fooled by these individuals, and know [they will not continue](#) into the new earth, so will just dismiss their actions regardless.

But once we become tired of that script, we are always given the option of leaving that world and finding the next one, that makes us comfortable again. Let others live in their own creation and mess that they have created.

(Hawkins scale of consciousness)

- 200: Average person living in an unconscious state (fallen state)
- 350: Intellect

- 600+: Peace

Nothing evil will be allowed to enter, nor anyone who practices shameful idolatry and dishonesty—but only those whose names are written in the Lamb's Book of Life (those completing their full tribulation). Revelation 21:27

This level is associated with the experience designated by such terms as transcendence, Self-Realization, and Christ consciousness. It is extremely rare. Only 1 in 10,000,000 attain this at any given time. It is quite common that individuals at this level remove themselves from society, as the state of bliss that ensues precludes ordinary activity.

Formal religion is commonly transcended and replaced by pure spirituality, from which religions originated for these individuals. Bliss intervenes at this level and worldly activities stop, sometimes permanently. This level is also noted for the crossing over from the perceptual world of duality, to the perceptual world of Nonduality.

Beyond this level, previous lives are easily remembered as well as the circumstances and significance of each life. One individual at this level counterbalances 10,000,000 below the level of 200. Perception at this level is reported as sometimes occurring in seemingly slow motion, suspended in time and space. Nothing is stationary and all is alive and radiant. Although this world is the same one that is seen by others, it has become continuously fluid, evolving in an exquisitely coordinated evolutionary dance in which significance and source are overwhelming. There is an infinite silence in the mind, which has stopped conceptualizing. Enlightenment is reached at levels 600 and higher.

This is the minimum level achieved by those completing their full tribulation. ("Heaven")

"If you want to be my disciple, you must, by comparison, hate everyone else—your father and mother, wife and children, brothers and sisters—yes, even your own life. Otherwise, you cannot be my disciple. And if you do not carry your own cross and follow me, you cannot be my disciple." (**click here for additional slide)

Count the Cost

"But don't begin until you count the cost. For who would begin construction of a building without first calculating the cost to see if there is enough money (energy) to finish it? Otherwise, you might complete only the foundation before running out of money (partial tribulation), and then everyone would laugh at you. They would say, 'There's the person who started that building and couldn't afford to finish it!' (staying in lower consciousness - Those who say they are Christians, but are liars instead...." Rev 3:9)

Then Jesus told His disciples, "If anyone would come after Me, he must deny himself and take up his cross and follow Me. For whoever wants to save his life will lose it, but whoever loses his life for My sake will find it...."

Sometimes these groups need to be reminded of their place in the universeif intelligent enough, they will take the corrective action needed to continue before that door to salvation is also closed to them for their eternity. And if those days had not been cut short, no one would escape; but for the sake of God's own People, (those already transformed), those days will be cut short.

The Abomination of Desolation

...For in those days there will be tribulation unmatched from the beginning of God's creation until now, and never to be seen again. If the Lord had not shortened those days, nobody would be saved. But for the sake of the elect (those in higher consciousness), whom He has chosen (since they were able to complete their tribulation), He has shortened them.

During this end time period, those still in lower consciousness will have their challenges increase in both intensity and duration. This will be a "sink or swim" scenario for evaluation on whether they have progressed enough to continue on into the new earth and its required resonance. Many will be exiting at this point by many different ways, since they will not be at the minimum level of entry. **Final Judgment.**

During end times, there will be those trying to keep the world the same. They are of course not going to make it into the Millennium. Only those reaching Book of Life and unity consciousness will be at levels to progress. People **below those levels**, or who **do not know what this means**, or who do not understand how to **surrender properly**, will **not make it**.
 "None of **them**, will understand" Daniel 12:10
 "Although they claimed to be wise, they became **fools**" Romans 1:22
 Must **"seek" to find.....**

End times will just be a math calculation at that point. The Gospel states that **2/3rds will perish** and **1/3rd will remain**. During the beginning of the great tribulation, evil will rule. As those souls get dismissed by not becoming spiritually able to continue within the ascending new earth resonance requirements, they cannot return making the 2/3rd group diminish, while the percentage of the 1/3rd will increase. This will continue until only Book of Life individuals remain at the end..

In the resurrection of the body (body and spirit made whole), they are assigned to different degrees of glory commensurate with the law they have obeyed. There are three (3) kingdoms of glory:

(1) the celestial (5th dimension unity Christ Consciousness - All who attain this kingdom "shall dwell in the presence of God and his Christ forever and ever"),

(2) the terrestrial (4th dimension unity and duality consciousness), and the

(3) telestial (3rd dimension duality consciousness "dead in Christ").

The apostle Paul spoke of three glories, differing from one another as the sun, moon, and stars differ in brilliance. (this all occurs after spiritual rebirth and personal judgment while in a resurrected physical body through a person's achieved level of consciousness whether a person is aware of it or not (spiritually alive or "dead" during life))

Final end times judgment occurs later after all have been exposed and preached to about the Gospel.

The celestial kingdom will be the residence of those who have been righteous, accepted the teachings of Jesus Christ, and made and lived up to all of the required ordinances and covenants.
 (2nd and 3rd physical realities - advanced studies - eternal life)

Those who will inhabit the terrestrial kingdom include those who lived respectably but "were blinded by the craftiness of men" and thus rejected the fullness of the gospel of Jesus Christ when it was presented to them during their mortal lives.
 "receive of the presence of the Son, but not the fullness of the Father."
 (1st physical reality - sinful state, and also purgatory levels)

Those who will inhabit the telestial kingdom include those "who received not the gospel of Christ, nor the testimony of Jesus."
 (1st physical reality - sinful state)
 (These separations become very evident, when crossing from one kingdom into the next, as a person progresses.)

116 Neither is man capable to make them known, for they are only to be seen and understood by the power of the Holy Spirit, which God bestows on those who love him, and purify themselves before him; 117 To whom he grants this privilege of seeing and knowing for themselves; (These are all experiences meant to be worked on while in a physical body.)

To awaken the Christ Consciousness within us, we do not have to physically die. To awaken the Christ Consciousness is to die before we die. We must face the death as to who we are, what we want and what we expect in our life.

The death is required as part of the creation process. If we are unwilling to undergo the death we must face, we will be unable to create what we desire. Exactly what we will face and how a death means for our life totally depends on how different our current awareness is as opposed to the awareness available in the Christ Consciousness.

Christ Consciousness Quote

Those who are still in their fallen state of consciousness reside around the 200 level of spiritual consciousness. They are manifesting their life in an unconscious state and will allow many different ways to enter that will include many negative karma implications.

Those at the Christ consciousness level, will allow the proper way to come into their life flow by way of grace. This is within the unity consciousness energy allowing this experience within positive karma guidelines.

(higher consciousness - Heaven)

But you have not inclined your ear, nor obeyed Me. (continuing to stay within your fallen nature instead)

This includes prosperity gospel followers and those following other worldly people. They will all perish together regardless of what they currently label themselves. There has always been those who live within eternal life levels, who have returned for a lifetime of service to try to help others increase their consciousness levels. They have been dismissed by many who decided to stay at their lower fallen levels instead, lifetime after lifetime. They would not consider that those only trying to help, were of sane mind, choosing their lower consciousness lives instead through their free will choice. At this time, many very high consciousness level individuals, have come back to live into the Millennium, and have returned for their continued spiritual growth. Those still in denial of this, will no longer be able to stay on this earth, and **will have to exit after their Last Judgment is given**. Everyone has been given an opportunity to understand this. Those souls will always be able to live within that higher consciousness realm, and will physically return whenever necessary to continue learning at those levels. In-between lives, while residing in the nonphysical world, they will also exist at that higher consciousness level. So there is incentive to take the time and energy to go through a personal tribulation period, before Christ closes that door and that time period is declared finished. ["and the tombs were opened"](#)

Old souls, once they are back on the program and have made their shift, will be paying off final karma, and they do not want to incur any more in the lower plane, so they will play it safe by remaining apart from the heavy drama that entertains younger souls. This will cause them to step back and become more of an observer during these times. This allows them the opportunity to create their "heaven on earth" to once again enjoy life after working through their tribulation period, while also allowing any needed healing to take place as they move forward.

To gain perspective of the power of individuals who reach higher states - and it emphasize the importance of our individual capacity to reach these higher states - Hawkins lays out the mathematics (Hawkins 2002, 282):

- One individual at 700 counterbalances 70 million individuals below level 200
- One individual at 600 counterbalances 10 million individuals below level 200
- One individual at 500 counterbalances 750,000 individuals below level 200
- One individual at 400 counterbalances 400,000 individuals below level 200
- One individual at 300 counterbalances 90,000 individuals below level 200

Although intellectualism can only occur in relatively higher states of awareness (in the 300s and 400s), its power is limited.

Those completing their full tribulation and waiting for final separation, realize that they might be sharing their last physical lifetime with some of their family members and friends. So this will also be a period of time for them to come to peace with that, since not everyone will choose to suffer through tribulation, and therefore, will not change consciousness to move forward into the new earth. Regular life will bring about this separation between the groups, if it is allowed to happen.

End times = last lifetime opportunity to work into higher consciousness states (ascending new earth) to continue after final judgment in the peaceful world prophesied in the Bible.

After physical death, there will also be a permanent separation from others that choose to remain in lower consciousness states (descending old earth) after being left behind by their own free will.

Those who aren't resurrected during life, will not be raised at physical death - They will remain at their achieved consciousness level.

"For this reason I say, if one is whole, one will be filled with light (unity consciousness), but if one is divided, one will be filled with darkness (duality consciousness)."

A person must transform themselves during life, from duality consciousness into unity consciousness (quantum change /resurrection), in order to advance into the new earth.

"... and those ready went in with Him to the wedding feast. And the door was shut."

"You will stand outside knocking and pleading, it will be too late. 'Lord, open the door for us!'"

Many will reside in "Hell" and won't even know that they are there.....they will spend eternity thinking that somewhere in the future they will be saved, even though that period of transformation has passed and the door has been permanently locked.

Only a Few Will be Saved

- * Not everyone who calls Jesus "Lord" will be saved. (Matthew 7:21)

- * The majority will be lost! (Matthew 7:13)

There will be those within the family unit that will try to keep everyone the same, being fearful of change. **They are only keeping loved ones stuck**, by not allowing consciousness growth to occur.

A **sincere disciple** will need to leave the group when that happens.

This includes leaving behind friends ...Who are not actual believers also. "However, only those who are written in the Book of Life can enter and stay in this place (Heaven)." Rev 21:27

From now on, five in one household will be divided, three against two and two against three. They will be divided, father against son and son against father, mother against daughter and daughter against mother, mother-in-law against daughter-in-law and daughter-in-law against mother-in-law."

Luke 12:53

"Don't think that I came to bring peace to earth. I didn't come to bring peace but conflict."

"But be doers of the word, and not hearers only, deceiving yourselves." James 1:22

Everyone in the family unit will go through their personal tribulation, when they are ready and sincere for their individual try at completing the process. So of course, this will occur at different times in life for each family member. Unless a person is ready, they will not receive baptism by grace in order to proceed. Therefore, others will not understand why people are surrendering and leaving the family unit, since there will be major consciousness differences between the household during these moments. Those still in lower consciousness, who still have experiences related to that realm that they want to accomplish, will need to finish them in order to move on. Others will be too fearful to leave their personal belief structure, and will not surrender and fully follow Christ, making many excuses instead.

The family will therefore be divided, and will need separation, or will end up staying the same. They will miss their opportunity during this lifetime to move into the Christ realm when that opportunity was presented to them.

"So God created human beings in his own image."

All human beings have the capability to make the quantum shift (resurrection) into higher consciousness and the higher realms. But only if they use their free will to search and find those realms by using their multi-dimensional bodies.

Christ will lead those who are sincere, by a full focused surrendered tribulation, allowing this change to occur during physical life.

We now have this light shining in our hearts (*raptured*), but we ourselves are like fragile clay jars containing this great treasure. This makes it clear that our great power is from God, not from ourselves.

We are pressed on every side by troubles (*focused during surrender*), but we are not crushed. We are perplexed, but not driven to despair. We are hunted down, but never abandoned by God. We get knocked down, but we are not destroyed. Through suffering, our bodies continue to share in the death of Jesus so that the life of Jesus may also be seen in our bodies (*change in consciousness*).

- 700-1000: Enlightenment (Higher Consciousness)

Book of Life
600+

Although **intellectualism** can only occur in relatively higher states of awareness (in the 300s and 400s), **its power is limited**. (Highly intelligent people who have not made the change into unity consciousness and are more scientifically oriented without spiritual balance.)

Sadly, the average individual only moves up 5 points in their entire lifetime. However, a **focused effort** to move into higher states can lead to incredible leaps of awareness in **relatively short periods of time**. (Partial tribulation will cause a slight movement change, and a **full surrendered tribulation** will result in **enlightenment and extreme consciousness changes**.)

Dr. Hawkins points out that the **two greatest spiritual growth barriers** seem to be at level 200 and 500. Two hundred, the level of courage, represents a profound shift from destructive and harmful behavior to life-promoting and integrous lifestyles; everything below 200 makes one go weak using kinesiology. **Currently, approximately 78% of the world's population is below this significant level**. The destructive capacity of this majority **drags down all of mankind** without the counterbalancing effect of the 22% above 200. Once, permanent separation takes place between the old and new earth, there should be a rapid decline in the lower consciousness world, making it the **"Hell"** that is usually associated with that name.

Revelation 15-2

Can the mark of the beast (666) correspond to spiritual consciousness levels? This level and below keeps a soul within the lower world, while levels above, are levels of release and enlightenment.

False prophet keeps people below these levels....

Average person still in their fallen state is at a 200 spiritual consciousness level. Many attending worship services are still only in the 300 to 400 range.

This is for each individual to decide, if they reach these levels. Purgatory could still be the marginal levels between 550 to 700. 700 and above would be full enlightenment, to work on spiritual abilities that aid a person during a physical life.

At this level, people can also experiment with other abilities to see full capabilities for those in a human body.

...10 And they cried out in a loud voice, "How long, O Lord, holy and true, until You judge those who live on the earth and avenge our blood?" 11 Then each of them was given a white robe and told to rest a little while longer. (while co-creating their new life until permanent separation occurs) until the full number of their fellow servants, their brothers, were killed, just as they had been killed (died to their prior fallen state life, while reaching Book of Life resonance levels* and proceeding into a more spiritually based life). Berean Study Bible ·

- To obtain this level of consciousness, a disciple will be tested by how much faith they give to God versus others they are familiar with within old belief systems. These tests get harder and harder the closer a person gets to unity consciousness. There will be a final test to see if a person gives all of his faith into the surrendering process, to allow God to show them the miracle they are seeking for.

Otherwise, they will be left behind in lower consciousness levels, to continue at that spiritual level after this lifetime ends. This will be the new Earth and the new world. This is described in the Bible as the new heaven and the new Earth. The others who are not ready, will be left behind (just as it says in the Bible) to continue to live out their karma. They will not even be aware that anything has happened. Those who have not become enlightened, will have to return to another, denser planet that is still involved with negativity, to work out their remaining karma. They will not be allowed to come to the "new Earth" because their vibration will not match.

Excerpt from "Those Left Behind" The Convolved Universe by Dolores Cannon

Many will be purified, cleansed, and refined by these trials (by completing their tribulation period). But the wicked (those still in lower consciousness) will continue in their wickedness (karma), and none of them will understand. Only those who are wise (those having made the quantum change/resurrection into higher consciousness) will know what it means.

Since we live in a free will world, the **ultimate free will decision** is to take the time in a full tribulation, to increase our spiritual consciousness levels for **resurrection**. End times is just the time limit placed during a cycle of human lives, to reach those levels. Otherwise, those deciding not to, will be dismissed from any future human physical lives. Eternal life (lives) exists for those deciding to continue in their human consciousness, to the higher levels of humanity. An individual personal choice for each to make. Matthew 6:25

This allows a person to be led by the surrendering process, without worry on how it will affect others in their circle.

This also allows for a person to surrender into a faith based life and experience, as compared to an intellectually centered profession.

“But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.” Hebrews 11:6

Those who have progressed to this level, will be given opportunities to end their marriage if they are in wedlock. This will be a free will decision to determine readiness for continuation, or whether a person will stop their tribulation resulting in only a partial completion. This is one of the first major tests of surrender that occurs during tribulation to determine a disciple's true faith, or lack of.

“If anyone comes to me and does not hate father and mother, wife and children, brothers and sisters--yes, even their own life--such a person cannot be my disciple.” Luke 14:26

A person at Book of Life levels, is living life within a unity consciousness state (one with God - living by grace). Those still in their fallen state are living in duality consciousness. A physical body is meant to increase a soul's consciousness levels during life, if that experience is pursued. Most people just get stuck in their "[unawakened state](#)" never really making any spiritual progress during life.

Christ will help a person by guiding their life towards spiritual ascension, if they surrender into it. They must follow fully to completion though, or they will come up short of the goal. Once completed, they continue in spiritual growth outside of old unconscious ways of living life. That is why a person is reborn into this second phase of life.

The wheat raised from the good seed is the children of the kingdom, the Disciples of Christ converted by his word (by completing a full focused tribulation by having faith in Jesus). The tares are not bad church members, but bad men/women (mainly by choosing to stay in their natural unconscious state instead of spiritually evolving); those who have been **under the influence of the wicked one** (even without being aware of it). **The righteous and wicked are to remain in the earth together.** The **righteous are not to exterminate the wicked** (they are to allow free will between all individuals in choosing how to live their individual lives, although they will show testimony towards achieving spiritual resurrection for those seeking into it). The evil (lower consciousness) and the good (higher consciousness) **will be mixed until judgment day**. Then all shall be gathered at the throne of judgment. The righteous (those who are at the Book of Life resonance and above) shall inherit the kingdom. All that are wicked (those choosing to remain in their fallen state of consciousness) shall be cast out of the kingdom (after physical death, they cannot return into the ascending peaceful new earth anymore). An eternal separation shall take place (new earth 5th dimension consciousness in current ascension cycle, non-physical dimension spirit realm for quiet contemplation and reflection between lives, and old earth 3rd dimension lower consciousness reality (fallen state)).

Rev 20:10 And the **devil that deceived them** was cast into the lake of fire and brimstone, **where the beast and the false prophet are (fallen State)**, and shall be tormented day and night for ever and ever.

The Sheep and the Goats

...All the nations (different consciousness levels) will be gathered before Him, and He will separate the people one from another, as a shepherd separates the sheep from the goats. He will place the sheep on His right and the goats on His left. Then the King will say to those on His right, 'Come and receive the kingdom that was prepared for you before the world was created.'

THE SACRED SYMBOLISM OF SOLOMON'S TEMPLE

For the ancient Israelites (and symbolically for all of humanity) one of the most revered temples of initiation was the sacred tabernacle, which became Solomon's Temple. It was in this temple that the Ark of the Covenant was housed. The sacred geometry of Solomon's Temple concealed numerous teachings, but only for those with "opened eyes" could see their significance.

Excerpt from the Seven Initiations of the Spiritual Path by Michael Mirdad

According to some traditions, the layout of Solomon's Temple was as follows: The area surrounding the outermost walls symbolized the world outside and the unawakened portion of humanity. Next, the portion of humanity that was awakened, or at least on their spiritual path, was symbolized by those who were allowed to enter the main gate and participate in initiations.

The first ritual, or initiation, involved the sacrifice of an animal, symbolizing the release of physical attachments. The second initiation involved a cleansing ritual in a large basin of water, symbolizing the healing and purifying of emotions. The third initiation involved the burning of incense to purify the mind. The fourth initiation involved a ritual with specially prepared bread that was raised only with air, symbolizing a purifying of the heart.

A full focused surrendered tribulation through Christ, will cover all that is needed for the spiritual resurrection process to take place. But a person must individually decide to take the time and devotion that is needed to do it.

Final Judgments against the Wicked

For by fire, will the Lord enter unto judgment.
(during tribulation, it will be determined what consciousness level and realm individuals are in tune with by their actions.)
 And by the sword, will all flesh, *(every single person will be placed accordingly),*
 And those slain by the Lord will be many.
(Those who decide to remain in their fallen state lower consciousness levels)
 Isaiah 66:16

"I will destine you for the sword, and all of you will fall in the slaughter; for I called but you did not answer, I spoke but you did not listen.
(gave everyone an opportunity during their tribulation to surrender and raise their consciousness levels).
 And you did evil in my sight and chose to do what you know I despise."
 Isaiah 65:12

"I will gather the armies of the world into the valley of Jehoshaphat. There I will judge them for harming **My people** (those resurrected into the new earth - higher consciousness), My special possession, for scattering My people among the nations (all of the lower physical realms within the earth), and for dividing up My land. (leaving many different levels of consciousness, some upper and some lower)"
 Joel 3:2

A person will need to decide which land they live in, and which one they want to live in before exiting the earth during end times.

(During this process, it is determined what world a person can live within, Either unchanged in their fallen state of consciousness, or in both, higher and lower consciousness.)

Notes

Must Put God 1st before all other relationships including those that must be left for further spiritual advancement.

Must remember that work 6 rest 1 is also in reference to spending that same amount of time when sincerely seeking into spirit related activities.

Everything has a higher spiritual meaning and way to solve.....find it.

Major Pitfalls

#1 - not enough faith that family will be taken care of when surrendering process gets serious.

#2 \$\$\$\$\$\$\$\$ - many won't release this but worship it instead.

#6 and #9 many excuses

In lower consciousness, these are irrelevant except for karma issues.

These, Are necessary to follow fully, for entry into higher consciousness.

After all have been exposed to the Gospel, the end will come.....final and last judgment to enter into eternal life.

Only those at Book of Life levels of consciousness will live through the Millennium. They will live without wars, poverty, corruption, and all other fear-based experiences.

Once the cycle starts its descent from these highest levels, those at levels just below spiritual resurrection will be allowed their last chance to ascend. Unless they finish their full tribulation into Christ consciousness, they will have exhausted their last physical life opportunity.

Life can only exist within karma and universal law parameters. Those who have lived righteous life during the Millennium will continue that way, not allowing evil back in. Therefore, those below these higher consciousness levels, can no longer exist in this world (heaven). There will be another reality for them to go to, but it will be with those at extreme lowest levels of physical life, if they still want to go there. The two physical separated worlds, **Heaven** and **Hell**.

Those who are already living in higher consciousness, are continuing on in their lives, and are probably not even noticed since they will drop their consciousness level to those they are interacting with. They are at a spiritual level that no longer needs external approval or validation from others, so they have moved on into whatever service or experience they have chosen to continue with post tribulation. They also realize after their tribulation, that **others will have to make that choice themselves**, and then actually do it if wanted. They can only provide testimony and encouragement, but **must allow each to make their own decision concerning their own life**. They will therefore share in a way that could help others who are in the right place to receive this information. They are also not going to argue these items, since everyone will be using their free will to choose their own path.

This should also remind those many groups in darkness, some that choose to go into other people's spaces, and then posting uninvited, and unwanted items and comments dealing with negativity (darkness related to ignorance), that will be deleted and blocked, **know your spiritual level**. This also includes hackers. You are not invited into these informational spaces except to view and receive, if able. Sometimes these groups need to be reminded of their place in the universe[if intelligent enough](#), they will take the corrective action needed to continue before that door is also closed to them for [their eternity](#). It doesn't take much to realize that these groups will not be moving on unless they make changes in their behavior.

New International Version
The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit.

New Living Translation
But people who aren't spiritual can't receive these truths from God's Spirit. It all sounds foolish to them and they can't understand it, for only those who are spiritual can understand what the Spirit means.

English Standard Version
The natural person does not accept the things of the Spirit of God, for they are folly to him, and he is not able to understand them because they are spiritually discerned.

Unfortunately, there are many who consider themselves righteous, but never made their full conversion into Book of Live levels (the living). They will never believe that [they are not worthy](#), but yet remain within the world regardless of all of Christ's commands about not being of the world. A person in full surrender will have the proper way to proceed, shown to them. It will be brought into their reality, that moves them forward through end times properly. Those who don't make the effort to find out where their spiritual consciousness levels actually are, will almost be guaranteed dismissal after this lifetime. Their ignorance of Christianity vs opinion, will keep them in Hell. They were never cleansed, and never [spiritually resurrected](#), thinking that Sunday services were always enough. Those in higher consciousness know better through experience.

[Those Too Comfortable powerpoint link](#)

(back to index page)

At one point in Jesus' ministry, many of the crowd were turning their backs on Him and leaving (**only completing a partial tribulation**) in hopes of finding another savior. Jesus asked the Twelve, "Do you want to go away as well?" (John 6:67, ESV). Peter's reply is exactly right: "Lord, to whom shall we go? You have the words of eternal life, and we have believed (**worked their way through their personal tribulation**), and have come to know, that you are the Holy One of God" (John 6:68-69, ESV). May we all share Peter's faith (**completing their full tribulation resulting in their spiritual resurrection**) that eternal life resides only in Jesus Christ.

"I have accepted Christ today". Many believe that this alone will "save" them, although it is only step one of the surrendering process. A person is forgiven at this point in their life, although they must continue through the process until the quantum change takes place. Otherwise, they have only completed a partial tribulation, remaining in their lower consciousness sin, stuck in purgatory. Not really following Christ except by their tongue only. No faith included.

"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven"
(Matthew 7:21)

There will be some major tests to get to Book of Life levels. Those who are unwilling to accomplish those requirements, will not be permitted to enter. And those who do not understand these multiple levels of faith, are still on their journey and they have also not been admitted into the Kingdom, nor are saved..

Many [old souls](#) who haven't incarnated for awhile, have agreed to come back during this end time period **to help evolve the earth into the Millennium**, so that those deciding to ascend will have a physical place **that is comfortable for them to live in**. This adjustment will cause quite a bit of friction since those not wanting to change will fight it with everything they have (**Armageddon**). The problem with that lower consciousness group is that they are not aware of how to really keep this from happening. **In fact, this will just be a useless effort on their part since the evolving world will occur with or without them anyway.** This will cause the anticipated wealth change within the world, since those deciding to evolve and ascend, must first give up everything to follow Christ (including wealth), and then will be tested during their tribulation which once accepted into eternal life, will then proceed back into increased wealth as promised in scripture (Matthew 19:29 -"And everyone who has left houses or brothers or sisters or father or mother or wife or children or fields **for my sake** will receive a hundred times as much **and will inherit eternal life.**"). This wealth redistribution will occur if one chooses this as part of their [tribulation goal](#).
