Must "seek to find"

Those not seeking, will never experience The Kingdom

Must "seek" in order to find the 2nd and 3rd physical realities.....this will require continued adjustments until a person finally reaches Book of Life levels of consciousness in order to enter into it.

"Know thyself" and what you are...

A person already in eternal life, will always be working on perfecting their spiritual gifts and spiritual knowledge and abilities.

"But people who aren't spiritual (those stuck in their 1st physical reality only - "the dead") can't receive these truths from God's Spirit. It all sounds foolish to them and they can't understand it, for only those who are spiritual (those in the upper ranges of 1st physical reality and the 2nd physical reality – having completed a full tribulation) can understand what the Spirit means."

1 Corinthians 2:14

"none of them (the dead) will understand"

(those who can only live within the 1st physical reality) the fallen world

(Best viewed with adobe acrobat)

Many people say they want to be with Christ, yet are not willing to go through the full Christian experience.

(Limiting this physical reality to them.)

(This also distorts their anticipated future reality of receiving eternal life.)

But I will reply, 'I never knew you. Get away from me, you who break God's laws.' Matthew 7:23

(Those who never completed their ascension process, thus remaining in the 1st physical reality only, not realizing that they are being left behind according to Biblical standards)

"So let us stop going over the basic teachings about Christ again and again (1st physical reality - just reciting scripture over and over). Let us go on instead and become mature in our understanding (-by spiritually manifesting life)." Hebrews 6:1

"You too, must be ready" Luke 12:40

Never being written into the Book of Life, for eternal life living and unlimited spiritual growth - there are many different levels of ascension to work towards. He will tell them, "I never knew you!!"

Must Become a New Creation

(An ascended spiritual life instead of a materialistic life only.)

"When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne. All the nations (different levels of consciousness) will be gathered before him, and He will separate the people one from another..."

"and He will separate them" Only those who haven't entered yet (into eternal life) will be confused. (click on pic)

"Nowhere in the land will more than a third of them be left alive (ascended)."

Many are also acting like they are in fellowship with Christ, but are being helped by other spirits instead. He will state to that group also, "I never knew you!!"

The salvation experience must be made into a primary process, otherwise other worldly priorities will occur instead. A "lukewarm" intent will only go so far and will fall short of spiritual ascension. You get what you place the most emphasis on. For the majority, this will be other experiences that make them feel comfortable instead. Joy and prosperity occurs for ascended Christians also, but after their process is complete. Those who are not within their eternal life progression and understanding, have fallen short of being saved.

"NOT EVERYONE WHO CALLS ME LORD WILL ENTER GOD'S KINGDOM"

Matthew 7:21

The 1st resurrection is almost at completion

Guide for the renewal period, to aid in understanding and reaching the necessary Christian levels needed to advance into the Millennium

His **disciples** said to Him,

"When will the resurrection of the **dead** come about,

... and when will the **new world** come?"

He said to them, "What you look forward to has **already come**,
... **but you do not recognize it.**"

... and joining those who are **already** there, **ascended Christians.**

(those living within the 2nd physical reality, having **graduated** out of the fallen state, 1st physical reality)

"**Work Hard** to enter the narrow door to **God's Kingdom**, for many will try to enter. **But Will Fail.**" Luke 13:24

Running out of the necessary time needed to reach eternal life (lives).

Many more won't even try at all. (click for 2 groups slide)

Last judgment, is meant to **dismiss** those who are still not ready, from entering into the Millennium period with Christ to work on higher spiritual goals with others.

This includes those "Christians in name only". "They worship me in vain; **their teachings are merely human rules.** (by unevolved souls)" Matthew 15:9

Those who are still continuously just waiting for a 2nd coming that started many, many years ago.

"...**and He will separate them**..."(click)

(Must be at Book of Life levels of consciousness to continue into the Millennium)

"And they were **oblivious**, until the flood came and swept them all away." **(end of the age)**
Every soul will be given the opportunity to correct this if wanted.

because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything.

James 1:4

There is nothing accomplished by being partially saved, **this is the same as being left behind.**

Those Left Behind after Last and Final Judgment

Many will fall short of completion, never entering into the Kingdom.

"woe to you" Matthew 23:13

.... and due to your shortcomings, "**you yourselves don't enter**, nor will you let those enter who are trying to." (including your children and others choosing to follow your lame example)

"But he that shall endure unto the end, the same shall be saved."

(click)

Shame on you!! You continue to say you are saved, when all that happened was that you were initially allowed to crawl. And yet after years and years, you are still only crawling around. **Still not actually saved.** Still part of the **"dead"**.

At the end of the age, last judgment is given as to which Book a person is able and currently living within.....

Book of the Dead

1st physical reality only
(2/3rds of world)

Hell

Book of the Living

2nd and 3rd physical realities
(1/3 of world)

Heaven

And then, permanent separation will occur.....

None of the **"dead"** will understand.

So if a person hasn't entered Heaven during their physical life.....it doesn't mean others haven't. It just means that the individual has **failed to enter** because of their lack to understand and complete the full process!!
"and **nothing unclean**, and **no one who practices abomination and lying**, shall ever come into it...." Rev 21:27

"If I do not know that I am **dead** (lower duality consciousness), how shall I seek the resurrection and find it?"

"Having lived unconsciously, we shall surely die unconsciously."
(remaining in lower consciousness)
Excerpts from Lost Gospels

"For many, I tell you, will try to enter and will **fail**". Will **fail** to enter into the Kingdom.....

and also **fail**, to enter into "**Heaven**" - highest level of human consciousness.....

If I **do not know** that I am **"dead"** (not saved nor spiritually "alive"), how do I seek the resurrection and find it?
(Must google to help find answers, and then test to see the truth associated with it. Then continuously repeat the process over and over.)

Be on guard for the errors in discernment and discretion that people make when they **enter the wilderness**. And be on guard for those who think they are in the wilderness when in fact they are simply confused within their own minds. And be on guard for those who claim to be masters and for those who claim to be advanced. With Knowledge you will see that they are but deceived and deceiving. For what they tell themselves is incorrect, and as a result what they reveal to others is incorrect as well (**those individuals who are still below Book of the Living levels of consciousness**).

"Those who say they will die first and then rise are in error. If they do not first receive the resurrection while they live, when they die they will receive nothing."

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were **dead** (still in his fallen state), yet shall he live: (reach ascension levels after completing his tribulation)" John 11:25

"I give them eternal life (ascension levels during a physical life), and they will **never perish.**"

A sincere disciple must seek, seek, and seek some more until completion towards goals and understanding!!

"Let us not become weary in doing good (seeking towards righteousness), for at the proper time we will reap a harvest if we **do not give up.**" Galatians 6:9

Those in a state of waiting, **will remain in that state** until they complete the ascension process.

"Be doers of the word, and not hearers only. Otherwise, **you are deceiving yourselves.**"

IF WE DELIBERATELY KEEP ON SINNING AFTER WE HAVE RECEIVED THE KNOWLEDGE OF THE TRUTH, NO SACRIFICE FOR SINS IS LEFT

"For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land."

Eternal Life

"but only they that are written in the Lamb's book of life (will enter)." Rev 21:27 **Into the promised Land, "if we do not give up".**

"... and He will separate them..."
during physical life.

"A tree is identified by its fruit. Figs are never gathered from thornbushes, and grapes are not picked from bramble bushes." Luke 6:44 (People are either helping others enter into eternal life, or **keeping them stuck outside of the Book of Life**, by preaching false doctrine.)

Those looking back to former life and non ascended friends, instead of moving spiritually forward. Like Lot's wife, will be left behind.

Many will fail!! Including family and friends stuck in the 1st physical reality only. **Eternal life** is meant for those seeking for advanced spiritual experiences.

Those who still haven't entered yet, **have already been left behind.**

"for many will try to enter But Will Fail."

The **"dead"** are waiting for some type of automatic raising that will never happen unless they do their part of the ascension work requirement.

The seek to find and make adjustments part.

A person must go through their personal cleansing tribulation in order to become and remain righteous afterwards. The knowledge gained from completing this full process is what will keep a person within their ascended state, and also keep them from returning to commit lower world sinful acts. Christ will help a person get through their misunderstandings by repeating cycles until a person works through those challenges. **This will be years and years of repeated cycles, of many progressive failings to work through, until finished to the minimum ascension requirements.** Seek as to why something is being brought into your reality. It might be a needed karmic re-balancing or release that must occur before further advancement can happen. Ask Christ for meaning and work through those lessons without getting stuck within them. Surrender and release into the process of cleansing and making yourself pure and spiritually whole. Those who are unwilling to go through this individual process to work on their deficiencies, **do not really have actual faith in Christ** to help correct them into ascension levels. Those who are expecting karmic blessings to occur back to them in only one way, may end up not being open to how that godsend is trying to come into their life. Because of this blockage, it may take multiple cycles to occur before that goal is accomplished and received allowing more lessons to follow afterwards. **Those without ascension as a minimum goal to accomplish, will stop at some point prior to achieving being written into the Book of Life.** Many will fail or exit the earth before completing this continuing process, never making it into the physical state of reality that is known as "Heaven", **for those achieving Book of Life levels and status. Eternal Life.**

"They went out from us [seeming at first to be Christians], **but they were not really of us** [because they were not truly born again and spiritually transformed]; for if they had been of us, they would have remained with us; but they went out [teaching false doctrine], so that it would be clearly shown that **none of them are of us.**" 1 John 2:19

For those **still waiting** on the 2nd coming.....read on.

If they **still haven't entered yet**, how good of Christians can they be? **Or, are they really even Christians at all?**

"Now this is eternal life, that they may know You" John 17:3

Actual salvation is a separate, full experience, that Christ readily gives to those who complete that individual process by following and surrendering to Him. Those falling short of completion, are literally stopping before being saved. God will always provide the appropriate spirits to help a person through life. God will also hand off different spirits, with different expertise, when appropriate, **which most people cannot accurately discern** from "holy" spirits. Once a person decides to stop following Christ, usually because **they no longer like the requirements**, of course another lower level spirit takes over that they are more in line with. That is why, **a person must be able to test** to see which actual "voice" (spirit) **they are following**, and making needed adjustments once they become off track. People will believe that they are in a personal relationship with Christ, when in reality they are following a deceased loved one who is actually trying to help them instead, like a grandfather or uncle. The 2nd coming was always about the ability to be able to **utilize the spiritual aspect of human capability**. For those seeking Christ's help, He will lead a person through the ascension process if allowed to. This can only occur for those dedicated and sincere enough to use their free will to seek towards it. Most will choose to stay within the lower teachings only, never completing the full process. **End times only puts a final end date for the ascension change to occur before time runs out** in order to receive it.

A new age and new heaven requires an ascended human consciousness to live within those boundaries. Christ does this by showing His spiritual self (in the clouds), and teaching those who are willing to learn through a cleansing tribulation, how to live in that world **with a physical body fused with their spiritual higher self combination**. **This world (in the clouds) is the New Jerusalem. Only those who have obtained Book of Life levels can reside and live there within higher consciousness.** Those still waiting for something else to occur to usher in the Millennium, **will miss the 2nd coming completely**. This is **His gift for those who truly believe in Him**. Those stuck in a state of waiting, will forever be stuck in that 1st physical sinful reality for their eternity. They are waiting for something to occur that **will never happen** in the way they are expecting. **Thus, the reason to fully surrender and seek. Seeking means progressing through various levels of reality until ascension levels are finally obtained.** Many will stop prior to completion, settling down with others at comfortable levels without ever coming close to living at the "Heaven" level of consciousness.

Completing a full tribulation corrects this into the proper levels for understanding.

"Then he opened their minds so they could understand the Scriptures."

These are the children of the Kingdom, the disciples of Christ converted by His word...

(Those having **true Faith in Christ**) Living within the 2nd and 3rd physical realities (**ascended Christians**)

(What physical reality do you live in?)

3 degrees of glory
(physical realities)

"For if anyone thinks he is something (saved), when he is **nothing**, (still in his fallen state) he is only **fooling himself**."
Galatians 6:3

Actually being saved **cannot be faked**. So who would a person be fooling, Christ or God? Christ lets people know what their actual status is. **There will be no confusion.**
(A person must be in their resurrected body (spirit and body united) to be a part of the "living".)

And they were deeply offended and refused to believe in him. Then Jesus told them, "A prophet is honored everywhere except in his own hometown and among his own family."
(A **true disciple** will remain in Faith regardless)

Families and friends will reunite once all reach "Heaven" - higher consciousness
(Only for those choosing to complete the FULL process)

"My kingdom is not of **this realm**"

They (disciples) are **not of this world** (lower consciousness), just as

I am not of this world. (He's in **5th dimension** consciousness)" John 17:16

(Only those who have already entered, will be able to participate in the **3rd reality** prophesied to come...)

'Do not think that I have come to bring peace on the earth; I have not come to bring peace, **but conflict** [of division between belief and unbelief and what actually constitutes those who are in the Book of The Living].' Matthew 10:34

'However, **only those whose names are written in the Book of Life can enter and stay in this place (physical Heaven).**' (Revelation 21:27)

Only those who have "entered", will know this place. You cannot fool those who are at these levels of consciousness. you can fool only yourself, that this place doesn't exist within a physical life.

At **end times**, people will be **mixed together** within the two separated realities (those separated by Christ into eternal life, and those left behind since they are not ready yet). Best to figure out which one you are actually in, and make the appropriate change if wanted before it's too late

So let's be blunt and honest. Those who don't understand what "Heaven" is within Biblical perspective and a physical human life, have not entered yet into the Kingdom!! **It really is that simple!!** Without adjustments within a physical life, that group should expect to be, **and will be, left behind**, regardless of what titles and/or affiliations they have labeled themselves on earth. **They will not see nor experience Heaven**, which is being raised into the Kingdom during a physical life, with all of the Biblical promises occurring while in body!! Those who have participated in **the first resurrection**.

Two groups at end of age (550-1000) sheep – living goats – dead (0-549) click for visual

But You Do Not Believe Because You Are Not My Sheep.

The Unbelief of the Jews (the dead)

'...But because **you are not My sheep**, you refuse to believe. My sheep listen to My voice; I know them, and they follow Me. **I give them eternal life**, and they will **never perish**. No one can snatch them out of My hand....' John 10:27"

It has been this way for thousands of years for those living and expanding their spiritual experiences, **the "living"**. End times only puts a final time-frame for those who have never "entered", **the "dead"**. **The Bible is a handbook for physical life.** A person is reborn, in order to experience and expand their spiritual body and spiritual capabilities. This is what is considered "working on your glorified body".

A person is separated and brought into the Kingdom to have the space and time to do that, away from the others who just want material world experiences only. **A person is meant to perfect their spiritual gift given at rebirth.** If they don't even know what it is, or don't care to expand their knowledge around it, then of course they don't really want to work with Christ. During this period of growth, a person will live and pass through the seven churches found in Revelation. **These churches are all different phases of consciousness.** This will be a person's individual tribulation period. **This must be fully completed for ascension.** This is the reason why people see discrepancies between scripture passages. The disciples were at different levels within these churches when being quoted. The higher levels cannot be understood by those still within the lower level churches. A person who is written in the Book of the Living, can understand all of these passages.

So people will go through their personal ascension tribulation if and when they become sincere enough to try to complete it. **This cannot be stressed enough, there is a huge difference between reading about this only, and actually living spiritually.** If a person **isn't manifesting their life through spiritual ways, then they are not part of the new creation.** The **Great Tribulation** will occur during end times for the last holdouts who never understood the ascension process, and finally do it in mass because of "FOMO". **And rightfully so they are, because those not completing ascension, will be left behind!**

People don't realize that those who have had **grace baptism into a true rebirth**, are **now in the afterlife.** They have died to the lower world teachings and are to follow now into the higher world teachings, which once completed, leads into eternal life living.

The majority will stay at infant levels of Spirit only, never really advancing and being saved. Turning their back on Christ, by not completing the process of salvation, **they will not advance.** Why would a person think they are a part of the Church, when they don't have a spiritual gift to share within the Kingdom? They are still just part of the gentiles' group. **The major differences between a fallen world, and an ascended spiritual world.** They will not believe they are not really Christians, and will defend their positions until physical death, **when He will say, 'But I never knew you!'** It's **useless to argue** with these folks, their demise is by their **personal individual choice alone.** **Those refusing to seek, will never find the Kingdom.** They might have found a side road or two around the complex, but never entered into the main structure nor into eternal life (lives).

"You can enter God's Kingdom only through the narrow gate. **The highway to hell is broad, and its gate is wide for the many who choose that way.**" Matthew 7:13

"The narrow gate" is a fairly straightforward concept. A narrow gate is harder to pass through than one that is wide, and only a few people can go through a narrow gate at once. **Jesus was describing the pathway to life—true, eternal life—as something requiring effort and focus to enter.** Ascension during a physical lifetime.

This group is easily identifiable (wide gate Christians), **they are still waiting** for Christ to return.

Transformation through different states of consciousness - a new creation

Returning to the Spirit realm, after a physical life is finished, is a completely different experience, which most people mistake as "Heaven".

"For this reason, **you also must be ready**, because the Son of Man will come at **an hour you do not expect**." Matthew 24:44

"Do not try to work together as equals **with unbelievers** (including those who mistakenly only think they are followers and speak as if they are – a person must be at levels to tell the actual differences), **for it cannot be done**. How can right and wrong be partners? How can light and darkness live together?" 2 Corinthians 6:14

The 1st reality group will not be spiritually aware enough to recognize end times..... they don't even know that a 2nd physical reality exists, much less a 3rd reality.

This is living and working with those of similar consciousness. **The ascended consciousness humans versus those remaining in their fallen consciousness. The Armageddon battleground between the righteous and those still in their sinful nature.** Higher consciousness against lower consciousness. Many in lower consciousness never entered into the Book of Life, yet still believe themselves to be among God's chosen people. Unless they spiritually ascend, they will fail between the 1st and 2nd resurrections and get eliminated out of the ascended new earth and heaven. They are still waiting for the rapture even though many have already experienced it and have moved forward just waiting for the conclusion of end times. **Those 2/3rds will go through end times never understanding that the 2nd coming was always about spiritual resurrection into an ascended human consciousness.**

Let's break this down into very simple terms. The 1st physical reality is like elementary school, a person will learn the basics of living a physical life. The 2nd physical reality is sincerely deciding that a person wants additional experiences beyond the basics, adding a spiritual element into the skill base. This is when a person seeks into some form of spiritual knowledge which includes the reciting of the sinners prayer. **But this is still only the entry level for that experience.** This would be middle school training. **Many people stop during this learning period without advancing any further.** A person must find a way to remain grounded while increasing their spiritual levels, or they risk becoming **unbalanced** to continue life. Most will need to seek and find some way to quiet their mind in order to stay in peace while starting their transformation process. A meditation or guided meditation that resonates with a person will help while in this period of change. To make matters worse, they are telling others that they have graduated from high school, **when in reality they have only completed a partial education. Those who will perish.** This decision to remain outside of Book of Life levels, will not affect the ascended humans. There is nothing that lower consciousness group can do to change an individual already at those levels. They will always be able to return into another physical life and continue working with Christ.

Those who continue all the way through the end of 12th grade (enlightenment), will actually get their degree (written into the Book of Life). After that, most will continue post graduate into even higher levels of knowledge and skills, the 3rd physical reality (**eternal life living**).

"Now this is eternal life (lifetime after lifetime), that they may know You" John 17:3

Others will decide to rest for awhile, before continuing. Once a person reaches these advanced levels, they are OK with all others choosing how much work they will **individually** decide on for their own personal human experience, or even those choosing not to pursue any type of spiritual advancement, content with their limited experiences. The ascended Christians are well past the point of arguing with those others over what is now a fact within their life. **Ascension. Christ helped them with this, and they followed to completion.** They are not waiting for some future event to occur, except for the permanent separation of the two worlds. **The end of the old age.**

"But he that shall endure unto the end, the same shall be saved." Matthew 24:13

The others will be told, "**But I never knew you!**"

(Why again, are you still waiting? Time is running out for the necessary ascension change to occur **to make it into Heaven.**)

Are More Angels Reincarnating on Earth?

Do not give divine blessings (those gifts given to Christ's Disciples) to those who haven't earned them.... And Jesus answered and said to them, "Render to Caesar the things that are Caesar's (only those obligations made within the lower world and that group of people), and to God the things that are God's (keep those items within the upper world (2nd and 3rd physical realities) with other true believers)." Mark 12:17

Don't be fooled by those participating in public displays. This is still just a lower consciousness engagement by those below Book of Life levels of consciousness. "When you pray, **don't be like the hypocrites who love to pray publicly on street corners** (sporting events, schools, etc.) and in the synagogues **where everyone can see them**. (That group is also very vocal about knowing Christian values and Christ, yet by their actions, give away their actual levels that are far below anything close to eternal life requirements. As Christ stated strongly, you must separate away from them!!) **I tell you the truth, that is all the reward they will ever get.**" Matthew 6:5

"But when you pray, **go into your inner room**, shut your door, and pray to your Father, who is unseen. **And your Father, who sees what is done in secret, will reward you....**"

Matthew 6:6

But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

Matthew 6:6

"And so the Lord says, "**You must leave them and separate yourselves from them.**" Have nothing to do with what is unclean, **and I will accept you.**" 2 Corinthians 6:17

Don't be confused as to what constitutes those within the "Church". It has nothing to do with physical buildings. Christ will always bring His people to those seeking for ascension, when they are needed for some type of lesson needed for understanding. These people are well beyond the limitations of physical structures.

(Christians are here to help other Christians. Helping gentiles by good works will only provide positive karma, but will not help a person enter into the **Kingdom - which is progressing into the ascension stage during a physical lifetime.**)

Luke 6:46 (NKJV)

⁴⁶ But why do you call Me 'Lord, Lord,' and not do the things which I say?

"For when the **dead rise to life**, they will be like the angels in heaven and **will not marry.**" Matthew 22:30

A person hasn't fully surrendered into eternal life levels, if they are still fully intertwined with another person within the fallen world. Only the resurrected will be fully separated for obvious reasons once they have reached those spiritual levels.

So a person must take this as one major criteria towards actually being saved. **If they aren't living within this boundary, then they are still not written in the "Book"**. There could be other reasons also, keeping a person out, but that is what seeking is all about. That and individual free will. There's nothing wrong with staying in a marriage of any type. **But ascension does have requirements that must be followed**, or a person will not get into eternal life and living within the "saved" category. **A person must save themselves first, before they can try to save others, especially their loved ones and close friends.** But this will be by example only, Salvation into eternal life is an individual process. Separation must occur during this process. **Many will stop at this stage, not having enough faith in Christ to continue. Christ will bring ways for this separation to occur, for those who are willing to surrender enough to allow for it.**

"I give them eternal life, and they will never perish." John 10:28

(Only those who **have never entered**, would think this is a future event and not a present one.....**"woe to you"**.)

If you are not in eternal life, then you must start making adjustments to figure out why. Otherwise, be content while you are being left behind in the lower 1st physical reality only.

There is but one Body of Christ. The teachings from the false prophet church, have misled many to believe they are a part of it. Yet they cannot explain accurately how to enter into the Book of Life, saying it is only a matter of faith. It is more than just speech, it is **the full completion of an individual faith walk until the ascension change takes place** (full tribulation) into eternal life. **Don't be misled by those preaching false entry through the wide gate.**

"You must leave *them* and separate yourselves from *them*."

(Or you will be **left behind with them** for eternity)

"For the gate is small and the way is narrow that leads to **life**, and there are few who find it. Matthew 7:14

"Awake, you who sleep, **Arise from the dead** (out of the 1st physical reality), And Christ will give you light (into the 2nd and 3rd physical realities)." Ephesians 5:14

Again He said to them, "I am going away. Then you will try to find me, but you will die in your sins (remaining within lower consciousness levels – 1st physical reality only). Where I am going (higher consciousness – Book of Life levels of consciousness), **it is impossible for you to come** (if you physically die first before reaching 5th dimension consciousness)." John 8:21

Jesus went on to say, "I tell you the truth, some standing here right now will not die before they see the Kingdom of God arrive in great power!"
Mark 9:1

(A person must be in their physical body to expand their consciousness and receive eternal life. This must be done within a single lifetime, or a person will **die within the lower world - remaining in Hell** - separated from Christ, **while following other lower world spirits instead**. They are trying to claim prayers in Christ's name without realizing the spirits that are really helping them. **They stopped following Christ at some point into the higher world, and Christ is no longer the spirit with them.**)

A sincere Christian must **seek, seek, seek**, through their tribulation period to find ascension.

But I have other sheep that are not from this sheep pen (they might not call themselves Christians, but they will know who I am) ; **I must bring them also, and they will listen to my voice**. Then there will be one flock, one shepherd.
John 10:16

Many **old souls** who haven't incarnated for awhile, have agreed to come back during this end time period to help evolve the earth into the Millennium, so that those deciding to ascend will have a physical place that is comfortable for them to live in. This adjustment will cause quite a bit of friction since those not wanting to change will fight it with everything they have (Armageddon). **The problem with that lower consciousness group is that they are not aware of how to really keep this from happening.**

A major part of this group consists of those who truly think and believe they are actual Christians. They stopped their walk with Christ getting stuck within one of the lower tests and have never made it past the lower levels, and unfortunately have stopped actually trying to progress past those levels. A partial and incomplete tribulation!! In fact, this will just be a useless effort on their part since the evolving world will occur with or without them anyway. An ascended earth, can only hold ascended souls, so those others who are not wanting that experience, will never understand the group that is going through their transition period. They cannot understand higher levels of consciousness, and can only understand their current level of achievement only. Some are manifesting their goals by only understanding partial spiritual laws, given by false prophets and teachers. **They will eventually fail of course.** Don't worry about that group, and those who have no desire for any type of spiritual experiences, **it's by their choice and free will not to fully ascend.** Actual Christians are here to help other sincere Christians make it into eternal life... leave the **others on their own, to decide where they want to end up.**

(click for gif)

"These people left our churches, **but they never really belonged with us;** otherwise they would have stayed with us. **When they left, it proved that they did not belong with us."** 1 John 2:19

Thank God for allowing a permanent separation to occur, so that each group can have experiences that are suitable for their very different ways of living physical lives. It boils down to those living within God's required laws (higher consciousness souls – in eternal life) and those doing whatever they feel like doing (lower consciousness souls). Souls living their free will, in free will worlds (Heaven and Hell).

This end of age ascension process, will also cause the anticipated wealth change within the world, since those deciding to evolve and ascend, must first give up everything to follow Christ (including wealth). Then they will be tested during their tribulation which once accepted into eternal life, will then proceed back into increased wealth as promised in scripture (Matthew 19:29 - "And everyone who has left houses or brothers or sisters or father or mother or wife or children or fields **for my sake** will receive a hundred times as much and **will inherit eternal life.**"). This wealth redistribution will occur if one chooses this as part of their tribulation goal. Others deciding not to follow actual scripture, are doomed to fail, since they really don't understand what heaven within spiritual understanding actually is. There are many who call themselves **teachers and leaders**, who are instructing that everyone already has been written into the Book of Life, not needing to do anything else. Since they have never entered themselves, they are leading many people seeking for instruction, down a doomed path far below Jesus' teachings while keeping them out of the Kingdom. **They are all still stuck at infant levels** of Spirit, **never being written into The Book.** They received, and are currently receiving abundance while claiming it in the name of Christ, **before** becoming righteous, thinking Jesus is providing a blessing, without realizing the true source for this income. These contributions are not helping anyone into the Kingdom and unity consciousness in any way. This **deception/ignorance must be recognized** and separation must occur from those groups **or a person will never enter** into "Heaven". **Otherwise, they will remain within the lower world teachings only, with all the others who are also stuck** in that 1st physical reality understanding. **Outside of actual salvation versus the meaningless teachings by unevolved souls.**

"But many **that are** first shall be last; and the last **shall be** first." Matthew 19:30 King James

"But many who are the greatest now will be least important then, and those who seem least important now will be the greatest then." Matthew 19:30 New Living Translation

(Those who have left the traditional religious services to mature their spiritual advancement by experiencing the 2nd and 3rd physical realities, will be the first to enter. Those believing themselves to be righteous, by attending services, tithing, and doing "good works", will be the last. But only if they pursue how to seek into the actual Christ realm. Otherwise, they will just be part of the 2/3rds left behind.)

"For I tell you that **unless your righteousness (knowledge and acts) exceeds** that of the Pharisees and the teachers of the law (religious leaders stuck in their 1st physical reality, never having reached Book of Life levels), **you will certainly not enter into the Kingdom of Heaven.**"

Matthew 5:20

"What sorrow awaits you teachers of religious law and you Pharisees. **Hypocrites!** For you shut the door of the Kingdom of Heaven in people's faces. **You won't go in yourselves, and you don't let others (those worshipping with you) enter either.**" Matthew 23:13

(Keeping all of **them**, in the **1st physical reality only**)

Paul and the False Apostles

"I am afraid, however, that **just as Eve was deceived by the serpent's cunning**, your minds may be led astray from your simple and pure devotion to Christ. You happily put up with **whatever anyone tells you**, even if they **preach a different Jesus than the one we preach**, or a different kind of Spirit than the one you received, or a different kind of gospel than the one you believed." (They preach the easy popular false gospels) 2 Corinthians 11:4

Major differences exist between the 1st vs 2nd physical realities.

"Beware of **false prophets** who come disguised as harmless sheep but are really vicious wolves. (They preach that all you need to do is say the sinners prayer, and you are now saved, are a part of the Kingdom, and awaiting eternal life after physical death in a place called Heaven. **This false teaching is keeping that whole group stuck in Hell, lifetime after lifetime.** Doing evil's work by not allowing people into proper Book of Life levels needed for **true entry.**")" Matthew 7:15

On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?' (Isn't this pretty much the whole false prophet physical churches Sunday sermons?)

And then I will declare to them, '**I never knew you**; depart from me, you evildoers' Matthew 7:23

These false prophets were never cleansed nor refined into the required levels to understand and properly teach Christian ascension. They continue to fool those who blindly choose to follow their man made rules.

"There are many believers (in **infant spirit levels only**-never completing ascension), especially converts from Judaism, who are rebellious. **They speak nonsense and deceive people.**' Titus 1:10 (Some souls remain the same no matter how many lifetimes lived through to advance.)

Those calling themselves Christians, who are still waiting for Christ to return, **will be waiting for that to happen for their eternity.** They will realize once they leave their physical body, that they would have needed to seek their salvation while still on the physical playing field of earth, to experience what the Bible has to offer. **They are in Hell**, since they never obtained Book of Life levels and eternal life, without even recognizing it. After end times concludes, this fallen group **will forever and for eternity continue to believe the second coming is right around the corner.** They **will have missed the whole process (with their false prophets)**, and will no longer be able to advance after permanent separation takes place. So of course **they will reside in Hell** with all the others choosing to stay below Book of Life levels of consciousness.

End times will be final notice for a person to make corrections and complete ascension. Otherwise, 'Lord, open up to us!' but it will be **too late!!**

3 degrees of glory

“So let us stop going over the basic teachings about Christ again and again (**1st physical reality - just reciting scripture over and over**). Let us go on instead and become mature in our understanding (**2nd and 3rd physical realities - spiritually manifesting life**).

Surely we don't need to start again with the fundamental importance of repenting from **dead works** and placing our faith in God.” Hebrews 6:1

A person performing their spiritual service will be **far different** than what they probably did while in their lower consciousness life. The work is usually around their spiritual gift that was given at **rebirth**, and meant to be perfected on during their tribulation period. But again, the “dead”, will not understand why a person is doing that work while also not understanding the need to increase into Book of Life levels of consciousness in order to ascend. This is the actual persecution of Christians. Other life challenges are just regular crimes on others within the fallen world only.

The “Dead” (1st reality only) vs those who are “Living” (2nd reality)

“For I will take you out of the nations (**lower consciousness levels – 1st physical reality**); I will gather you from all the countries and bring you back into your own land (Heaven) – **2nd physical reality and for the more advanced, the 3rd physical reality.**”
Ezekiel 36:24

Do people really think that after Christ promised eternal life for his true disciples, that people haven't already entered into it in over 2,000 years.....therefore, you too must be ready, before last and final judgment locks that door and stops any further opportunity to enter into eternal life experiences. THOSE LEFT BEHIND!!...

Must “seek” in order to find the 2nd physical reality.....**this will require continued adjustments** until a person finally reaches Book of Life levels of consciousness **in order to enter into it.**

"We (are honored to) serve the living and true God." 1 Thessalonians 1:9

Let's be very clear about being raised during end times into eternal life by Christ. He does this through the process of tribulation meant to increase a person's consciousness into Book of Life levels that is needed in order to enter. Anyone thinking differently, will not be allowed into Heaven. **This tribulation cleansing period is meant to understand God's laws.** So you have those already in eternal life, living within these universal requirements, and those living each lifetime breaking most of these rules that are required for eternal life entry. Those not willing to go through this process, will probably not actually want to be in the higher spiritual world anyway, so they won't be missing anything at this point in time. **It's after the permanent separation, that will be the major difference.** The lower world will be more like the past middle ages (brutal and violent), while the higher world will be peaceful with all those who have entered able to manifest spiritual goals **instead of living through forced experiences by others.** These two separated worlds will soon be unrelated to each other anymore once permanent separation occurs. The lower world will no longer have those who helped tip it in a higher direction, making it spiral downward now with those left in it. **True Hell. Uninhabitable except for very low consciousness souls to have their physical lives.**

He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.

John 3:36 KJV

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. . ." 2 Corinthians 5:17

2nd and 3rd realities

(click globe)

1st reality

Worlds mixed together at end times. Soon to be permanently separated.

You must be in Christ to live within the 2nd and 3rd physical realities and be part of the new creation. If you are not within those realities, then you have not been changed, and have not surrendered into the proper levels. **Not saved. "they shall not see nor experience eternal life (lives)"**

"I assure you, we tell you what we know and have seen (and experienced), and yet **you won't believe our testimony** (lifetime after lifetime)." John 3:11 (Maybe end times, will finally get your attention around the process of actual spiritual ascension)

The Millennium period is meant to give those within the **2nd physical reality**, a peaceful spiritual experience **without** all of those who **never grew out of their 1st fallen state reality**, and their lifetime after lifetime of tired excuses as to why. They were never cleansed of their sins and never cared enough to learn actual universal laws to adhere by. They don't realize that of course those in **higher consciousness** are aware of their deficiencies and really don't care for their continued excuses. We were all given enough lifetimes to adapt and learn and ascend, if we really wanted to. The bottom third of those not making it into the new earth, shouldn't have any surprises. It's that middle group, **especially those in the upper part of it**, that will **end up being surprised** after physical death. It will be **too late for them** at that point in time. A little bit of suffering and poverty during a lifetime for their ascension, never was allowed by them. They will remain part of the 2/3rds who perish unless they decide to get serious and follow the process.

"Nowhere in the land will more than a third of them be left **alive** (ascended)."

"Those who did not have their name written in the **Book of the Living (higher consciousness – 2nd physical reality)** were thrown into the  **lake of fire (remained in their 1st physical reality only).**" Rev 20:15

This is being able to live in a person's **ascended state within eternal understanding and lifetime progression**, compared to those still in their **fallen state living in a sleeper state**, unaware of these two very different physical realities. Those in their sleeper mode lifetime after lifetime can actually decline spiritually since they are having a hard time just navigating through each lifetime. Of course they will not understand how others can actually understand higher levels of consciousness, since they cannot. **A person must seek and understand the role of Spirit, to actually understand physical life, and continue into advanced ways of living a human experience.**

"So God created mankind in his own image (Spirit), in the image of God he created them; male and female he created them." Genesis 1:27

"Then, together with them (out of body Spirits), we who are still alive and remain on the earth **will be caught up in the clouds** to meet the Lord in the air (within **higher consciousness**). Then we will **be with the Lord forever.**" 1 Thessalonians 4:17
(A person must seek and figure out how this is done, or will miss the second coming completely.)

*****Body and Spirit made whole*****

[multi dimensional consciousness](#)

'I am the good shepherd. **I know My sheep and My sheep know Me**' john 10:14

(They follow through to full completion, by having full faith in Christ through a full tribulation.)

A one on one individual process between a person and Christ only. Matthew 10:34

Those remaining stuck in their 1st physical reality only (lower consciousness), **have already been left behind**, and are already part of **the dead**, without even knowing it. They are just about out of time for correction before the end of the age completes.

They were never fully converted, and therefore, never saved!

This group will never experience eternal life living – 2nd physical reality....

They will be left behind!

The majority of those calling themselves Christians, **will never reach** the top physical tier to enter into the Kingdom, because they are using their free will to bypass the level of surrender needed to get them into Book of Life levels of consciousness. Therefore, they have not been cleansed at the levels required to fully understand universal laws and ***will remain at their current level of sin***, outside of the laws needed for eternal life living, and also **outside of the levels that give protection** for His true disciples already within eternal life.

Michael, the chief of the angels, is the protector of your people, and he will come at a time of terrible suffering, the worst in all of history. And your people who have their names written in The Book **will be protected**. (this tier group will understand how this will be accomplished) Daniel 12:1

For those who are choosing to keep score only, **without fully playing in the actual game**.....we are towards the end of the first resurrection. There's still time left before halftime begins...

"Blessed and holy is he who has part in the first resurrection. Over such the second death has no power, but they shall be priests of God and of Christ, and shall reign with Him a thousand years." Rev 20:6

(Those who have not entered yet, will just sit these 1,000 years out)

"The rest of the dead did not come back to life until the thousand years were complete." Rev 20:5
The world will be completely different by then.....very uncomfortable for non spiritual souls.

Even after the **"dead"** come back for their last try after the Millennium, this occurs...

"And they marched up over the broad plain of the earth and surrounded the camp of the saints and the beloved city, **but fire came down from heaven and consumed them**," Rev 20:9
(They **never understood** higher consciousness living techniques, that would allow them to make it through these life consuming tests for continued physical lives.)

The fire can be by way of health problems, financial distress, relationship obstacles and other tests to see if a soul can spiritually overcome them...

(This will result in a person's last and final physical judgment, if changes are not made.)

"Dear friends, if we deliberately continue sinning after we have received knowledge of the truth, there is no longer any sacrifice that will cover these sins." Hebrews 10:26

"and those days will be shortened"
"to test those who belong to this world"

The Cost of Discipleship

Large crowds were now traveling with Jesus, and He turned and said to them, If anyone comes to Me and does not hate his father and mother and wife and children and brothers and sisters – yes, even his own life– **he cannot be My disciple.** Luke 14:26

"Not everyone who calls me their Lord will get into the Kingdom of Heaven."
Matthew 7:21

"In all of the land, 2/3rds will perish, but only 1/3rd will remain"

Unless **they surrender and follow** completely as stated, including **separation**, they will never reach **actual salvation** and living in eternal life within the 2nd physical reality. People who continue to rely on others during their tribulation, cannot follow to the levels that Christ is trying to take them to. Therefore, they really do not have actual faith in Christ. They will not be saved since they have not reached Book of Life levels of consciousness. This doesn't mean that they are not good people, it just means that they are not at levels to enter into eternal life. A person that reaches this top physical tier will know without any doubt, and will then start working on other spiritual goals. This process does involve faith and devotion for completion.

Revelation 21:27
"... nothing unclean and no one who practices abomination and lying, shall ever come into it, but only those whose names are written in the Lamb's book of life."

Only those at Book of Life levels will enter. **Others who haven't reached these levels during a physical life, will just not be able to understand.**

"For many will try to enter, but will fail."

Never being able to live within eternal life requirements.

"For when they rise out from the dead, neither do they marry, nor are given in marriage; but they are like angels in the heavens."

Ascension is an individual process that each person must make in their own time. No two family members will be able to do it together, since everybody's beliefs are different from birth. Therefore, separation from the family unit must occur at different times for the members choosing this experience. Even Christ had to go through this separation that occurred during His "lost years". Family members will reunite as each one ascends and enters into Heaven in their respective times. Not all members will choose this, and their free will must be honored. **The false prophet church teachings, do not address these higher level understandings, since they are not a part of the ascended souls moving forward.**

"In the last days, God says, I will pour out my Spirit on all people." Acts 2:17

(But unless a person completes their full tribulation period, at some point their reality will reflect against God's natural laws not allowing them to proceed into the new earth.)

Those who think they can ascend without growing into it properly, just won't make it. It's just a matter of time on when they fall out. Now or later..... it will only get more painful the longer they go without spiritually advancing. **The fire will only get worse and worse** for that group until they either succumb to it, or surrender into the ascension process fully, in order to gain consciousness and get through it into eternal life. (click on pic)

You too must be ready....or else.

**** An important note ****

Then Jesus said, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest." Matthew 11:28

Many of those who are deciding to exist at very low levels of poverty and society, are choosing this in their life. Jesus supports these groups by providing them with the basic necessities of life (food, clothing, and shelter) with others who are choosing to serve these groups by volunteering and working for these non profits. People within these causes, have almost always surrendered into levels that start the salvation process, both workers and recipients. **Christ will use all different consciousness levels of people to fulfill this basic service.**

They mistakenly believe that they have already been saved, but like all other professions and industries, will remain below Book of Life levels of consciousness unless they complete the full process of ascension. **Good works only will not get a person into the Kingdom. Those not giving up everything to follow Christ, also will keep them from seeing the Kingdom. This is part of the process that can't be bypassed.** Christ will always give His True Followers abundance and the tools to get there for those **completing their tribulation period.**

"If they obey and serve Him, then they end their days in prosperity and their years in happiness." Job 36:11
(This is for those completing their cleansing tribulation and being written into the Book of the Living. Many leave early in a tangent before full completion, doomed to fail in their ascension process.)

Many people are choosing to stay at these poverty levels throughout their life, **while also not getting into eternal life**, missing the opportunity that was given them during their periods of suffering. **Being truly saved, is the highest level associated with Christianity and human consciousness.** There is nothing accomplished by being partially saved, **this is the same as being left behind.** End Times will weed out all souls who cannot exist at Book of Life levels or greater, which is needed to enter into the Kingdom. **So let's be honest. There are two very different versions of humans occupying earth.** It is a perfect system for those paying attention, while also completing the full process into eternal life living, lifetime after lifetime. **A person must sincerely want this in their life, or will remain among the fallen group that includes those only thinking they are in the saved category, both the prosperous and those remaining in poverty.**

This must be made into an experience, and not just a concept for people to be written into The Book of Life. A person can read all about higher levels of consciousness and the 5th dimension Christ realm, but unless it is actually experienced, then it is still only a concept. Similar to reading about astronauts and space travel, doesn't make you one, unless you complete the full training to do so. A tribulation period asking and seeking for that full experience, is the way to accomplish that. Don't be mistaken, this is an individual experience that requires separation from others.

***"But be doers of the word, and not hearers only, deceiving yourselves." James 1:22 ***

"As for anyone who hears My words and does not keep them, **I do not judge him**. For I have not come to judge the world, but to save the world." John 12:47

No reason to argue. Each of us are deciding on our own life experiences. Choose wisely!!

Those not completing their full tribulation into salvation (the 2nd physical reality), will not be raised once they decide to turn their back and stop their walk with Christ. **"none of them** were of us" 1 John 2:19 Just saying that a person is a Christian, has no real meaning if a person hasn't entered during their physical life. A person must seek until written into the Book of Life. A person isn't a college graduate if they dropped out with 3 credits left in order to graduate. A true disciple completes the process into eternal life just like any other full experience found on earth. That's why many will be saved during the Great Tribulation, because they finally took the time to understand what is needed to get into "Heaven", and made adjustments in their life to do it.

"But **don't begin until you count the cost (cost of discipleship)**. For who would begin construction of a building without first calculating the cost to see if there is enough money (sincerity and time) to finish it? Otherwise, you **might complete only the foundation (staying at infant levels only)** before running out of money (energy and time), and then **everyone would laugh at you**. 'This man could not finish what he started to build. (**never reached eternal life levels of consciousness like the many others who are already in it – we know who you are of course.**)" Luke 14:28-30

For those who are not willing to put in the effort and time to increase their spiritual level advancement, the Christian route will not be a route beneficial for you. It will not accomplish anything near what most believe will occur upon physical death. People really need to seek and understand the differences between living in "Heaven" (from the Biblical perspective), versus living back in the Spirit realm once a physical body is shed. **At least seek far enough to stop fooling yourself on what will happen after a physical life takes place.**

Other Gods

"All day long I have held out My hands to an obstinate people **who walk in the wrong path**, who follow their **own imaginations**"
Isaiah 65:2

"Don't be afraid of what you are about to suffer. The devil will throw some of you into prison (**lowest levels of consciousness**) to test you. You will suffer for ten days. **But if you remain faithful** even when facing death, **I will give you the crown of life.**" Revelation 2:10 (A person must complete their full tribulation or **has failed the test into eternal life.**)

A person already in eternal life, will always be working on perfecting their spiritual gifts and spiritual knowledge and abilities.

The righteous and wicked are to remain in the earth together. The righteous are not to exterminate the wicked (even though they could easily because of their much higher spiritual levels). **The evil will do a good enough job eliminating themselves without further help from others anyway.** The evil (lower consciousness – living in 1st physical reality) and the good (higher consciousness – living in 2nd and 3rd physical realities) will be mixed until judgment day. Then all shall be gathered at the throne of judgment. The righteous (those who are at the Book of Life resonance and above) shall inherit the kingdom. Those below the necessary levels to continue, will be dismissed from this higher consciousness world (Heaven). What has **previously** been known as "The future coming of the kingdom of God", which is now available **during** end times. A person enters during physical life. **Those who have entered, know without any doubts.** Only those who have not entered, will be confused. This results in Their Last Judgment (those below Book of Life levels of consciousness that is needed to continue).

"I never knew You!"

They worship me in vain; their teachings are merely human rules.

"When the master of the house has locked the door, it will be too late. You will stand outside (3rd dimension consciousness) knocking and pleading, Lord, Lord, open to us, and He answering will say to you, I have not known you from where you are." (They had remained in their 1st physical reality only) Luke 13:25 **"I never knew You!"**

Matthew 15:9

"The rich man replied, 'No, Father Abraham! But if someone is sent to them from **the dead (1st physical reality)**, then they will repent of their sins and turn to God.' Luke 16:30

Then Abraham said to him, 'If they do not listen to Moses and the prophets, they will not be persuaded even if **someone rises from the dead (into the 2nd and 3rd physical realities)**.' "Luke 16:31

They are individually using their free will to **remain in Hell – 1st physical reality only, regardless of testimony.**

Everyone has until their last mixed together physical lifetime to reach Book of Life levels of consciousness. Those who stopped early, or were happy enough living in the lower consciousness world only, will have exhausted all of their time given to reach eternal life (lives). "and then **the end** (of the old age) will come." This will bring permanent separation between the two groups.

After the period of time for entry has been shut, there will be no way to enter into the higher consciousness world. Every soul who has lived a life on earth, will be given their last and final judgment during this end time period. This will be an individual choice to make. No one is making an actual judgment against anyone else. Christ only helps people into Book of Life levels, and how to be able to live within that world. Salvation by fully following Christ. No one will be able to blame anyone else for not making it in, except for each individual alone, and their decision not to have that **full and complete experience**.

A person must be living within the 2nd and 3rd physical realities, or they are not part of those who have new life into the new Heavens and new earth.

"And the **many who sleep in the dust shall be awakened, these to eternal life (2nd and 3rd physical realities)**, and the **others to loss and to the shame of their companions for their eternity (remaining in the 1st physical reality only – separated for eternity from ascended family and friends).**"

Daniel 12:2

"For all that is secret will eventually be brought into the open, and everything that is concealed will be brought to light and made known to all." Luke 8:17

At least to those who are sincere and dedicated towards their spiritual growth and advancement. Only those choosing not to know, or those who continue to follow a wrong path probably due to lack of proper surrendering, will be left in the dark.

“But be doers of the word, and not hearers only, deceiving yourselves.” James 1:22

(ascension is an actual experience, and is not something that is meant to be read about in books only)

They died to their lower consciousness life, to live in their ascended state instead, raised by Christ by completing their full tribulation during physical life.

Separated from those **soon to be eternally dismissed**.
Will co create their new life during this period of rest.

In the futurist view of Christian eschatology, **the Great Tribulation is a relatively short period of time where everyone will experience** worldwide hardships, persecution, disasters, famine, war, pain, and suffering, which will affect all of creation, and precede judgment of all when the Second Coming takes place. Some pre tribulationists believe that those who choose to follow God will be [raptured](#) before the tribulation, and thus escape it. (Those already in eternal life will have already gone through their tribulation period. They are just watching as end times unfolds in front of them.) On the other hand, post tribulationists believe Christians who are alive at the time of the Great Tribulation must endure the Great Tribulation and **will receive great blessings**. (They will be on earth living in [their co created manifestation](#) while watching others [who are dropping out of the world](#) or who are choosing to try to ascend before time runs out on them.)

[“and those days will be shortened”](#) [“to test those who belong to this world”](#)

Therefore,

“You too, [MUST BE READY](#).”(so you are not [LEFT BEHIND](#))

(Those still saying that they are rapture ready.....**really aren't**, since they still have not been raised into the Book of Life)

"Although they claimed to be wise, they became fools" Romans 1:22

Those who are placing way too much emphasis in physical beings and their perceived power without realizing how limited these souls are within their own karmic actions. Compare this to the higher spiritual group that realizes that all experiences originate outside of this plane for each person's individual growth if chosen correctly. Those who decide to live within those higher rules knowing the protection that is given from that level during each life, for those choosing not to waste a physical life.

We are all spiritual beings first, only currently experiencing a human life. So our spiritual part of this combination will always be far greater than the physical and intellectual parts. God created humans in His own image of Spirit. We are meant to advance lifetime after lifetime by increasing our spiritual (glorified) bodies. Those souls going through each lifetime without progressing forward in any meaningful way, will not be missed once permanent separation takes place. Their dramas only distract others from experiencing a full human life and all of the advanced capabilities found in a physical structure. "Heaven", compared to those remaining in Hell.

"They (disciples) don't belong to this (lower) world, and neither do I." John 17:16

Once end times concludes, any imbalances within the physical world will adjust back to natural perfection since 2/3rds of the inhabitants will no longer exist within it. The third that will continue, will have the spiritual knowledge and abilities to exist within the planet with God's original intent for the world. Ascended souls within an ascended earth. **Heaven.**

"But (of course), none of Them (the dead), will understand" Daniel 12:10

(They will soon enough be stuck in their own separated physical world, never to bother the "living" again!)

During end times, both physical worlds will exist together, but only those who have "entered" will have full access between the two. These are not parallel worlds, but are full duality worlds at extreme opposites. If you are not living within both worlds, then you only have lower access only(1st physical reality – lake of fire), and will remain there after full separation occurs. So decide whether you believe suffering through a full tribulation is worth it for you. Eternal physical life between either "Heaven", or "**Hell**".

For those **still waiting** on Christ to return (their eternity), **good luck with that**. He has already been bringing His Church into **His world and Heaven and eternal life (lives)**.

“Many will be **purged, purified** (cleansed) and **refined, but the wicked will behave wickedly** (including not being open to spiritual truth). **None of the wicked shall understand**, but those who are [spiritually] wise **will understand**.” Daniel 12:10

(If a person isn't willing to surrender enough to be cleansed and refined into Book of Life levels of consciousness, a process that takes years to accomplish, then **there is but one outcome left for them. They will be purged out of the new earth**. The tribulation suffering will be nothing compared to the full life suffering for those left in the lower world for any remaining lives after permanent reality separation. The eternal separation into the anticipated Heaven and Hell which is currently existing side by side within this end time period. **Permanent separation of ascended humans from those fallen humans who are being left behind. It's your free will and choice to make only**. “You must separate from them”, or you will be left behind with them (including non ascended family members and friends) if the full process isn't followed.)

We are now at that time where we will all know if we are truly saved or not. **At least the ascended humans will know**. The others will have until the end of their physical life, and if not known by then, will know once back into the non physical spiritual realm. So make sure you are where you want to be. After end times concludes, our eternal positions will be set.

For those curious about whether we will recognize other loved ones in "Heaven". Those who have ascended and entered into unity consciousness, will of course know others who have also completed the process and have overcome the physical world. But the ascended group living within the Heaven requirements will also recognize others who are still in a state of purgatory or those continuing to be stuck in Hell. **Again, Christ gives a person who is actually saved, everything needed to understand this**. Every single person on earth will be in one of these three categories during end times. Those who still have not entered into Heaven, **will be left behind**.

Those completing their full tribulation and waiting for final separation, realize that they might be sharing their last physical lifetime with some of their family members and friends. So this will also be a period of time for them to come to peace with that, since not everyone will choose to suffer through tribulation, and therefore, will not change consciousness to move forward into the new earth. Regular life will bring about this separation between the groups, if it is allowed to happen.

End times = last lifetime opportunity to work into higher consciousness states (ascending new earth) to continue after final judgment in the peaceful world prophesied in the Bible.

After physical death, there will also be a permanent separation from others that choose to remain in lower consciousness states (descending old earth) after being left behind by their own free will.

Many say that the Mayan calendar was accurate in predicting the end of the age, making this present lifetime, a person's last opportunity to increase (or decrease) their level of consciousness before exiting this earth.

“Why are you so afraid? Do you still have no faith?”

Isn't the whole idea about being a Christian all about **entering into Heaven and eternal life**? So why do so many people claim to be saved, yet are still awaiting that place and still waiting for Jesus and a second coming to occur. If they still haven't entered yet, how good of Christians can they be? **Or, are they really even Christians at all?**

“Now **this is eternal life**, that they may know **You**”
John 17:3 (advancing lifetime after lifetime while spending eternity within His presence and world during each physical lifetime)

“...for many will try to enter (into **Heaven and eternal life**), but will **fail**.” Luke 13:24

(Never being written into the Book of Life during a physical lifetime.)

But I will reply, “**I never knew you**.” Matthew 7:23

"But keep on the alert at all times, praying that you may have strength to escape all these things that are about to take place, and to stand before the Son of Man."

Luke 21:36

Therefore,

"You too, MUST BE READY."

ppsx

(so you are not **LEFT BEHIND**)

To continue into the Millennium, a person must be at physical consciousness levels that allows them to live within a higher spiritual world. This is a requirement that is tested during a person's last judgment, to see if they can continue. Only those who are prepared, and can live by spiritual methods, will be able to continue during this period of prophetic time.

"and Your people will be protected"
(Since they are already at Book of Life levels of consciousness.)

"For as the body without the spirit is dead, so faith without works is dead also."

James 2:26

Faith by completing a full focused tribulation...Good works only, do not make us acceptable to God

Everyone is tested during tribulation to see if they are **actual believers**.

(This part cannot be faked)

a person is either at **Book of Life levels of consciousness**, or they **are not**

"And in all the land, declares the LORD, two-thirds will be cut off and perish, but a third will be left in it."

"And no man putteth new wine into old bottles"

"The foolish ones said to the wise ones, 'Give us some of your oil. Our lamps are going out.'"

Those not ready will not be able to continue through their given challenges and tests, resulting in their final judgment. Being dismissed from physical life in "Heaven".

A new age means a new transition into different ways to live life. Adjustments for that to occur must happen for this change. Those who have not assimilated the new energies found within an ascending earth, by increasing their spiritual body, will run into reality problems that won't make rational sense to those at higher consciousness levels. They have reached the point that doesn't allow their current consciousness level to understand how to live within the higher realms which is now available within this part of the **maturing cycle**. This current period is allowing both worlds to exist together for a **short amount of time**, to allow everyone their **individual** choice on how to live their physical lives. They will have only until the end of their current physical life, to raise their spiritual consciousness levels to the proper levels (Book of Life) in order to reach eternal life.

Otherwise, they will be **left behind**.

Some making it to **purgatory levels** will be allowed one last chance after the Millennium to reach eternal levels, as well as some of those who **have helped others** during their tribulation, although prophecy makes it clear, unless **changed** by then, they will not advance. They are allowed to stay as they are, not realizing that they are choosing eternal Hell, and will be **separated** from all the others in "Heaven" – higher consciousness. It doesn't matter at that point, what they have previously labeled themselves (**religious affiliations**, spiritual, atheist, agnostic, or whatever), since only those who have been "cleansed" through a full completed tribulation will be allowed to enter. But always remember, those at lower levels of consciousness will not believe it. **"None of them, will understand."**

For that group, that doesn't understand, it won't matter after this lifetime anyway, since they will no longer be able to bother those choosing to ascend into the new earth's reality. They have either chosen to follow a lower consciousness spirit since they don't know how to discern properly, or just are too lazy or naive to expand their consciousness. Either way, they will leave earth without reaching the levels required to reach "Heaven". A person is either ready, **or not**.

You must **"test the spirits"**

False Teachers

1 John 4:1 "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world."

You must "test the spirits", to find those who are from God. Many will be fooled into believing they are following Christ, when in reality, they have never even come close to ascending out of their fallen state of consciousness.

We are in the renewal period for **spiritual understanding** once again. **Pay attention!!**

Don't be misled!!

To live within the upper ranges of humanity, a person must make this process into an experience, instead of just something read about. **It does require devotion.** Just like a person who devotes full time work, in order to get full time pay, it is no different in a spiritual endeavor. You get out what you put into it. A partial effort will only yield **partial results** as would rationally be expected in any experience found on earth. No effort, of course results in no consciousness gain. For those wanting to remain in their 3rd dimensional life, that is fine, but don't mistake the fact that the Christ realm is in **5th dimension consciousness.** So a 3rd dimensional life is outside of the life that Christ has spoken of in the Bible except for basic karma principles. There will be other spiritual families with some of their members also at 5th dimension levels who are also working on their spiritual growth. There will be unique differences between these different families due to their different mastery concerning universal laws and their own individual consciousness levels within it. -

"Not everyone who keeps saying to me, 'Lord, Lord,' will get into the **Kingdom of Heaven**" Matthew 7:21

Those cleansed through their tribulation period by Christ, are returned to their previous levels of consciousness, to continue in their spiritual growth, **eternal life** (Heaven - higher consciousness). "For I will take you out of the nations (lower consciousness levels - 1st physical reality); I will gather you from all the countries and bring you back into your own land (Heaven) - to live within the 2nd physical reality." Israel (those in Christ) "shall know that I am Yahweh".

Others choosing not to, **will never understand** that this is the meaning of **eternal life**, not something after physical death. They will cease having any further physical lives at some point, declining to progress past these lower levels. Never understanding how to properly get through the ascension stage of human development and into eternal life.

"I never knew you"

"They (actual disciples) do not belong to this (lower consciousness) world any more than I do." John 17:16

(Every soul does return back into the spiritual world at their achieved level of consciousness, once they physically die to live with others at those same levels.)

Then, together with them, **we who are still alive and remain on the earth** will be caught up in the clouds (higher consciousness) to meet the Lord in the air. **Then we will be with the Lord forever.** 1 Thessalonians 4:17

The 144,000

During this renewal period, people will be receiving their last physical life judgment to see whether they can live within a **higher consciousness world (Heaven)**, or must be left behind in their **fallen state of consciousness** instead.

(A person must make changes to their current life to proper levels, before it ends, if they want to live in Heaven)

"Swing your sharp sickle and gather the clusters of grapes from the vine of the earth, because its grapes are ripe."

("But none of them, will understand")

The Harvest of the Earth (The 144,000)

13 And I heard a voice from heaven telling me to write, "Blessed are the **dead** (those who **have died from their 3rd dimensional life**)—those who **die in the Lord** from this moment on (**increasing into Christ consciousness**)." "Yes," says the Spirit, "they will rest from their labors, for their deeds will follow them." 14 And I looked and saw a white cloud, and seated on the cloud was One like the Son of Man, with a golden crown on His head and a sharp sickle in His hand. 15 Then another angel came out of the temple, crying out in a loud voice to the One seated on the cloud, "Swing Your sickle and reap, because **the time has come to harvest**; for the crop of the earth is ripe." So the One seated on the cloud swung His sickle over the earth, and the earth was harvested....

Increasing energy levels are now present for those who are open and ready to receive them. A person must increase their personal spiritual energy levels in unison with the New Earth's, in order to continue.

"The righteous and wicked are to remain in the earth together. **The righteous are not to exterminate the wicked** (even though they could easily because of their **much higher spiritual levels**). **(The evil will do a good enough job eliminating themselves without further help from others anyway.)** The evil (lower consciousness) and the good (higher consciousness) will be mixed until judgment day. Then all shall be gathered at the throne of judgment. **The righteous (those who are at the Book of Life resonance and above) shall inherit the kingdom."**

Those below the necessary levels to continue, will be dismissed from this higher consciousness world (Heaven). What has previously been known as "The future coming of the kingdom of God", which is now available during end times. A person will enter *during* their physical life.

Those who have entered, know without any doubts.

Only those who have not entered, will be confused. This will result in **Their Last Judgment** (those below Book of Life levels of consciousness that is needed to continue).

Revelation 21:27

"... nothing unclean and no one who practices abomination and lying, shall ever come into it, but only those whose names are written in the Lamb's book of life."

(those who have COMPLETED their full tribulation through Christ)

Jeremiah 35:15

I have also sent to you all My servants the prophets, *rising up early* and sending them, saying, 'Turn now everyone from his evil way, amend your doings, and do not go after other gods to serve them; then you will dwell in the land which I have given you and your fathers.' (higher consciousness - Heaven)

But you have not inclined your ear, nor obeyed Me. (continuing to stay within your fallen nature instead)

The fallen group includes prosperity gospel followers and those following other worldly people. **They will all perish together regardless of what they currently label themselves.**

At this point in physical time, a person is either within Book of Life levels and Heaven, or are outside of it.

These physical realities can be compared to educational accomplishments (elementary, middle, and high school). The physical realities can only be lived into higher levels by completing the lower levels first. The first level group cannot understand the higher levels, but the other two groups will understand all lower levels that they have been through.

If a person is not currently in **eternal life**, then they must find their current consciousness level and make changes in their life until the proper levels are reached.

"So we will be with the Lord forever."

Last judgment will also be the last physical life for many individuals who are too far away from eternal life levels.

Again He said to them, "I am going away. Then you will try to find me, but **you will die in your sins (remaining within lower consciousness levels)**. Where I am going (**higher consciousness - Book of Life levels of consciousness**), it is **impossible** for you to come (if **you physically die first** before reaching **5th dimension consciousness**)." John 8:21

"But more than anything else, put **God's work first and do what He wants**. Then the other things will be yours as well." Matthew 6:33

(Eternal physical life (lives) for continued soul consciousness growth)

Those who are already within eternal life, will of course have higher spiritual levels than others who have chosen to remain at lower world levels only. Many will rationalize to themselves that those at the higher levels are not within normal reality levels, and they are right, but not for the reasons that are accurate. Those who have had many more physical lives in their overall path, return for many different reasons, but all concerning some sort of continued spiritual growth for their soul. Although they will try to help others, they will still allow people to progress (or not) according to their individual free will choice.

For only we who believe can enter his rest. As for the others, God said, "In my anger I took an oath: 'They will never enter my place of rest,'" even though this rest has been ready since he made the world.

Unfortunately, this will keep some people **stuck in the lower world**, since they will not want to believe that these higher levels exist and they are not a part of it. That is why Christ was brought into this lower world, so that those who care enough, will follow fully until completion for actual salvation into higher consciousness and eternal life (lives). Otherwise, a person will get a full cycle of initial lives to reach eternal life levels (Book of Life), and will be dismissed from any future lives if those levels are not reached (**final judgment**). Every soul does return back into the non physical spiritual world at physical death regardless of their achieved status. There they will live with other spiritual entities within those same consciousness ranges that they have obtained. Heaven is a state of consciousness acquired during a physical life that is **mistaken as the spirit world** by those who have **never experienced that higher state of consciousness**.

"They will never enter My place of rest."

Jesus said to them, "Truly I tell you, at the renewal of all things, you who have followed me (completed their full tribulation) will also sit on twelve thrones, **judging the twelve tribes of Israel (those still left in lower consciousness)**."

Don't be naive to think otherwise

"Where I go, you know, and you know **the way**."

"and then the end will come"

"If you belonged to the world, it would love you as its own. **As it is, you do not belong to the world, but I have chosen you out of the world**. That is why **the world hates you**." John 15:19

"Earth has been chosen as the place to give **life new birth**." Excerpt from The Ancient Secret of the Flower of Life, the Lucifer Experiment.

Talk and **outward appearances** are easy.... **actual Faith to completion is what matters**.

Those in higher consciousness, can easily identify **all the different levels** of spiritual consciousness.

(To receive eternal life, a person must get on board with all the *requirements*, and then they will be allowed to consciously progress for any remainder of physical lives they choose to have.)

"But none of *them*, will understand."
Daniel 12:10

This commentary is meant for those *serious* about understanding the meaning of the Biblical term of "Heaven" and eternal life, as compared to the Hollywood version, in addition to the version from those preaching within the lower teachings of Christ only (since they have never reached Book of Life levels during life, for proper instruction). Those happy (or happy enough) within their current *3rd dimensional life*, will find it extremely difficult to reach the higher teachings of Christ, and all that is necessary to live within the highest levels of human consciousness (Heaven).

Everyone was meant to experience this spiritual resurrection (out of our fallen state), before the end of the age concludes, and dismisses *those choosing not to participate* at these higher reality physical levels. For actual understanding, this must be experienced, and not just read about. A person must get to these levels during physical life, and will know without a doubt that they have been allowed in.

They didn't know until the flood came and swept them all away. (those still in fallen state)

So this is the way the coming of the Son of Man will be.....
Matthew 24:39

For those who are not *already* in Eternal Life and Book of Life levels.
(must be achieved by end of age)

(Judgment Ladder interactive)

Others who are still below Book of Life levels, will not be at consciousness levels to understand, and unless they become sincere and dedicated to making the necessary changes in their life, **will be left behind**. It doesn't matter who a person is, or who they think they are, if they still haven't been cleansed, by completing a full focused tribulation. This is the only way of entering through the front door, and into Book of Life levels. "What good is it, dear brothers and sisters, if you say you have faith but don't show it by your actions? (by completing a full tribulation) Can that kind of faith save anyone?" Daniel 12:10 is precise when declaring, those who have not been admitted during life, will just not understand. They were deceived by following the lower teachings of Christ only. This commentary is only for those wanting to get to eternal life and living in the Millennium. Those who are happy

within their lower consciousness life, need not make any changes within their present life at all, staying within their present reality of life, while missing the 1000 year period

with Christ in the peaceful physical world. This could also possibly be their last physical lifetime within the full human cycle to reach eternal life.

I NEVER KNEW YOU

Never entered into Book of Life levels

"For if anyone thinks he is something (saved), when he is **nothing** (still in his fallen state), he deceives himself."
Galatians 6:3

Jesus said to them, "You are from **below**; I am from above. You are of **this world**; I am not."

"They (disciples) are not of the world, just as I am not of the (**lower**) world."

Only those reaching Book of Life levels are allowed into "Heaven". The highest obtainable consciousness levels in a physical human body.

Then they are allowed to continually progress in a conscious state, for their additional lives.

Because of **lack** of knowledge, most will remain within the **lower teachings only**, never making it into

Eternal Life.....

(Book of Life levels)

Those receiving eternal life, will get to physically progress as they choose, for their eternity. This will be for further spiritual growth, in a spiritual world. New life associated with this world, will be dealing with spirituality in some way, since the lower world already exists for those wanting materialistic and **family type** experiences. There are also different rules and requirements within this other higher consciousness world. Different worlds, **different rules** and purposes. But this is the **peace** and tranquility world, the major difference.

On that day many will say to me, 'Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?'

Then I will tell them plainly, 'I never knew you'

"But don't **just listen** to God's word.

You must do what it says.

Otherwise, **you are only fooling yourselves.**" **James 1:22**

It will be very hard to leave loved ones when deciding to move into higher consciousness. The joy will be in living additional lifetimes with them, once everyone obtains eternal life levels.

It is very important to maintain higher consciousness levels, without being drawn back into the lower consciousness world during a lifetime.

To reach this state of consciousness, only those allowing themselves to be cleansed by the process, will be allowed in. It doesn't take much to realize during the suffering part of tribulation, that it is well worth it, to eternally live with and be a part of that advanced spiritual group, since everyone at that level has met all the requirements for entry, and has also reached a certain level of enlightenment that enables the understanding of how and why this world works.

After permanent separation takes place, we (those obtaining Book of Life levels) will no longer have to put up with all the pains created by those at the extreme lower levels of consciousness (regardless of their job titles or religious affiliations), that unfortunately still exist within this mixed earth until they are dismissed. Those reaching eternal life levels, also realize they can return during whatever period they choose to. Some people will choose to leave if their body is older than they currently like, and upon return will of course be able to maintain youthfulness after the millennium has commenced. Others will tire of their current life and other participants, and will choose to leave and come back later when everyone present has met all necessary requirements, making the world more easy to live in. So it really doesn't matter how a person loses their physical body, it is more important in reaching Book of Life levels for future flexibility concerning continued growth in life. Those thinking Heaven is a place after physical death, they are gravely mistaken since all souls enter the spiritual realm at that time to live at their overall achieved spiritual levels that have been obtained during life. So souls are entering and leaving groups continuously as they evolve, by raising their spiritual consciousness levels. **It is also very important that people realize how much love there is for those who have shared a lifetime with them in this growth.**

That separation, will also cause the lower world to go to much lower average consciousness levels, since there will no longer be higher consciousness people around, to *bring the average levels up*. Then, the **lower world** will show it's true self, **Hell**, but it will be after separation has occurred. The promise that Christ made though, is for those who follow completely, through a full focused tribulation by believing in Him. Eternal Physical and Spiritual life. Salvation!

The "Living God"

Most people will go through a full cycle of fallen state living first, to become aware of all of the injustices within that consciousness world, before becoming serious enough to pursue the spiritual side next, and to work out of it, and into higher consciousness.

During this initial cycle, that person will be able to experience one side of an experience (duality living). Afterwards, they would also be able to live from that opposite experience for perspective reasons, if they allow that change in their life. During this process, other spirits are helping in some way, and can *easily be confused* as Jesus. So it is important to know who a person is actually in tune with. But for those who **previously** were at Book of Life levels, they are **brought back to their previous levels**, to continue on for further conscious growth once they recognize that initial cycle. They would of course need to ask for forgiveness and recognize Christ for that help. Those who haven't reached those levels, who are sincere at this point in their life, will be given grace baptism to progress into the infant stages of Spirit. That is what the tribulation period is meant for, **to remember those previous levels and how to either get back to them**, or start fresh, to continue their spiritual growth out of the fallen world.

"Heaven" - The highest level of physical human consciousness.....

Heaven, eternal physical life, only for those reaching Book of Life levels The "dead", don't know they are dead. Jesus "descended" into the lower parts of the earth. **HE DESCENDED INTO HELL.**" lower consciousness below Book of Life levels...

[\(Lake of Fire pdf\)](#)

Those who are not within Eternal Life currently, will need to elevate their levels in order to enter.

We will all have different challenges to work through first, and then can consciously **co create** our lives afterwards within God's guidelines, once reaching Book of Life levels.

Those deciding not to advance, will not be able to consciously evolve, and **at some point will cease having physical human lives.**

(Two different worlds mixed together during end of age)....."and those days *will be shortened*"
"Do you want to go away as well?"

To advance into these higher levels, a person must be willing to devote the necessary time and energy during their full tribulation period, similar to any other successful experience accomplished during life. This is where the meaning of "if you believe in Christ, you will receive eternal life" comes into play. If a person doesn't surrender fully and follow through their full tribulation process, then they don't really believe in Christ. They will be part of the group that He says, "But I Never Knew You." A part time effort, will of course result in a

part time outcome as well as no effort at all will yield those expected results.

The surrendering level that a person allows, will also determine how far a person can increase their consciousness while going through this process, since unless it is through full completion (perseverance), it will not deliver a person into Book of Life levels of consciousness.

But don't be naive, just because a person goes through tough times, it doesn't make it a growing tribulation period. They can continue without any focused growth at all. That is just living within the lower state world. But for those recognizing these hard times, if you're going through them anyway, why not surrender and follow the teachings, for the *full proper reward later*. Without a conscious, focused effort, a person is making a decision to remain within the lower consciousness world that they can relate to only. A person must seek to find this higher consciousness world.

"These are the ones who have come out of the great tribulation;"
A full focused tribulation.

Christ was brought in for this purpose.

So there will be *two groups* at the **end of the age**, those who can live and survive within both worlds during the **testing period** (sheep, living), or those who can only live within the fallen state world (goats, dead), even though it will become very hard to survive at that time without increasing consciousness levels from that lower state. A person will be given major challenges to see how they respond to those tests, either in a spiritual way, or by regular fallen state methods. The success of these trials will determine which world a person can live in. Those in the higher consciousness group, will usually lower their levels to those that they are interacting with, in order to *keep their conversations reasonable*. This will make it very difficult for that lower consciousness group to even be aware of those residing within the higher states of consciousness (*different achieved levels*).

"And He will *separate* the people one from another..."

The Sheep and the Goats

...All the nations (different consciousness levels) will be gathered before Him, and He will *separate the people one from another*, as a shepherd separates the sheep from the goats. He will place the *sheep on His right* and the *goats on His left*. Then the King will say to those on His right, 'Come and receive the kingdom that was prepared for you before the world was created.'

Higher Consciousness - Heaven (highest level of human consciousness)

"Then we who are alive (Book of Life levels), who are left (after last judgment dismisses all others not reaching those levels), will be caught up together with them in the clouds (5th dimension consciousness) to meet the Lord in the air, and so we will always be with the Lord."

(This separation occurs during the tribulation process... between those at *Book of Life levels* and those *who are not* at those levels.)

Must seek to find.....*surrender and follow*

During the Great Tribulation, people will be getting dismissed from their last and final judgment without receiving eternal life, and will not even be aware that it is occurring (Matthew 24:40). The Gospel is there to get people into eternal life, during physical life for those in complete surrender and following to Christ. The new earth and heavens are there for this enlightened group, to then live in also, during life, once reaching those levels. Those at Book of Life levels are able to live within both (higher and lower) worlds during the endtimes, until *permanent separation* takes place.

For those below those Book of Life levels, who can only live within the fallen state world, once they are back in the spirit (non physical) world, they will of course be aware of what has happened at that time. They then, will have to make peace with their decision *not to fully follow Christ* while they were in their body. In addition, those who only completed a *partial tribulation*, including the many people who consider themselves very religious, will also have to make peace with their decision to not seek to completion, being deceived also during their physical time on earth, *running out of the time* needed to reach eternal life.

Christ serves by helping those out of **lower consciousness,

Therefore, a person who is **truly in Christ**, **cannot complain about life**. They are either experiencing the life they currently want, or are going through tribulation in order to get there. Their **spiritual consciousness level is revealed**, by their words and actions, within their present life choices.

Leviticus 25:41

"Dear friends, if we deliberately continue sinning after we have received knowledge of the truth, **there is no longer any sacrifice that will cover these sins.**" Hebrews 10:26

When a person dies, either **spiritually** during life, or at physical death, they are placed appropriately into their proper area, Heaven – Higher consciousness or Hell – lower consciousness. At physical death, all souls will return to the spiritual realm into their achieved overall spiritual consciousness level. So all souls return back where they originated from at physical death, but **during physical life, only those reaching Book of Life levels, are allowed into the state known as “Heaven”.**

Higher consciousness (Book of Life levels and above) would be in unison with God, while lower consciousness is separation from God (although this does encompass many different degrees within that state of sin, including infant stages of spirit). So many will leave physical life, at a level that is accurate (“**but I never knew you**“), but was not understood during their time on earth.

Upon physical return, if desired, they will resume from those previous levels, either in a conscious state (higher consciousness – eternal life) or an unconscious level (lower consciousness to try again). Eternal life, allows for a spiritual physical

“No one comes to the Father except through Me.”

progression within a conscious state (usually to help others in some spiritual way), as compared to the unconscious levels that only allow for materialistic and other lower consciousness experiences one life at a time.

" I will never erase their names from the **Book of Life**"

Christ, by helping people ascend their consciousness into the higher levels, allows that group to occupy an *ascended earth*, that otherwise would remain vacant of physical human life. So once a person goes through their individual ascension process, they can understand that similar cycle that occurs in all living objects (earth). This tribulation period, also allows understanding on how the two worlds can currently co-exist until permanent separation takes place.

An average person in their fallen state of consciousness is at 200

With the highest human level that can be obtained, at 1000

The average person only moves up 5 points in an entire lifetime.

However, a focused effort to move into higher states, can lead to.....

.... to incredible leaps of awareness in relatively short periods of time.

It will not be difficult to recognize those who are perishing. They will continue to break the commandments, while trying to justify their reasons in doing that. Some will choose to disregard the Gospel completely, not believing in any real spiritual affiliation. Others will choose not to go through a full tribulation, believing the false prophet that lives among them in the lower world (prosperity and easy versions only), even though Christ made it clear that many will be told, "I never knew you".

Those who have completed their full tribulation into Book of Life levels, are allowed to judge those left in their lower state of consciousness. Only God and Christ are allowed to judge those who have already obtained "Book" status. It doesn't matter if people disagree with this process, since it exists for anyone choosing to go through the cleansing process through Christ, in order to also obtain those levels if wanted. Another benefit for those completing the full process that includes eternal life (additional lives for conscious spiritual growth).

During the end times period, the same increasing energies that are allowing people to reside within the higher realms during this mixed time, will also bring to light all things trying to stay in darkness. This would include lies of all types, major injustices, and anything else that would have to be purged from a higher consciousness world. In this process, people will be receiving their last and final judgment as they take personal stands during that time, whether they are conscious of it or not. Those choosing to increase into Book of Life levels, will get to remain, as others choosing not to, will get dismissed from physical life.

As quantum physics shows, subatomic particles are waveforms in their pure state and manifest as matter only when acted upon or observed. Ultimately, everything is energy vibrating at varying frequencies to give the impression of density. Science is now catching on to what sages and seers through the ages have always known – everything is energy and the higher your energy vibrates, the better health and happiness you will have during your life. Challenges will always take place in life for helping a person increase their vibration.

The more aware we become, the faster we vibrate and the higher we go on the vibrational scale into what Christians call their "Glorified Body".

As a person increases their vibration (works on their "glorified body", they are able to observe and manifest energy differently from those in a lower vibration (lower consciousness). That is why Christ stated that a person must be born again in Spirit, in order to see the Kingdom of God. He will help those who in complete surrender show their faith.

False Teaching

Signs of the End of the Age

Jesus answered, "See to it that no one deceives you. For many will come in My name, claiming, 'I am in Christ,' **and will deceive many**" (keeping them **below** Book of Life levels and **out** of the **Kingdom**). Belief in Christ means completing the tribulation process for salvation. End times will dismiss those looking for the easy (and prosperous) false Gospel only.

My people are destroyed for lack of knowledge; because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.
[Hosea 4:6 KJV]

They **have never reached** *Book of Life levels*, so **cannot teach** how to **get there...still living within world with the false prophet.**

Some have wandered away from these and turned to meaningless talk. They want to be teachers of the law, but they do not know what they are talking about or what they so confidently affirm.
1 Timothy 1:6-7

"Blessed is the man who has **suffered** and found life." Prosperity will come properly, after Book of Life levels have been reached.

"What sorrow awaits you teachers of religious law and you Pharisees. Hypocrites! For you shut the door of the Kingdom of Heaven in people's faces. You won't go in yourselves, and you don't let others enter either." Matthew 23:13 (They teach confidently, yet they have never entered the Kingdom themselves, while continuing to take money for this false worshiping.)

They, still like all others, have until their last lifetime before the end of the age, to try to get to Book of Life levels of 550 plus. They will then be entering through the front door, through Christ, instead of remaining at **their current levels** of between 300 to 450, that keep them within the lower consciousness world.

like 17:21 **THE KINGDOM IN OUR MIDST**
NOR WILL THEY SAY, 'LOOK, HERE IT IS!' OR 'THERE IT IS!' FOR, IN FACT, THE KINGDOM OF GOD IS AMONG YOU"

Little do they realize, that they are still degrees within the sin category away from Book of Life levels, very similar to the same degrees that murderers are below church worshiping people. People entering through other means, prosperity and easy teachings, are no different. The common denominator, is that all of these different categories are below Book of Life, and outside of eternal life. Yet, they remain set in their current ways and beliefs, doomed to perish.

But for those who have taken the tribulation time out, including the necessary family separations around free will, ...they will receive the [added generational benefits](#) instead of the curse (many more life challenges to get through) for those never reaching Book of Life levels.

And Jesus said to them, “The sons of this age marry and are given in marriage, **but those who are considered worthy to attain to that age (the renewal period) and to the resurrection from the dead neither marry nor are given in marriage** (for those in marriage, they will be given opportunities for their marriage to end, and to see what level of faith they have at that point for continuation), **for they cannot die anymore (eternal life)** because they are equal to angels and are sons of God, **being sons of the resurrection (higher consciousness levels).**”

(Luke 20:34-36)

Future relationships will be entered, depending on the need for that period of time that they will exist for. When that period ends, all parties will then just move forward depending on what is needed afterwards, to continue in their growth.

Higher teachings will also give a person **Eternal Life**, while the lower teachings will only give the full experience from an **unconscious state during a lower consciousness life**.

Now there will be nobody on earth who can deny Christ (all that are left and haven't been dismissed from their challenges and tests, have completed their full tribulation, and are at Book of Life levels (550+) or above (higher 4th and 5th **dimension physical reality**) living within the new earth). Now it will be clear that He is Christ, the Lord and Savior of the earth. There will be **no more doubt**, no more mystery, **no more lies** (for those who have surrendered completely and finished their tribulation period by the end of the age). The truth will radiate over the whole earth and everyone will come to worship Him. (Zechariah 14:16)

**Beloved, do not be surprised at the fiery trial
when it comes upon you to test you (tribulation),
as though something strange were happening to you.
1 Peter 4:12**

**How a person responds to these challenges.....
determines their current level of consciousness.**

A person will solve it by external or internal (spiritual) ways.

This all depends on a person's individual achieved level...

*(a full focused, surrendered, tribulation period, will increase
levels)*

For by fire....

**(the challenge will be understanding how to
surrender correctly.....this takes time)**

"But be doers of the word and not hearers only, deceiving yourselves."

James 1:22

(those wanting to
get into "Heaven",

must increase their levels out of their fallen state of consciousness)

“for many will try to enter but will fail” Luke 13:24

..... and many more won't even try **at all!!**

Staying **unconscious** during this life.....

and after final judgment....for **their eternity!**

(Some will have **one last opportunity** at the end of the Millennium to complete their tribulation into the proper levels, but they would already have to be really close to those levels or will not get that last chance. Better to complete it during current life once informed, and not roll the dice for their eternity)

Book of Revelation is meant for those reaching Book of Life levels for understanding. A person's spiritual consciousness levels have increased through their tribulation period, allowing them to "see" at these levels of consciousness now. [click on picture for animation](#)

Because, “none of **them** (those who **never** reached Book of Life levels) **will understand**”

Daniel 12:10

(levels below 550 are considered 3rd dimension reality – the 550 level being in a state of purgatory while still within slight darkness – 700+ places a person into full enlightenment levels with understanding and clarity – **Heaven** – 5th dimension reality)

Worlds mixed together only until last and final judgment takes place...

Higher Consciousness – Book of Life Levels (550) and above

Lower Consciousness – “The Dead”

“Where I go, you know, and you know **the way.**”

And as I continue through my tribulation period, You give me the strength to finish.....I know You are with me....Thank You for cleansing me through Your process, and giving me eternal life!

Everyone who is spiritually far enough along to recognize the Gospel, will be given the opportunity to increase their energy levels into higher consciousness before the end of the age concludes.....

"Then, together with them (those out of body – 5th dimension spirits helping guide us (angels)), we who are still alive and remain on the earth (Book of Life levels) will be caught up in the clouds (higher consciousness) to meet the Lord in the air. Then we will be with the Lord forever."

1 Thessalonians 4:17

Unfortunately, not everyone will take the corrective action that is needed in order to make the adjustments in Kingdom.

"and none of them (those who haven't entered), will understand."

The Christian Experience as promised through the Bible

(for those sincere, and following all the rules and requirements) (then you can **co-create** – freedom)

"For if anyone thinks he is something (saved), when he is nothing, (still in his fallen state)

he is only fooling himself."
Galatians 6:3

"He who overcomes, shall not be hurt by the second death."

“This is the second death, the lake of fire (lower consciousness). **And if anyone’s name was not found written in the Book of Life, he was thrown into the lake of fire (hell).**” Revelation 20:15

So why do you keep calling me, “Lord Lord...?”

You are either living in your **own created world**, or in someone else’s.....it’s your choice!

(If in someone else’s created experience, job related, or in a formal marriage, or other relationship, a person must accept all of the repercussions around any associated karma associated with it. No one escapes related karma and the necessary re-balancing (cleansing) around it. It will have to be payed back at some point, or a person cannot move forward. It has nothing to do with the positive part, but is all about the negative parts that also have to re-balance (either consciously during this lifetime, or in an unconscious state next time). The understanding of duality vs unity consciousness and what eternal life actually means. This is why those wanting to experience within the highest levels of consciousness, must separate from those who do not really have that same desire. That larger group that is happy staying within the lower levels of consciousness, with others who are also just like them, unwilling to cleanse properly through a period of suffering.)

“Therefore, come out from among **them** and be separate, says the Lord; do not touch any unclean thing, and I will welcome you.” 2 Corinthians 6:17

will not argue

“For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God. For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent.”

1 Corinthians 1:18-19

*The understanding of **rebirth**, and use of multi dimensional life.*

Once this is remembered, a person continues on from where they previously left off...eternal life

"It is true, that **without a physical body, it is almost impossible to expand consciousness. Once a person has lost their body, they don't evolve much more.**" Excerpt from You are a Multi-Dimensional being. Therefore, take advantage of your body while you have it.

“Claiming to be wise, **they (some of those still in their fallen state) instead became utter fools.**” Romans 1:22

(Dooming themselves outside of eternal life, having never reached “Heaven”)

“And the dead in Christ will rise first”

(those open to the actual Gospel, by experiencing it by faith through tribulation)

the resurrection of the dead

In spirit

*“...for only those who are spiritual, **can understand** what the Spirit means...”*

Give Thanks to the LORD, for He is Good

...The LORD is on my side; He is my helper. Therefore I will look in triumph on those who hate me. It is better to take refuge in the LORD than to trust in man. It is better to take refuge in the LORD than to trust in princes.... Psalm 118:8

“Come out of her (those still in the lower consciousness world), my people, so that you will not share in her sins or contract any of her **plagues** (share in their **karma**).”

Everyone must decide which world they want to live in....lower or **higher** consciousness)

Washing and purifying through tribulation!! Partial tribulation is leaning more towards the world, while a full completed tribulation shows faith in Jesus and eternal life.

“But they will have to answer to God, who judges the living (through Christ) and the dead (those who are in body, and at **Book of Life levels are allowed to judge the “dead”** also.)”

Jesus said to them, “Truly I tell you, at the renewal of all things, when the Son of Man sits on his glorious throne, **you who have followed me** (completed their tribulation) **will also sit** on twelve thrones, **judging** the twelve tribes of Israel (**those still in lower consciousness – the dead**). Matthew 19:28

"The righteous and wicked are to remain in the earth together. **The righteous are not to exterminate the wicked**" (Let them remain in **their** lower consciousness **world**, since upon permanent separation, they will be *gone* soon enough anyway. For many, this will be their last physical lifetime allowed within the human cycle. They are just being allowed to physically live during end times, for their final opportunity to advance into eternal life.)

"And Your people who have their names written in The Book will be protected." Daniel 12:1

(A person reaching these levels, realizes that regardless of how they leave the earth, they will always be able to return when they want, for further conscious growth (**eternal life**). Unlike those, who have never reached Book of Life levels - **the dead**.)
(There are also certain protections and blessings given to those during physical life, who are at Book of Life levels.)

Jeremiah 25:4-6

"And the Lord has sent to you all His servants the prophets **again and again**, but you have not listened nor inclined your ear to hear, saying,

"Turn now everyone from his evil way and from the evil of your deeds, and dwell on the land which the Lord has given to you and your forefathers forever and ever (**5th dimension physical consciousness**); and do not go after other gods to serve them and to worship them (\$\$), and do not provoke Me to anger with the work of your hands, and I will do you no harm.'"

This will have completed a full cycle of physical life, for those either reaching eternal (physical) life, or those deciding not to.

Then permanent separation will take place..... the end of the old age... start of the new age.

The Restoration of Israel

...“Behold, the days are coming, declares the LORD, when the plowman will overtake the reaper and the treader of grapes, the sower of seed. The mountains will drip with sweet wine, with which all the hills will flow. **I will restore from captivity My people Israel; they will rebuild and inhabit the ruined cities;** they will plant vineyards and drink their wine; they will make gardens and eat their fruit. **I will firmly plant them in their own land (higher consciousness), never again to be uprooted from the land that I have given them (5th dimension Christ consciousness),”** says the LORD your God....

Permanent eternal separation between higher and lower consciousness....

But none of *them*, will *understand*..... Daniel 12:10

Cleansing by completing a full focused tribulation into Book of Life levels.....

“But none of *them*, will understand”

He sent **redemption** unto His people:
He has commanded His **covenant**
forever: **holy** and awesome is His name.
-Psalm 111:9 ...

Blessed and holy are those who share in the first resurrection. The second death has no power over them, but they will be priests of God and of Christ and will reign with him for a thousand years.
